POPULAR LOCAL ATHLETE WEDDED AT ENGLEHART

Reference is made elsewhere in this issue to the marriage of Mr. Jerry Abrams, and the following further note may be of general interest to the many friends of the groom in this town and district.

Mr. Jerry Abrams, the popular local athlete, and son of Mr. L. Abrams, Toke street, was not long in following the footsteps of his older brother, Colman. Mr. Jerry Abrams recently joined the ranks of the benedicts, being married at Englehart on May 23rd to Miss G. Korman. Quite a number of local people travelled down to the wedding and returned with the most glowing reports of it. After the marriage Mr. and Mrs. Abrams left on their honeymoon trip for Atlantic City and other points east. Mr. and Mrs. J. Abrams will make their home in Haileybury on their return.

WILD RABBIT AND YOUNG FOX CAUGHT ON STREET

This week two unusual captures were made in Timmins right in the main part of the town. Monday a young fox was noticed darting up Third avenue. At first the animal was taken for a cat, but a side view of the animal proved it was no cat. Chase was given to the fox and it was eventually captured behind one of the billboards at the Goldfields Theatre.

Tuesday some boys chased a wild rabbit up the same street. The rabbit apparently came from the deep bush, one spectator describing the rabbit as having "hairy feet of snow-she type." The rabbit, like the fox, was eventually run to earth and captured. Anything that gets away in Timmins has to be swifter than a rabbit and more cunning than a fox. So, that's that!

George on the golf course: "Now that we're alone, I really feel I must speak. Will you marry me?"
Jane: "Yes, George!"
George: "Thank goodness! Now I can get my mind back on the game!"

LIVES DEPEND ON YOUR EYES

Every time you drive your car your own life and the lives of others are entrusted to those two faithful look-out,—your eyes.

Are you sure of them every waking minute? Do they always afford sharp, clear vision, near or far without strain or discomfort? If you wear glasses, have you had an examination recently?

These are pertinent questions for all of us to consider if we would drive and live and see in comfort.
