JUNIOR HOCKEY CLUB'S SPORTS DAY A SUCCESS

Interesting Games of Softball, Baseball and Football. Club Will Clear over \$100.00.

Although the attendance was not so large as it might and should have been, the Sports Day put on by the Junior Hockey Club on Dominion Day proved a successful event after all. Over \$100.00 will be netted after all expenses are paid, and this looks pretty good in view of the fact that for a time it looked as if the event might not be a success financially.

The sports for the day proved interesting. There was very good baseball, football and softball. Indeed, the baseball between the Hollinger Recreation and the McIntyre is generally reckoned as about as good as anything seen on the Timmins grounds this year. Both teams put up nice ball indeed.

The day's sports opened at 10 in the morning with a softball game between the K. of C. and the Juniors. It was a lively match and concluded with the Juniors holding the best end of the 10-6 score. This was followed by a whirlwind game of softball between teams representing Timmins and South Porcupine and the Dome. The girls went at the game with vim the Timmins girls eventually winning by the score of 19 to 6.

At 1.30 in the afternoon there was a junior football match, between junior teams of Schumacher and Timmins. This was a game of particular merit. The final score was 2 to 1 for Timmins. For the Timmins lads Ray Richards at centre forward was a star and did noteworthy work. For the Schumacher team Duxfield, centre forward, also showed notable ability. These two junior teams indicated much promise for football in the district.

There was a noteworthy addition to the crowd for the senior baseball at

3 p.m., and the game was worthy of a much bigger crowd at that. Many who saw this match said it was the best baseball they had seen this year. It was a nice game of good ball between two Mines League teams—the McIntyre and the Hollinger Recreation. The final score was 3 to 1 in favour of the McIntyre. The game was full of interest throughout and there were many fine plays made. Bill Pierce and Bob Carmichael handled the game as umpires.

At 6 p.m. there was a football match between the Town A and a picked team, the final score being a draw 1-1. The score indicates the closeness of the play. Mr. P. Larmer refereed the game. It was good football and pleased the crowd. The crowd at this match was the largest at any of the day's features at the athletic grounds and all thought they had their money's worth.

English Team Give Wonderful Exhibition of Fine Football

Best Match Ever Seen in This North Won With Score of Five to Nothing. Timmins Team Could Not Score, but Visitors Did. Big Event Witnessed by Crowd of Over 2,000. Only Small Proportion from Outside Points.

The touring English F.A. team won their sixteenth straight victory yesterday on their Canadian tour by defeating the Timmins Football Team with the score of 5 to 0. The local team was outclassed, but they gave the visitors a run for their money. Everybody was satisfied with the brand of football played. Many in the big crowd of 2200 had not seen such football for years, while to others it was something altogether new—a revelation. As one of the speakers at the banquet in the evening suggested, that sort of football explained the enthusiasm exhibited in the Old Lands for this great game.

While there were over 2200 at the match, only a small proportion of the attendance was from outside, though North Bay, Cobalt, Haileybury, Liskeard, Matheson, Iroquois Falls, Cochrane and other points in the district were duly represented. The crowd was one of the most orderly and good-humoured ever gathered, not a single minor incident marring the day.

All the stores closed at 5.30 for the big game, even the drug stores shutting their doors. The Timmins Citizens' Band marched from the station to the grounds, and at the grounds played several selections while the crowd was waiting. As the teams came on the grounds, the band played "Rule Britannia," and "O, Canada," and, just as the ball was kicked off, "God Save the King."

At half time again the band favoured with appropriate selections, the excellent music being much appreciated. Before the kick-off a picture was taken on the grounds of the two teams and officials. Cards showing the numbers of the players and other particulars were distributed on the grounds to assist the spectators in knowing who was who in the game. The Advance issued these cards for free distribution, the latter being attended to by the Football Club.

The kick-off was sharp on time, the ball being formally kicked by His Worship, the Mayor of Timmins, E. G. Dickson.

The big match is over and a finer exhibition of football was never witnessed in the north country. The English team worked like clock-work. The case was a place for every man and every man in his place. Combination and footwork made a grand display and just showed how football should be played, and speed Magee has got it and showed it too when he got the ball.

The English F.A. team—Gale, goal; Barkus and Keeping, backs; Foxhall, Waugh and Harkus, half backs; Magee, Jack, Rawlings, Wainwright and Tunstall, forwards.

The Timmins team—J. Elrick, goal; S. Hetherington and J. Liddle, backs; G. Cooper, F. W. B. Cadman and Alex Cadman, half backs; Neil Dougall, C. Satrang, M. Petersen, Ned Dougall and E. Street, forwards. O. Robertson, referee, J. Patterson, Iroquois Falls, linesman.

