**TIMMINS AGAIN WINNERS OF DICKSON TROPHY**

Saturday's Match With the Dome Cinches the Cup for the Local Team.

Timmins retained their hold on the Dickson Cup for another twelve months by defeating the strong Dome eleven last Saturday night 3-1.

The match started off very fast both goals were visited in turn. The Dome missed a fine opportunity in front of the net when they had only to just touch the ball to score, but Elrick was too fast for them. At the other end Parker pulled off a fine save when E. Dougall sent in a good shot from a pass. The Dome pressed again and forced a corner; this was fruitless. At the other end Timmins were awarded two corners; both were cleared. Fergy nearly scored with a nice shot that Parker just tipped over the bar for another corner; this flag kick was also cleared. Timmins came

down on their left, A. Cadman got a pass from E. Dougall and got away, and tried to score from an awkward angle, while three men stood waiting for a pass. The Dome got away on their right, and Rudkin did the very same thing as Alex., with three men waiting. The match was still fast and both teams were equal in the play, and the backs of both teams were playing a strong defensive game. Near the end of the first half Timmins put in some nice combination work in the Dome area when Cooper passed to Pettersen and then to E. Dougall, who headed towards the goal, but Parker saved. Half time arrived with no score.

The second half started off at a good clip, with Timmins on the offensive and would have had a goal in the first few minutes of play only for a misunderstanding between Alex. Cadman and E. Dougall, for both tried to shoot the leather into the net, and the ball was diverted outside of the post. Satrang went through and was getting into a good position to shoot when Fell came across and saved. The Dome now took up the offensive. With Bobbie Harrower coaching his men, they came down four abreast, and it looked a sure goal, but the ball was missed by the right wing man and the opportunity went west. They came down the same way again and Richmond got through and passed to Fidoek who shot the leather by Elrick. This spurred on the match again and in the next minute Alex. got in and opened up the score. From the kick-off Timmins went right down again; E. Dougall got the backs and scored. The play now slackened up a bit. The pace seemed to tell on the Dome more than Timmins, for they had to play more defensive than offensive to keep Timmins out. E. Dougall nearly repeated his play again, but Ewart robbed him in the nick of time. The Dome pressed on their right; Hetherington saved the situation by kicking the ball back to Elrick to clear. Timmins went down again; Pettersen and Satrang combining; the ball then going to Alex. who kicked wide. Satrang sent in a favourite of his; this went over the bar and sent two or three of the cheap spectators on the wood pile at the back of the fence to their knees to duck the ball. The

Dome tried hard to recover but could not get very far down the field, while Timmins seemed to have things their own way, but Ewart and Fell were playing a strong game and kept things clear. Timmins' next goal was a very simple one from G. Cooper who took a long drive and into the net it went to George's surprise. Near the end E. Dougall just missed.

The match on the whole was a good one; the first half was very fast, indeed, and the whole twenty-two players were playing like clockwork. The second started well but the pace could not be kept up.

The teams lined up as follows:—  
Timmins: Elrick, goal; Liddle and Hetherington, backs; G. Cooper, F. Cadman and Street, half backs; N. Dougall, Satrang, Pettersen, E. Dougall and A. Cadman, forwards.

Dome: Parker, goal; Fell and Ewart, backs; Ellar, R. Harrower and A. Harrower, half backs; Rudkin, Richmond, Fidoek, Murray and Bratby, forwards.

O. Robertson, referee.

**FINED \$300.00 OR THREE MONTHS FOR HIGHGRADING**

At Cochrane on Saturday last, Judge Caron imposed a fine of \$300 and costs on Duncan MacMaster who pleaded guilty to a charge of highgrading. In case the fine is not paid, MacMaster is to serve three months, the term to commence from the date of his arrest, May 3rd. It is understood that he will take the term, not having the \$300.00 to pay over.

MacMaster was arrested at 4 a.m. on May 3rd, at the Night Hawk Peninsular Mines where he was working. He was found in the blacksmith shop in the act of melting down gold. A search of his room brought to light gold buttons that he had made, the total value of the gold found in his possession being said to be over \$200.

MacMaster was defended by Mr. A. C. Brown, who made a very earnest plea to the Judge for leniency, stressing the fact that the accused had a wife and four children, that he had given honourable service overseas, and that he had never been in any trouble of the kind before. The Judge commented that this appeared to be a real case of highgrading and not the simple possessing of some small pieces of ore, and he would have to deal with the accused accordingly. He imposed a fine of \$300.00 and costs, or three months imprisonment, the term to date from the time of arrest. Crown Attorney Greer appeared for the prosecution.

