TEMISKAMING FIREMEN'S TOURNAMENT AT COCHRANE

Big Day of Sports, Games, Etc., Promised for Big Event at Cochrane on July 1st.

Cochrane is out to break the record for success for the annual tournament of the Temiskaming Firemen to be held this year at Cochrane on Thursday of next week, July 1st.

A programme of unusual excellence has been prepared for the occasion. The usual Firemen's races and other events will be featured, and in addition there will be sports of various kinds, including field and track events, baseball and football, etc. Palmer's United Attractions will be another feature for the day, with Ferris wheel, roundabouts, midway, lots of music, etc., etc. There will be a dance in the evening. South Porcupine and Schumacher fire brigades are expected to be among the leading teams in attendance and there will be many going up to Cochrane for the big event. The big day at Timmins under auspices of the Junior Hockey Club will, of course, keep some here from attending, but there are always many here unable in any case to leave town for over a day. The fact that the road from Porcupine Junction to Cochrane is now open will likely attract many motorists from this part of the district.

INDIAN TREATY MONEY CARRIED BY AIRPLANE

Romantic Annual Event to be Held in the Red Lake District on July 1st.

A man who has just returned from Red Lake told The Advance this week of an interesting ceremony that will take place on July 1st at Pine Ridge in the Red Lake area. Under treaty with the Indians, the Government each year pays each \$5.00 in cash as well as providing free food and shelter for three or four days. The Indians make the occasion a big event, with games, dances and other pleasures. It is the big day of the year for them. Some of the Indians have to travel as much as 200 miles to attend the event, and they bring their families with them. Before the gentleman referred to had left Red Lake some of the Indians had started to gather for the Treaty Money event.

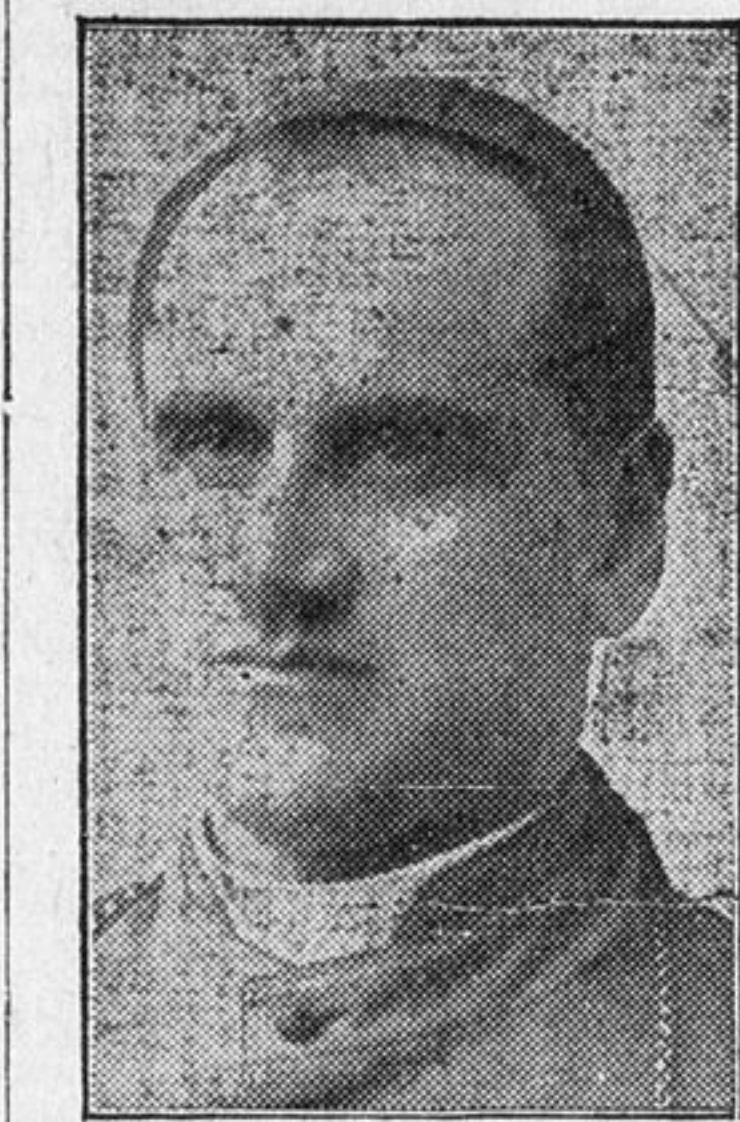

In previous years the Treaty Money was taken in by the ordinary trail and canoe routes, but this year it will travel by airship, this being much quicker and convenient for the Government officials concerned.