The English won the toss and Timmins kicked off facing the sun. Petersen and Satrang combined and passed to E. Dougall who nearly scored. Magee got the ball and went tearing down the field with great speed, but his pass was nicely intercepted and the leather came back again. N. Dougall worked his way right in, on E. Dougall's pass with only Gale to beat but failed to find the net. Foxhall did some very tricky work before he let the ball go, and the pass was intercepted by Street who set his forwards moving towards the opponents' goal. N. Dougall forced a cor-

ner, the flag kick being cleared by Harkus. A Cadman came down the left, and Barkus had a worrying time before he cleared. Timmins up to now seemed to have the best of the play but were working hard to what the English team were, for as soon as one of the English team got the ball they passed it over, and every pass showed best judgment.

The English now took up the offensive and there was some neat combination, back-heeling and heading and they got near the goalmouth three abreast, but Rawlings shot wide. Right after he headed one over the bar. Elrick was having a trying time and had two good shots to save which he cleared nicely. Rawlings was playing well in centre and Elrick saved a nice header from him. The pressure was relieved when Jack shot wide. Timmins came down again on the right. Dougall passed to Satrang and the latter back again. Gale ran out to check N. Dougall and the ball came over to Satrang, who drove it over the bar of an empty goal. At the other end Tunstall took a free kick near the Timmins goal and sent in a beautiful shot which Cooper kicked clear. Rawlings got a pass and headed it; Elrick saved, Rawlings headed again and scored.

The English team were pressing hard and Magee got close in but Elrick saved his shot. Street in intercepting a pass met with an accident and had to retire to get his head patched up. Rawlings had a fine chance to score off Magee's pass in an open goal but his shot went wide. Timmins pressed again, and after some centre play N. Dougall had a good chance but shot wide. Street came on again. Cooper saved the situation when Wainwright got dangerous, but Tunstall got the ball and passed it to Wainwright again who centered nicely and Rawlings scored. Timmins got through again only to have Keeping rob them before they could shoot. Elrick had two more to clear before the close of the half, from Jack. Before the Alex Petersen forced a corner and Alex Cadman gave Gale a fine shot to clear. The first half was 2-0.

The second half started with the English team on the offensive and Magee still kept up his express gait and got right down and centered, only to have Elrick clear. There was some close play in the Timmins quarters. Liddle went to clear and was pushed off the ball by Rawlings, and Jack scored. Timmins pressed and Satrang got close in on F. Cadman's pass. Gale came out and checked nicely and cleared. The English forwards came down again and Jack got the fourth from Tunstall's pass. Jack came right back and had only Elrick to beat but his shot hit the upright. Rawlings got another pass but missed but Jack made up for it by scoring the fifth on an easy shot. At the other end Satrang forced a corner off Gale, and cleared the flag kick which E. Dougall intercepted and shot for the goal. Timmins kept up the pressure and again Satrang nearly scored. The English team came down again and Rawlings headed Wainwright's pass over N. Dougall got through and gave Gale one to clear. At the closing stages Street sent over another pass to N. Dougall which Keeping cleared. And the match ended 5-0.

It was fine to see how the English team played the positions and how they passed the ball. No matter how they stood they could turn the ball as though they had a magnet on it. It was a great game.

HIGHWAY FROM TEMAGAMI TO COBALT SOON READY

The highway from Temagami to Cobalt will all be completed in the course of the next five or six weeks. Work is also in progress on the route below Temagami and this part of the road will be finished about this time of year in 1927.

PLEASANT SOCIAL TIME AT DALTON'S PARK TUESDAY.

About twenty-five or thirty of the members of the El Shadi B. C. and their friends enjoyed a very happy social evening at Dalton's Park on Tuesday evening of this week. First, there was a lively softball match, keenly contested, between two picked teams, and then there was a happy time in the pavilion, where songs were rendered and instrumental music enjoyed, some of the members having brought along their violins and banjos. Last, and to many, best of all was the grand old-time marsh-mallow roast with which the event concluded. Everybody had a good time.

GUARANTEE EXCEEDED IN ENGLISH F. A. TEAM.

All will be interested to know that the receipts in the match here between the English F. A. team and Timmins exceeded the guarantee by over \$20.00. To clear over \$1,500.00 in net receipts is a fine record for a single game in a town like this but, due to the good work of President Field and the officers, executive and assistants, this fine record was made.

FLAGS AND DECORATIONS FOR VISIT OF ENGLISH TEAM

For the visit of the English F. A. team this week the town presented a very attractive appearance. Business places, public buildings and private grounds were appropriately decorated with flags and bunting. The rows of British flags lining the town's business section was a specially pleasing feature of the gala dress of Timmins for what is generally recognized as the biggest sporting event ever held in the North Land.

