HON. Mr. McCREA NAMED AS PROPHET OF THE NORTH
Minister of Mines Has Faith in the Northland and, is Inspiring Others with the Same Faith.
Some days ago Hon. Chas. McCrea, Minister of Mines for Ontario, was the guest of honour at the annual banquet of the Woodstock Board of Trade. He delivered an inspiring address that made a deep impression on

the two hundred business and professional men present. "The Ontario Minister of Mines gave a comprehensive review of the resources and possibilities for development in Northern Ontario," says The Woodstock Sentinel-Review in its report of the event, the report emphasizing the keen and intelligent optimism of Hon. Mr. McCrea. The Sentinel-Review was so impressed with the address by the Minister of Mines that special editorial mention was made in the usual gifted type of the Sentinel-Review. The Advance has repeatedly referred to the value of Hon. Mr. McCrea, as an apostle of the North. His eloquent addresses at various places in Old Ontario and elsewhere are certain to have material effect in spreading the gospel of the North.

Below is given in full the editorial article in The Sentinel-Review, under the heading of "New Ontario":—

"Hon. Charles McCrea, minister of mines in Ontario, has been spoken of as the apostle of New Ontario, the prophet of New Ontario, the high priest, the poet and the champion of New Ontario, and perhaps, as several other things, all in relation to New Ontario. In his address before the Woodstock board of trade on Thursday evening, Mr. McCrea made it quite easy to understand why his name is so intimately associated with New Ontario. He is full of the subject, and one feels that even without the aid of a map he could make the story, as he knows it, as interesting as any modern romance. He understands the subject from the point of view of geology, of natural resources and of human nature. He has lived for some years in the country and has grown up with it. He has the utmost confidence in it. The "hump"—he was referring to what used to be regarded as the wilderness of Northern Ontario—which many people were afraid was destined to break the back of confederation, now seems likely to enable the country to carry its burdens—and they are many and heavy—and the tremendous wealth of natural resources of Northern Ontario

will be an important factor in the binding of East and West and in promoting the welfare not only of the dominion but the empire.

"But Mr. McCrea is no mere idle dreamer or boomer. He has faith in New Ontario; he wants other people to have faith in it, too; but he does not ask for blind faith. Investigate first, then invest, if you are satisfied; that was his advice, and very good advice it was.

"Of course the time at Mr. McCrea's disposal was very short; all he could attempt was merely an introduction to his subject. A very fine introduction it was, and served as an illustration of how he could talk about New Ontario if he had the time and the opportunity. His address, of course, was entirely free from anything even suggestive of party politics. As he said himself, the subject was too big for party politics.

"The Woodstock board of trade was lucky in securing a visit from Mr. McCrea, and it was scarcely possible to listen to a speaker so well qualified to deal with such a subject without going away with fresh knowledge of the country and increased inspiration and increased confidence in the future."

T. S. WOOLLINGS & SON BUY A CARLOAD OF BEES.

The Enghart correspondent of The New Liskeard Speaker last week says:—

"A carload of bees was unloaded on Monday belonging to T. S. Woollings & Son. We understand that this is the largest consignment of bees ever arrived in town or this part of Ontario. The bee industry evidently is a good business for Mr. Woollings and already a large number of bees and same, we understand were bringing a good revenue for the investment made. May Mr. Woollings and all those in the bee business in the district meet with every success."

PLEASANT EVENING AT THE LANCASHIRE CLUB

A very pleasant evening was spent at the Lancashire Club last Saturday in the Hollinger Recreation Hall. The evening was spent in dancing, and a good attendance were present. The music was supplied by the A.S.D. orchestra, with "Scottie" Wilson at the piano in the absence of Mr. Ormston, who is on his holidays.

The next social evening of this club will be held on Saturday next in the same hall. This will be the last of this season and guests will be admitted on special invitation only.

TIMMINS YOUNG MAN MARRIED AT SAND POINT

The Ottawa Journal of Thursday last says:—

"St. Alexander's Church, Sand Point, was the scene of the quiet but interesting wedding on Monday, of Mary Lillis Vita, daughter of Mr. and Mrs. John R. MacDonald, of Austen Andrews, of Timmins, Ont., son of Mr. and Mrs. Alfred Andrews, of Fournier. Rev. Father Schröder performed the ceremony.

"Fragrant spring blossoms banked with palms and ferns were used effectively to adorn the church. The wedding march was played by Miss Edna Retty, and during the ceremony Miss Zita Davis, cousin of the bride, sang sweetly Rosweig's Ave Maria.

"The bride, who was given in marriage by her father, was winsomely pretty in her travelling costume, a coat of thistle-down grey wool charmeuse, with cavalier cape and mole trimming over a dress of crepe romaine of the same shade, and carried a bouquet of sweetheart roses and lily-of-the-valley.

"She was attended by her sister, Miss Flora MacDonald, who was daintily gowned in a frock of Italian blue patterned georgette and carried American Beauty roses. Mr. Toner MacDonald, of Timmins, acted as best man.