Those who have attended one of these events agree that it is a remarkably interesting feature and one not likely to be forgotten. Hundreds of Indians gather with their families and equipment and a regular celebration, including sports, tests and games, is held, extending over several days, free food and accommodation being given the Indians in the meantime. After the Treaty Money is paid over the Indians return to their homes and usually are not seen again until the next Treaty time.

Wonderful Music and Record Crowd at Musicians' Ball

Event Last Night for Benefit of Victorian Order of Nurses Acclaimed as the Greatest Feature of Its Kind Ever Held in This Part of the North Land. Successful and Pleasing in Every Way.

The Musicians' Grand Ball, held last night in the McIntyre Recreation Hall, Schumacher, for the benefit of the Victorian Order of Nurses, may be set down as the greatest event of its kind ever held in this part of the North Land. It was noteworthy for its success from every viewpoint. The attendance broke all previous records, the crowd being estimated at between 600 and 700. At any rate it was the largest attendance ever at a dance event in this district. From a financial standpoint the event was equally successful. And as for a good time, all attending are agreed that it was a delightful evening.

In this event, the Musicians of the district did the highest credit to themselves in every way. Not only did they contribute their services for the evening, but they gave the finest attention to the arrangements and carried them through with the greatest success. The hall was decorated in the most attractive and artistic way, flags, flowers, evergreens, etc., being used in very effective way. Mr. Gus Ribout planned the decorative effects and he and his capable assistants certainly achieved a very fine effect. The luncheon served was another special feature, carried through by a very capable committee of ladies of which committee Mrs. L. E. Dorway was the convener. The Musicians are grateful to these ladies for their very effective part in the success of the evening, and also express thanks to Mr. J. T. Heffernan, Marshall-Ecclestone Ltd. and the McIntyre Mine for equipment kindly loaned for the occasion.

The big feature of the evening, of course, was the music. "Wonderful" was one of the common comments. The orchestra of twenty

NEW MILL AT ANKERITE MINE OPENED LAST WEEK

Pleasant Banquet Held on Saturday Evening to Observe Important Event

The Ankerite Mine has entered the list of the camp's producers, the fine new mill now being in operation. The opening of the operation of the mill was duly celebrated on Saturday evening by a banquet attended by shareholders of the Porcupine Goldfields Finance and Development Company, of which the Ankerite is a subsidiary, and mining men of the camp. The evening was a pleasant and successful one and the new mill started off with the best of good wishes.

Test runs at the Ankerite mill were made last week and everything was running smoothly. The mill has a capacity of 175 tons per day, and lends itself easily to further extension and additions. It is of the same type of construction as the McIntyre and Vipond mills and other mills in the camp. The mine has enough ore in sight at present to keep the mill operating steadily for three years, it is said, and the prospects before the Ankerite are of the very brightest.

DECORATE FOR THE BIG SPORTING EVENT, JULY 7

The visit of the English F.A. team to Timmins is the biggest sporting event ever reaching the North Land to date. The occasion, accordingly, should be noted, and so the business men generally are asked to decorate their places for the big day, July 7th. Coming on Wednesday afternoon, the match between Timmins and the touring English team, will be a regular holiday event, and it would be fine if the town would put on its holiday appearance, flags and decorations, etc., for the occasion.

The business men have always given great support to the football boys and no doubt will follow out the suggestion of decorations and so make the day a real big day.

Tickets for the big football match are selling well. Have you secured yours yet? If not, "do it now" is a good motto.

The third of the weekly open air band concerts will be given by the Timmins Citizens' Band this (Thursday) evening at eight o'clock, weather permitting. The band programme for this (Thursday) evening will include:—March, "Washington Greys." Selection, "The Talisman." The two very popular waltz numbers, "Some Time" and "Always." There has been a special request for the latter number. Selection, "Melodious Gems." Overture, "Festival King."