Directors Elected for Ensuing Term. President and Other Officers to be Selected.

The postponed annual meeting of the Timmins Curling Club was held in the Curling Rink last Friday evening at 7.30 p.m. with the president, Mr. R. F. Francis in the chair. The meeting was a short one, lasting only about twenty minutes. The only business being taken up was the election of the directors for the coming season, and a vote of thanks extended the retiring directors and officers of the Club.

The directors for 1926-1927 are Messrs J. Knox, I. Solomon, W. Rinn, H. J. Marshall and A. W. Lang. The president for the coming season will be selected from among these five.

There was a good attendance of members and proxies out for the annual meeting.

Banquet at Empire Hotel to Visiting English F.A. Team

Enjoyable Evening Spent by Teams and Citizens. Event Directed in Excellent Way by Kiwanis Club. Interesting and Pleasing Programme of Music and Addresses. Visitors Express Their Appreciation.

Last night after the big game a banquet was tendered by the people of Timmins to the touring English F. A. team, the arrangements for the event being skilfully looked after by the Timmins Kiwanis Club. There were about 150 present at the event and the evening proved a delightful one. The menu was an attractive one and served with the usual efficiency of the Empire Hotel. Mr. Robt. Dye, President of the Kiwanis Club, occupied the chair and conducted the programme in very able manner. In addition to the two teams, the Kiwanis Club, the football enthusiasts and the public generally were well represented.

Before seats were taken the "Salute to the Flag" was given, followed by "God Save the King." Grace was sung and then the excellent repast enjoyed. Community singing was a feature of the evening, many popular choruses being enthusiastically rendered. In addition to the interesting addresses of the evening, there was a musical programme of much merit, all the numbers being warmly appreciated. There were songs by Mr. Jas. Morrison, accompanied by Mr. Joe Kelly, these clever numbers being well applauded; a solo by Mr. J. Liddell, given in fine voice and with effectiveness; and a very attractive duet by Messrs. E. R. Street and A. J. Snow, that was enthusiastically enjoyed.

In a brief but comprehensive opening address Mr. Dye welcomed the visitors, expressed the general appreciation of the visit and the fine sportsmanship shown. He then introduced Mayor Dickson who on behalf of the Council and the Town gave hearty welcome to the visiting team. He congratulated them on their success and extended best wishes for the rest of the Canadian tour. "Today," he said, "the best team won, and won by an exhibition of gifted football that was a delight for all to watch." The Mayor also announced that on Thursday morning the visitors would be taken on a sight-seeing trip through the town.

Mr. Sam Davidson, Secretary of the Dominion Football Association congratulated the Timmins team on the good game played, and thanked the people for the pleasant hospitality shown. He said that much of the credit for the match being played in Timmins was due to Mr. W. A. Field, President of the Timmins Team, whose enthusiasm and ability had placed Timmins well on the front on the football map of Canada. He also

referred to the fact that it was the courageous and sportsmanlike battle put up by Mr. Field a couple of years ago against unfairness in the treatment of Timmins in the Cup Ties that had first attracted special attention to Timmins in the Football Association. Mr. Davidson made brief reference to a scurrilous letter received by the English team regarding the Timmins players and club. "It is to be hoped that you discover the writer, and put him where he belongs," he said.

President Field was called upon for a few words but modestly held back, suggesting Mr. Geo. Pond, one of the Vice-Presidents of the Timmins Football Club, as a substitute. Mr. Pond in a few brief words, expressed the general enthusiasm for the fine football played at the big match and the good wishes of all to the English F. A. team.

The outstanding speech of the evening was made by Mr. Kingscott, manager of the touring English team. He referred to the fine receptions given to the touring team all over Canada. "We shall always particularly remember Timmins," he said, being specially impressed with their visit to the Hollinger mine underground and the gold nuggets presented to the team. He congratulated Timmins on the attendance at the game here—an attendance greater than that at Edmonton, a city of 80,000, he pointed out. "Timmins played a very sporting game," he said. He congratulated the lads on the fine work they were doing. He knew they had an uphill battle and they were acquitting themselves like true sports under all the difficulties. From the play of the visiting team they would no doubt gain many valuable pointers and it would all redound to the good of the best game in the world, football. He made passing reference to the letter received. The English team, he said, had not extended themselves here; they were tired and weary, too, for home. They would carry home with them a great feeling for Canada and its possibilities.

In closing, Mr. Dye repeated the appreciation of the whole community for the visit and the fine play and hoped the visit would be repeated. He expressed sincere good wishes to the fine sportsmen on the team for their future success. During the evening each player on the Timmins team was presented with a medal from the Dominion Football Association to commemorate the event.
