

HOLLINGER WON FROM THE LANCASHIRES BY 5 TO 1

But Score Did Not Indicate the Play, for Lancs Put Up a Nice Match

The Hollinger strengthened their lead in the P.D.F.L. league on Thursday last by defeating the Lancashires by 5 goals to 1.

Although the score was big against the Lancs it does not indicate the match by a long way, and had the score stood 4-3 it would have been more to the point, as the Lancs had the hard luck in the first half in not getting three goals, but this is all in the game.

The Hollinger were the first to score, when Spanton notched the leather in when the ball hit under the crossbar and into the net. The Lancs pressed hard for the equalizer with fine combination, and were rewarded when Kitchen received a pass and banged in a low one.

They kept up the pressure and soon after Rigby on the right had a splendid chance to put the Lancs ahead when he received a pass and had plenty of time to shoot but he faltered and sent the ball wide. Mid-field play followed for a while but the Lancs were determined, and after an exciting time in the Hollinger area the ball went sailing for the goal. Parkyn was out of his net, but Roberts, Jr., came across the goalmouth and saved when the ball was on the goal-line. Another inch and it would have put the Lancs ahead. The Hollinger broke away after this but were unable to score and at half time, the score stood 1-1.

The second half was hard work all through with the Hollinger doing most of the pressing, and in a few minutes Satrang broke the tie with a good shot. They kept on pressing and the Lancs were crowding their own goal which made it hard on their own backs and goalkeeper in controlling their position. Although William pulled off some very smart saves he was finally beaten again by Dunbar who ran in and shot the leather in.

The Lancs did not give up any hopes and did a little passing and came near scoring when Parkyn saved a beautiful shot which was heading for the low corner of the net. The corner was fruitless. Hetherington clearing to his forwards who came down and forced a corner. From this Petterson headed in Robert's flag kick.

There was a merry game of football now; the Lancs were trying hard to decrease the Hollingers lead by adding to their own score, but Roberts, Jr. and Hetherington were playing a fine game and did not give them much chance.

Near the end the Hollinger came down again and after some tussle in the Lancs' penalty area Satrang sent in a shot. In its flight it struck Phizacklea on the arm as it was going into the net, and Linesman Larmar called for a penalty after the referee had awarded a goal, but it didn't matter as Satrang scored.

It was a hard-fought match and the spectators were very pleased at the way in which both teams worked. There was some friendly arguments as to the close shave the Hollinger had in the ball going on the goal-line; some said it was in the goal and others said not, nevertheless it didn't count, for neither the linesmen nor referee were in the proper position to see it.

The teams:—Hollinger; Parkyn, goal; Roberts, Jr. and Hetherington, backs; Hamilton, Collins and Drew, half backs; Roberts, Sr., Satrang, Petterson, Spanton and Dunbar, forwards.

Lancashire; Winder, goal; Phizacklea and Wilkinson, backs; Hooper, Blackhouse and Jenkins, half backs; Rigby, J. Jones, Kitchen, Higginson and G. Jones, forwards.
J. Moore, referee.

HARD TIMES AND WARM TIMES DANCES COMING

Next Monday evening the Ramblers Club are holding a Hard Times Dance. The following week, on Monday, June 21st the Club are going to hold a special guest night. The dance is to be a Midsummer Night Dance. This is sure to be an interesting and pleasing event. Appropriate decorations for the dance will be used that evening. "Seotty" Wilson says he does not know if midsummer costumes will be in order, as he does not know what would characterize an appropriate costume, unless everybody wore bathing suits.

For the Hard Times dance next Monday members are requested to wear hard times apparel, otherwise they will not be admitted to the Hollinger Recreation Hall.

TIMMINS IN FIRST SIX OF SALVATION ARMY "BOOMERS"

In the "Boomers" page of The War Cry last Saturday, interesting reference was made to the increasing sale of The War Cry in Timmins. Timmins now is among the first six branches of the Salvation Army in point of sales for The War Cry. Riverdale is leading in the race of the "Boomers." Here is what "Tommy Bright," the circulation man of The War Cry has to say in this connection:—

"Aim for the moon and hit the bull's eye.

"Like Timmins, for instance, Timmins is not one of the easy-chair-and-cushion places. It is way up North where Summer usually falls on a Wednesday, and where hard-knuckles and homespun are the order of the day. It's no easy job to be a Boomer in Timmins because there are no hot-water pipes along the sidewalks there.

"Timmins has, since I commenced driving the Circulation Car at the beginning of the year, made several increases. They have been consistent in their increasing—no flash-in-the-pan business. None of the up-and-down-twenty sorter increase. They have crept steadily upward. And now—wait for it; wait for it, can't you?—they have sprung another 85 increase.

"That means that they tie with Windsor and are in the First Six 'Go-getters.' But don't run away with the idea that they're after Windsor's blood. Nothing of the kind—they're after Riverdale's!

They're a bonnie lot at that northern town, and they're just going to show Moncton and Hamilton and Ottawa what they can do up North. I'd very much like the Corps Officer to write me a long letter telling me the inside history of the Timmins Triumph. Who are these wonder working Boomers? How do they do it? Come on, Adjutant—tell the world."
