**PLEASING PROGRAMME  
AT THE KIWANIS CLUB**

Members of "Chuckles" Company  
Provide Very Interesting  
Programme

The big feature at the Kiwanis  
Club luncheon on Monday of this week  
was the very attractive and enjoyable  
entertainment arranged for the event  
by Mr. P. M. Bardesson, manager of  
the Goldfields Theatre. "The Chuck-  
les of 1926" is showing at the Gold-  
fields Theatre this week, and "Pete"  
had several members of the company  
at the luncheon, and the programme  
they furnished was certainly appre-  
ciated by all. The meeting was held  
in the main dining hall of the Em-  
pire Hotel, which was nicely decora-  
ted for the occasion. There was a  
large attendance of members of the  
Club present, and all enjoyed the  
event from beginning to end. The  
programme furnished by the members  
of the "Chuckles" company was a  
noteworthy one. Miss Queenie Ric-  
hardson, who has a remarkably pleas-  
ing voice and personality, with special  
musical gifts, sang a solo that won  
much deserved appreciation. Miss  
Richardson and Miss Swartz, in a  
duet number, were equally popular,  
their voices blending harmoniously  
and both voices being of special merit.  
Mr. Masters played the piano accom-  
paniments for these numbers, and  
then gave a solo that was much en-  
joyed. Miss Montgomery's popular  
song was a very popular number, be-  
ing effectively given. The four little  
Charleston Steppers of the company  
then danced for the company, and  
roused much interest by their clever  
art. The varied programme was con-  
sidered by the Club to be one of the  
most interesting and pleasing to date,  
and there were many compliments for  
the Chuckles Company and for Mr.  
Bardesson who made all arrange-  
ments for the programme.

**SALVATION ARMY TO OPEN  
AT SCHUMACHER, JULY 10**

New Outpost Will be Under Charge  
of Adjutant Crowe, With Lieut.  
Spillett as Officer

In view of the large field apparent,  
and in response to requests from the  
Schumacher people, the Salvation  
Army is going to open an outpost in  
Schumacher. The outpost will be in  
charge of Adjutant Crowe, of the  
Timmins S.A. To assist with the  
additional work that will develop  
from the new outpost a second assis-  
tant has been added to the Army staff  
at Timmins. This is Lieut. R. Spil-  
lett who will be stationed at Schu-  
macher. The Schumacher branch of  
the Army will be carried on as an  
outpost for a year and then if the  
work is successful, as expected, a  
regular corps will be established.  
The formal opening of the Schu-  
macher Salvation Army will be on  
Sunday, July 10th, with additional  
special services on the following Wed-  
nesday.

**DISTRICT CHILDREN'S  
AID ELECTS OFFICERS.**

The Children's Aid Society of the  
District of Cochrane met in Timmins  
last week under its new constitution  
and elected the following officers:—  
President—C. V. Gallagher, South  
Porcupine.  
1st Vice-President—A. M. Dewar,  
Iroquois Falls.  
2nd Vice-President to be named by  
the Cochrane Society.  
Treasurer—Donald Sutherland,  
Timmins.  
Secretary—(pro. tem)—G. A. Mac-  
donald, Timmins.

A recommendation was sent to the  
Department at Toronto in regard to  
the appointment of a new inspector  
for this District. The appointment  
of this official rests with the Depart-  
ment, though much the larger part  
of the salary comes from the District  
Society. It is expected that the re-  
commendation of the District Society  
will be followed in this case, and that  
the Children's Aid work will be car-  
ried on here with renewed activity  
and success.

The Misses Violet and Cora Pe-  
core have left for Killaloe and other  
points east to spend their summer  
vacation. They also will take an ex-  
tended trip through Algonquin Park,  
accompanied by their cousins Mrs. W.  
Kitts and Katie Belle McDonald.

**SOME DANGER NOW OF FIRE  
IN THE RED LAKE AREA**

Prospectors coming down from the  
Red Lake area say that up to a few  
days ago there was so much rain fell  
that the chances of any forest fires  
were practically done away with. Now,  
however, the hot weather and the ab-  
sence of rain is causing a little ques-  
tioning about forest fires. With so  
many camps established in so many  
places over a very wide district there  
is more than the normal danger of fire.  
The forests are dry and there is con-  
siderable inflammable matter scat-  
tered all over the area that a little  
carelessness might cause to spring in-  
to a bad fire. Prospectors are gener-  
ally very careful of fire and through  
this watchfulness and regard for the  
safety of all concerned, it is hoped to  
continue to avoid any forest fires.  
The fire-rangers are busy and watch-  
ful and the service of planes has been  
added to the good work of the  
rangers.

**JULY 19th TO BE ANOTHER  
GUEST NIGHT AT RAMBLERS**

A very enjoyable evening was spent  
by the members of the Ramblers Club  
at the regular weekly dance held last  
Monday evening in the Hollinger Re-  
creation Hall. There was a good at-  
tendance of the members of the Club  
present. Music was provided by the  
Club Orchestra. A dainty and pleas-  
ing luncheon added to the enjoyment  
of the evening. Mrs. H. Thompson  
and Mr. F. E. Loney looking after this  
part of the evening's entertainment.  
The event scheduled for next Mon-  
day evening is a Sheik and Sheba  
Dance; a pleasant evening is assured.  
On Monday evening, July 19th, the  
Ramblers are holding a special guest  
night. Invitations will be issued in  
the course of a few days for this spe-  
cial, and the non-members of the Club  
who have been fortunate enough to  
receive invitations to previous guest  
nights of the Ramblers are assured of  
an even better time on Monday even-  
ing, July 19th, for the special July  
dance. The Hollinger Recreation  
Hall will be decorated specially for  
the occasion.
