

Pile Sufferers

You can only get quick, safe and lasting relief by removing the cause—congestion of blood in the lower bowel. Nothing but an internal remedy can do this—that's why cutting and salves fail. Dr. Leonhardt's Hem-Roid, a harmless tablet, is guaranteed to quickly and safely banish any form of Pile misery or money back. Moasley & Ball and druggists everywhere sell it with this guarantee.

LEG BADLY CUT IN FALL AT SCHUMACHER LAST WEEK

James Caldwell, the 14-year-old son of Mrs. J. Caldwell, of Schumacher, met with a very painful accident on Thursday evening last while playing near the theatre. He fell and cut his leg, the wound being a serious one. Mr. Clyde Miller noticed that the boy had a severe cut, and hurried him to Dr. Byers' office, where it was found necessary to insert seven stitches to close the wound. The lad is making good progress to recovery.

SECRETARY OF T.A.A.A. EXPLAINS RE CIRCUS

W. A. Field Points Out That Grounds Committee and Sparks Circus Ready and Willing to Do Business Together.

To the Editor of The Advance. Dear Sir:—In order to give the public the correct information and the stand taken by the T.A.A.A. I would ask for publicity to the following, in order to contradict the rumours going around town.

The Athletic Association are ready to let the grounds to the Sparks Circus on the same terms as last year and the Sparks Circus are ready to take the grounds on the same terms. The only thing that will keep Sparks Circus out of the town, or as far out as Dalton's race track, is the five hundred dollars license asked by the town for one day. This the advance agent of the Sparks Circus refused to pay. So the onus, if any at all, rests with the town fathers and not with the Athletic Association.

Thanking you on behalf of the Athletic Association I remain, Yours truly, W. A. Field, Secretary.