"Following the ceremony Mr. and Mrs. Andrews left immediately for Montreal and other places of interest and will return to spend a few days with the bride's parents prior to leaving to take up residence in Timmins.

"The out-of-town guests were Mr. and Mrs. Jas. A. Brennan, Arnprior; Misses Edna Retty and Zita Davis, of Fort Coulonge; Miss W. Andrews, of Ottawa, and Messrs R. and E. Davis, of Fort Coulonge.

"The bride is a sister of Mr. Toner A. MacDonald, barrister, of Timmins, who went to the East for the event, the groom has many friends in Timmins, and all will join in sincerely wishing the couple the best in happiness, long life and prosperity.

K. OF C. WIN FROM A.S.D. CLUB IN SOFTBALL GAME

The Score was 11 to 12, and the Game was A1. It was the Second Match in the League Series

In a regular softball league fixture, and the second game of the series last Friday evening, the A.S.D. Club were defeated by the Knights of Columbus by a score of 11-12. The game was a good one and belonged to either team until the last man went out in the last half of the seventh.

The Knights were first to bat, Scully getting a two-bagger, and coming home on a two-base hit by Sloane. The A.S.D. went to bat, Jacobs getting a single, being advanced by Buchan, and getting home on Fisher's two-base hit. In the second innings Moran got the only run for the Knights when he made a home run with nobody on bases. For the A.S.D. Jacobs and Buchan circled the diamond. In the third Kendall made the second home run for the Knights, while Sloane put them one up. This was a good innings for the A.S.D. five men making the round before the side was retired. Langdon made a two-bagger, Burns went out at first, Lake brought Langdon home with a two base hit, Boyd made a double and Lake scored, Mackie made a double and Boyd scored, Pickering got a double and Mackie scored, Jacobs advanced Pickering to third with a single, the latter scoring on a past ball. In the fourth the Knights more than evened matters up. Kelly got a three-bagger, Scully a double, Kelly scoring, McIntyre a double, Scully coming home, Kendall doubled, scoring McIntyre, Sloane singled, Kendall coming home, Cross singled, scoring Sloane. The fourth was disastrous to the A.S.D., Burns being the only man who got a hit, Lake, Boyd and Mackie going out. In the fifth Kelly and Powell circled the diamond for the Knights. The A.S.D. again did not get a run, Jacobs, Langdon and Pickering being the only members of this team getting a hit. In the sixth Kelly made his third run of the game for the Knights, this being the only score. The A.S.D. again went out without a run, Leamen, who had replaced Burns, and Boyd getting hits. In the seventh the Knights were retired without a score, Sloane going to the field from second base. The A.S.D. made an attempt to even it up; Pickering went out at first, Jacobs doubled, Buchan doubled, scoring Jacobs. Fisher struck out; Langdon doubled scoring Buchan; Leamen singled advancing Langdon, who came home on Lake's double; Boyd struck out. K. of C. 12, A.S.D. 11.

The teams were—K. of C.—Scully, 3rd; McIntyre, c; Kendall, A. p; Sloane, 1st; Cross, 2nd; Moran 1st; Shaw c; Kelly ss; Powell, rf.

A.S.D.—Jacobs, ss; Buchan, 2nd; Fisher, 1st; Langdon, 3rd; Burns and Leamen rf; Lake, Geo. 1f; Boyd, A. c; Mackie, c; Pickering, p.

Umpires—John Walker at plate, J. K. Kennedy at bases.

The teams were—K. of C.—Scully, 3rd; McIntyre, c; Kendall, A. p; Sloane, 1f; Cross, 2nd; Moran 1st; Shaw c; Kelly ss; Powell, rf.

FIRE ON FRIDAY NIGHT DID DAMAGE OF \$400.00.

Friday evening at about 9.45 there was an alarm by telephone in reference to a fire at Mr. Vancouver's, 32 Wilson avenue. The fire started apparently from an electric iron and electric wiring. The fire was a nasty one to handle having gotten in the partitions and between the ceiling and roof. A chemical tank was used inside and the water outside and the brigade soon had the blaze under control and then completely conquered. The motor truck once more showed its value as it was apparent that had the fire continued until the horses got to the scene it would have been much more difficult to handle. The big chemical tanks on the motor truck are also very valuable. Where the chemical hits the fire is done for, and the big tanks will put out considerable without doing any damage like water naturally does.

REMINGTON-NOISELESS TYPEWRITER - MODEL 6

A Revelation in Silence.
Executives welcome it. Typists "adore" it. At first the operation of a Remington-Noiseless Typewriter seems strange. One misses the clatter of keys. But in a day or so, the increased efficiency is apparent. Executives find the quietness stimulating - nothing to distract thought - they don't need to halt their typists while telephoning. Operators "adore" it. After a week they say they "wouldn't go back to other machines for worlds."
In short, Remington-Noiseless Typewriters do work perfectly, and do it in silence.
Wouldn't you like to exchange your present equipment for Remington-Noiseless Typewriters? We will take your old machines as part payment. For particulars, sign and mail this advertisement to us.
