## Dairying and Seed Wheat In Temiskaming District

**Mr. Stephenson, of The New Liskeard Speaker Tells Fort William People of the Progress and Prospects of the Clay Belt in Dairying and Seed Wheat. Facts and Figures Quoted to Make the Case Clear.**

Mr. E. F. Stephenson, of the New Liskeard Speaker, never misses an opportunity in his newspaper to keep Temiskaming district well to the front, and even when away from the district and from the newspaper the habit seems to hold. Mr. Stephenson and his wife are at present visiting their daughter in Fort William, and Mr. Stephenson has been talking Temiskaming to the people of Fort William and district. Recently he addressed the Rotary Club on the progress and possibilities of this part of the North, and he followed up what was considered an unusually in-

teresting and informative address, with the following letter in The Daily Times-Journal, of Fort William:—  
"Sir—At the Rotary club's banquet at Murillo, I stated that the proprietors of the New Liskeard creamery paid Temiskaming farmers \$113,000 for cream and milk in 1925. Since then I have obtained fuller information, and find that I was a few thousand dollars under the mark. Here are the correct figures: Amount paid to farmers in 1925 for cream for making ice cream, \$22,000; for cream for making butter, \$76,185.22; for milk which is pasteurized and ship-

ped to Messrs. Eplett's Timmins branch, \$19,200. Total \$117,385.22. Some farmers received an average of \$200 each month of the year. I have reason to believe that Messrs Eplett will do a larger business with farmers this year.

"All the butter, milk and cream was sold in the district except one car of butter which was shipped to Montreal and graded "Government No. 1."

"As England pays annually (I have been told) \$600,000,000 for butter and cheese, only a fraction of which money comes to Canada, I am at a loss to know why this country does not do a larger dairying business.

"In the Temiskaming clay belt, the farmers grow registered Marquis wheat and registered barley. In the early spring W. G. Nixon, B.S.A., the department of agriculture representative in New Liskeard shipped to the Alberta Seed Growers' association a car containing 1,700 bushels of registered barley, receiving therefor \$1.25 per bushel. The Temiskaming farmers received the same price for their barley from the Canada Malting company of Montreal.

"Thunder Bay farmers might also be interested in another New Liskeard industry, i.e., a pea-canning plant. Last season was the proprietor's first season. He has assured me that he is very much pleased with the business done. His plant is a large one, and his machinery all new and up-to-date.

"I was handed "Ogilvie's Book for a Cook," and read "A good thing is worth passing on," hence my reason for handing the foregoing to the press; but not knowing much about farming conditions here, I make no recommendations.

"There are five creameries in the Temiskaming clay belt.  
Your truly—E. F. STEPHENSON,  
Fort William, June 15, 1926."

### A NEW & BETTER FURNACE At a Sensational Price

Gilson's of Guelph now offer you a perfect furnace—pipeless or pipe style—at a sensational price. The first revolutionary improvement in home heating in half a century—low priced, efficient, quickly installed in any home, school or church.

**Costs Less to Buy—Less to Use**  
The new Gilson "Magic" is built of Tungsten Plate. Transmits heat THREE TIMES faster. Patented air-blast burns all the gas and smoke. New type cone-shaped grate gets more heat units out of fuel. Electric arc welding seals the furnace tight as an egg against leaks of gas, dust or smoke.

**Burns Hard or Soft Coal, Coke or Wood**  
You are not dependent upon hard coal alone as you get excellent results from any kind of fuel—soft coal, coke, oil or gas. You enjoy an extra saving by using low cost fuels.

**Write for Easy Payment Plan**  
A moderate payment down installs the new Gilson "Magic." Learn all the features of this new sensationally-priced heating system. We will welcome your inquiry. Catalogue, sketch plan forms, estimates and full information, gladly supplied without obligating you in any way. Act at once—this is the time to make plans for heating your home properly.

**BIRTHDAY CARDS WERE SEVEN OVER THE NUMBER**  
The Northern News, of Cobalt, last week says—  
"Mr. and Mrs. R. H. Holmes returned from Timmins on Tuesday evening, where they had been spending the week-end with their daughters, Mrs. Laidlaw and Mrs. Kembley. Saturday was Mrs. Holmes' birthday and some of her friends in Cobalt planned a pleasant surprise for her by sending her a birthday card for each year. They did it with seven to spare as she received 77 cards."

Last week fire in a shed nearby spread to the S.A. hall at North Bay and did considerable damage to the building.

### YOUNG MAN HAD HIS HEAD BADLY CUT BY STONE

Sunday morning at an early hour some men who were apparently out on a time together lost their harmony, unity and co-operation and fell into a quarrelsome state of mind. Hard words were followed by blows, and one young man in the party had his head split open by a stone thrown at him. After wandering around town for a while, he began to feel faint and entered the first house he noticed where there was a light and people around. In the meantime the police had been notified and finding the young man took him to a doctor for attention. It required several stitches to close the wound, but being strong and sturdy, the young person will suffer no permanent inconvenience from the injury. It is understood that all concerned were Finlanders, and that they consider the matter a friendly little affair strictly among themselves, and consequently there will be no prosecutions in connection with the incident or accident.

### WEDDING OF MISS JANE CALDBICK AT HAILEYBURY

Dr. and Mrs. Clifford Taylor and Messrs S. A. and Joe Caldbick were in Haileybury last week attending the wedding of their sister, Miss Jane Caldbick. The Haileyburian last week had the following account of the wedding event—

"The wedding of Jane Catherine daughter of Mr. and Mrs. George Caldbick, to Mr. Albert Ernest Cain, son of Mr. Robert Cain and the late Mrs. Cain, of North Cobalt, was solemnized at St. Paul's Church on Wednesday afternoon, the ceremony being performed by Rev. Canon Hineks. The bride was given in marriage by her father and looked very charming in her wedding gown of plaited georgette in peach color with flounce and sleeves of blonde lace, large blonde hat and shoes and stockings to match. She carried a beautiful bouquet of pink roses and lilies of the valley. The bridesmaid, Miss Helen Caldbick, the bride's sister, wore a mauve georgette frock, a mauve hat with flowers in pastel shades and her bouquet was of pink sweet peas and carnations. Mrs. Atkinson played the wedding marches and also played very softly all through the service. Mr. Emmett Smith was best man and the ushers were the bride's brothers, Messrs Sam and Joe Caldbick, Mr. Dan Millar and Mr. Terry Smith.

"A reception was held at the home of the bride's parents, for the relatives and a few immediate friends, when Mr. and Mrs. Caldbick were assisted in receiving by Mr. Cain and Mrs. Botterell, father and sister of the groom. Mrs. Caldbick wore a gown of pearl grey chiffon beaded with cut steel, a hat of grey and blue, and a corsage bouquet of mauve sweet peas and sunset roses. Mrs. Botterell was wearing a frock of green georgette with hat in the same shade and corsage of sweet-heart roses. Mrs. Clifford Taylor, sister of the bride, wore a flowered mauve georgette gown with mauve hat.

Among the out-of-town guests were Mrs. Arthur Botterell and her two sons, of Detroit, Mich., Dr. and Mrs. Clifford Taylor and Mr. S. A. Caldbick and Mr. Joe Caldbick, of Timmins, Miss Margaret Mackay, of Cochrane and Mr. and Mrs. Andrew Grierson of Kirkland Lake.  
"The bride and groom left on the National and from North Bay they