In thousands of years, no use for knock-knees had been discovered; then the Charleston was invented.—Toronto (Ohio) Tribune.

**MR. ERROL NEIL WEDDED AT COBALT RECENTLY**

Mr. Errol Neil, for some time a very popular resident of Timmins, where he was prominent in sport and other circles, and where he has hosts of friends, was recently married at Cobalt. His innumerable friends here will be interested in the following report of the wedding from The Northern News of Cobalt:—

"On Wednesday afternoon at three o'clock Cobalt United Church was the scene of a very pretty June wedding, when Mary Jean, only daughter of Mr. and Mrs. Angus Munro, of Cobalt, became the bride of Mr. Errol Klock Neil, only son of Mrs. W. C. Neil and the late Mr. W. C. Neil of Mattawa. The ceremony was performed by the Rev. N. Rawson, pastor of the church.

"The church was prettily decorated with ferns, lilies and honeysuckle which formed a bank and arch for the bridal party. Immediately preceding the ceremony, the choir took their places and sang "The Voice that Breathed O'er Eden"; Mr. G. E. H. Booth presiding at the organ. To the strains of Lohengrin's Wedding March the Bridal Party proceeded up the aisle. Miss Marguerite Campbell as maid of honour and Miss Jennie Lowe as bridesmaid were gownned alike in frocks of pussywillow taffeta; the former in Brittany blue shot with silver, the latter in sunni yellow shot with silver. Both wore large Milan hats trimmed with velvet ribbon and rosebuds. They carried large bouquets of carnations and sweet peas.

"The bride, who was given in marriage by her father, looked very girlish and sweet in her wedding dress of white pussywillow taffeta, the bodice trimmed with seed pearls and pearl ornament the short full skirt caught at intervals with true lovers' knots of pearls and rhinestones. Her long tulle and lace veil was arranged in cap fashion with coronet of orange blossoms and she carried a shower bouquet of sweet heart roses and lily of the valley. The groom was supported by Mr. Bernard French as best man and Mr. Howard Hawley and Mr. Wilfred McRea acted as ushers. During the signing of the register Miss Evelyn Drew sang "For You Alone" and the choir rendered "O Perfect Love." The bridal party left the church to the strains of Mendelssohn's Wedding March.

"The bride's mother wore a gown of Alice blue taffeta shot with gold and hat of sand and rose. The groom's mothers wore a black georgette dress with black satin coat with black and white scarf. Immediately following the ceremony a reception was held at the home of the bride's parents, where the happy couple received the congratulations of many guests. After a buffet lunch, served by a few close friends of the bride, the happy couple left for Ottawa, Montreal and a trip down to Saguenay River. The bride travelled in rosewood crepe dress with cape coat trimmed with fur to match. Her large hat was blonde and rose to

match her blonde shoes and stockings.

"The groom's gift to the bride was a club bag, to the maid of honor and bridesmaid leather pouch bags, while the best man and ushers received pearl handled penknives. The many beautiful presents received testify to the popularity of the happy couple."

**P.A.T.A. VERY LIKELY TO BE SUBJECT OF INVESTIGATION**

In view of the address to the Kiwanis Club last week by Mr. Jos. Weston on the subject of the Proprietary Articles Trade Association, the following from The Globe will be of special interest. In his talk to the Kiwanis, Mr. Weston made special reference to Sir William Glynn-Jones. The Globe says:—

"There is no doubt that there will be an inquiry by the Registrar under the Trade Combinations Act into the working of the Proprietary Articles Trade Association," said Sir William Glynn-Jones, who organized the association in Canada, in conversation with The Globe yesterday. "We never shirked, but, on the contrary, we rather welcome the inquiry," he said.

According to Sir William, combines in Canada are legal, subject to the approval of the Registrar under the Trade Combinations Act, who may order an inquiry to determine if the combine has been formed with the intention of setting unreasonable prices or of acting in any way to the detriment of the public interests. Sir William pointed out that, since the manufacturers who were members of the association would be in competition with manufacturers of other brands of the same article, they would obviously set reasonable prices.

"So far as the public or any organization representing the public are concerned, there has been no exception taken to anything that we propose doing," said Sir William, pointing out that practically 100 per cent. of the wholesale druggists and more than 90 per cent. of the retailers are members of the association.

Regarding the list of prices and articles which is being published, Sir William said: "The list is in the process of preparation, and will be issued and operative, some time in August. The list includes articles controlled by 160 firms."

I love to watch the rooster crow,  
He's like so many men I know,  
Who brag and bluster, rant and shout  
And beat their manly chests without  
The first damn thing to brag about.
