Two games were played this week in the Timmins Softball League. On Monday the Ramblers went down to defeat before the Juniors and last night (Wednesday) the A. S. D. Club were defeated by the Young People's League. Both games were played on the softball ground, on the cyanide behind the curling rink. There was a good attendance of spectators at both games.

In the game on Monday evening the final score stood 9-5 for the Juniors, and it was a rattling good game at that. The Juniors were the first to bat the first two men up circling the bases. Arundel and Greco both scoring. For the Ramblers, Wilson, Anderson and Parker went out one, two three. In the second frame McPherson and Kennedy tallied for the Juniors, while the Ramblers went out again without a score. In the third neither teams made a tally, the fourth innings being a repeat. In the fifth Hutson circled the plate for the Juniors, Trumble getting the first run for the Ramblers. The sixth gave the youngsters another lead of two, when Arundel and Greco scored. This was a good innings for the Ramblers, Carson, Trumble, Blow and Luff tallying before the side was retired. In the seventh the Juniors got two more men over the plate when McPherson and Quinn circled the diamond. The seventh was a no score innings for the Ramblers. Final score 9-5.

The teams were—
Ramblers—Wilson, c; Anderson, p; Parker, 1st; Carson, r.f.; Trumble, ss; Horriester, lf; Blow, c.f.; Brown, 3rd; Luff, 2nd.
Juniors—Arundel, ss; Greco, lf; Fox, 1st; G. Fox, c; Monaghan, 3rd; Wilson, c; McPherson, 2nd; Quinn, rf; Kennedy, p; Marshall, Smith and Roberts, subs.
Umpires—Scully and Buchanan.

In the A.S.D. versus Y.P.L. game last night the final score was 21-16 for the Y.P.L. The A.S.D. were the first to bat, Jacobs and Buchanan circling the diamond before the side retired. Levine and Platus scored for the Y.P.L. both teams entering the second frame tied. The A.S.D. failed to get a tally, while Platus and Shub registered for their opponents. In the third Burns, Buchanan, Langdon, and Ballantyne came in for the Club, the League going to the field without a tally. In the fourth Burns and Fisher increased the lead of the A. S. D. while all the Y.P.L. could do was to reduce it by two, when Levine and Platus circled the bases. In the fifth Jacobs, Boyd, Mackie and Leamen scored for the A. S. D. This was the Y.P.L. innings, fourteen men crossing the plate before the side was retired. Levine scored twice, Platus, once, Angrignon, twice, Stewart, twice, Abrams, twice, Monohan and Lewis one each. Shub, twice and M. Abrams, once. This gave the Y.P.L. a total of 20 runs. In the sixth Boyd was the only base runner for the Club, the League going to the field without a run. In the seventh Fisher, Langdon and Ballantyne scored for the A. S. D. Stewart coming home for the Y.P.L. Final score 21-16.

The teams were—

Lord Willingdon was Governor of Bombay and later of Madras with conspicuous ability and success. Lord Willingdon was chosen last year to represent the borough of Hastings, England, when that town generously returned the Quebec Shield to this Dominion. The Quebec Shield was taken from the gates of Quebec by General Murray, the first British Governor and presented to Hastings when the trophy remained until last year.

The Firemen's Dance in the High School on Wednesday, June 2nd, was the usual big success that all affairs of the S. P. F. habitually are. The flag-pole decorated with vari-coloured lights proclaimed to town and surrounding country that there were big doings at the Hall and the merriment, music and generally happy throng confirmed the same idea when you entered the Hall. The Charleston special right after lunch was a very enjoyable number, delighting evidently both those who danced it and those who watched. The music by Emery's Ramblers left nothing to be desired, the insistent echoes showing the dancers' appreciation. This dance was especially gratifying financially, as well as socially, and the Firemen hereby extend their appreciation to the many from Timmins, Schumacher and other places, as well as home folks, who helped to make it such a success.

Mr. and Mrs. R. Bowes and children and Mrs. H. Blood returned Saturday from Kinburn, Ont., where they had attended the funeral of their mother, Mrs. R. The pall-bearers were six of her sons-in-law and two of her brothers-in-law. She was well-known in South Porcupine, having frequently visited her daughter, Mrs. H. Blood, and her son, Robert, here.

It is to be hoped as many members as possible will endeavour to be present. After the service some of the brethren will proceed to the graveyard with flowers for their departed brothers.

Dr. V. Gaillouette, accompanied by two engineers, whom he brought from Chicago, took a number of men into a group of claims in Carscallen township last Friday. Camps on this property are now being completed and quite an amount of machinery has arrived ready to be taken into the workings as soon as arrangements are completed for its installation. Mr. A. D'iori (Derosa), of South Porcupine, is looking after the business details in regard to this new mine. We welcome Dr. Gaillouette to the Porcupine Camp and wish for him every success in his mining ventures in our midst. It is proposed to put some fifty men to work as soon as there is enough of the machinery on the ground.

The first game of the Dickson Cup series was played at Iroquois Falls on Saturday, June 5th, between Iroquois Falls and the Dome Mines teams. The game was a very pleasing one to watch and was refereed satisfactorily to all concerned by Mr. Moore, of Timmins. The visitors won by a score of 4-1, and this casts no reflection on the football of Iroquois Falls team, but just emphasizes the fact that the Dome football team of this year is made up of individuals each, so well adapted and strong in his place, that the whole is an aggregation hard to compete with. The visitors are loud in their praise of the courtesy shown them by the Iroquois Falls Executive. They were shown over the plant of Abitibi Pulp and Paper Co., and also treated to a very fine luncheon. The line-up for the Dome was as follows—Sharp, goal; Jago and Fidoek, backs; Hitt, right half-back; A. Harrower, centre half-back; D. Honston, left half-back; W. Tudor, outside right; E. Tudor, inside right; Richmond, centre forward; B. Murray, inside left; Geo. Miner, outside left.

The play, "Mary's Millions," as put on by the South Porcupine Dramatic Club on Monday and Tuesday, was a real treat. As "Mary", Miss

D. Dowsett put real character into her acting. Irene Wilson as Endora, the hired gal, surely did say "the durndest things" as Abiza Bogg (Fred Grove) the constable and her admirer, kept reminding her. The part of the village store-keeper was most cleverly acted by Jas. Hogg, and Mrs. Hogg handled well the role of his ambitious better half. Velma Arbor, as Betty Barlow, the village school teacher, was a very pleasing part of the play, while Marietta and Isabel Arbor each fitted in admirably with their make-up, to their individual roles. Mr. Lowry personally took the part of the young engineer quite cleverly while his friend Jimmie Barnes (Jim Fell) was so well done that the audience applauded laughingly when Betty exclaimed "Isn't my Jimmie smart?" Fred Mason made a good representation of a French count. Between acts the audience were much pleased with solos by Mrs. F. Bissette and Mrs. W. G. Bowles also Mr. Max Smith and a much encoored violin selection by Rev. F. Baine. In a comic reading Mrs. Barry told how McCully enjoyed the baseball match. The stage arrangements were very good indeed and much is due Mr. Lowry on the management of this play.

Cobalt is considering the collecting of taxes on the residences in the municipality occupied by clergymen. Hitherto, the premises have been exempted by the municipality.

TO PROTECT AGAINST UNAUTHORIZED CANVASSING

Mr. Geo. E. Cole, mining inspector, of South Porcupine, was one of the hundred or more soliders' representatives at the organization meeting of the Ontario branch of the Canadian Legion held at London, Ont., last week. The Legion is planned as an amalgamation of all returned soldiers societies in Canada, and promises to be an unusually strong and successful organization and of material advantage to the soldiers and the country.

One of the subjects taken up by the meeting is of particular importance to the public. The meeting considered the periodical canvassing of the country by persons representing themselves as working for the returned soldiers or for allied causes. Sometimes these canvassers were fraudulent, and in other cases the collectors received more of the donations than the cause did. The Legion has decided to prosecute all attempting fraud in this line, while all legitimate canvassers will be duly authorized and carry credentials showing their rights in the matter. The public should refuse to contribute to any who lack the proper credentials, and if this is done, the action of the Legion will be of particular benefit, guarding both the public and the returned soldiers.

Rouyn's first town council was elected by acclamation.—Mayor, J. Fortin, and Councillors R. Gagne, N. Larivee, D. O. Duseharme, S. M. Rudd, R. Sullivan and N. Pindar.
