## Cradle Roll Picnic of the United Church, Schumacher

Delightful Event at the Residence of Mr. and Mrs. Jas. Kent, of Thursday. Main Thoroughfare in Schumacher a Busy Place. Deaths Recorded with Deep Regret.

Schumacher, Ont., August 18th. Mrs. Joyner and son, Herbert, and the Rev. Ivar and Mrs. Kennedy were present as guests. One and all had a most enjoyable time, the kindness of the host and hostess and their assistants being much appreciated.

Mr. and Mrs. Frank Corris, 2nd. avenue, suffered a great bereavement in the loss of their child, Gordon Alfred, aged 8 months. The death took place on Saturday last after an illness of two weeks. Mr. and Mrs. Corris, who are well known and highly respected in the town, have our deep sympathy. Interment took place at Timmins on Sunday, the Rev. Ivar Kennedy conducting the service.

We regret to report the death of Mrs. Agda Elizabeth Nilson, 4th ave., who died on Wednesday last at the General Hospital, Toronto. The deceased, who had been suffering some time from internal trouble, went into the hospital two weeks ago for treatment. She is survived by her husband, Mr. Axel Nilson and four children, one of whom is with its grandparents on Sweden. The remains were brought to Timmins on Friday and taken to Walker's Undertaking Parlours. The funeral took place on Saturday, many friends sending floral tributes. Mr. Hall, of Timmins, conducted the burial service. Much sympathy is extended to the bereaved family, who came from Sudbury dis-

trict to reside in our town about three year ago.

Our main thoroughfare is at present a very busy place! Mr. Leo Mascioli, the well-known Timmins contractor, having a gang of workmen busy with the new concrete road, and when completed it should be one of the finest streets in the north. We certainly have made great strides this last year or so, as many new and substantial buildings have been erected; also our water system, which certainly has been a great boon to the town. The extension at the public school is also progressing and with other necessary improvements also being carried out, we can say that Schumacher is certainly becoming a progressive little town.

On Monday last a party of 15 boys connected with the Tuxis and Trail Rangers left town for Squaw Island. We feel sure that if the boys have good weather, full justice will be given to their week in camp.

Mr. and Mrs. Wm. Leck left town last week for a vacation at Creighton Mine and other points in the Sudbury district.

Mrs. Dorfman, of Toronto, formerly of Schumacher, is at present visiting Mr. and Mrs. Dan Keeley.

Mrs. W. J. Lampkin, of Gold Centre, arrived home last week from Scotland, where she has been visiting her relatives.

Mrs. W. C. Arnoff and son have left town for a vacation at Bracebridge.

Miss Rosina Mair left town by the noon train on Monday, her destination being the General Hospital, Brantford, where she is taking up a training course. At large number of her friends were at the station and gave her a hearty send-off. Mrs. Duncan accompanied her as far as Porquiss Junction. On Wednesday last at her home the Choral Society gave a farewell party where she was presented with an umbrella and the company present gave her a miscellaneous shower. On Sunday morning at the Sunday School the juveniles presented her with a small bible.

Miss Lucy Glazier is at present spending a holiday with friends at Porquiss Junction.

Last week whilst playing, Alan, the small son of Mr. and Mrs. Dan Keeley, had the misfortune to fall and break his arm. He at once received medical attention and we hope it will not be long before he recovers the use of it again.

## LANCASTRIANS DRAW ON TUESDAY WITH DOME

Another Good, Clean, Fast Match in the P.D.F.L. Series.

In a good, clean, fast game in the P.D.F.L. on Tuesday, the Lanes, played the Dome team to a draw, the score being 1-1.

The Lanes pressed from the start, and with some good swinging combination were soon trying out the Dome goalie, which ended with a Dome player handling the ball in the penalty area. Jackson took the kick and put a fine shot past Sharp. The Dome then had a turn but the Lanes defence stood up to the test and cleared well. Play went from end to end with both goals having narrow escapes, the first half ending with the Lanes, 1 up.

The Dome pressed from the commencement of the second half, the forwards playing good combination and getting very close up, but Winder was in form, and shot after shot was cleared. Richmond missed the chance of the game with an open net, but lifted the ball over the bar. Lanes made a break-away and were very dangerous, but Sharp managed to save Moore's fast shot. Dome came back again and in clearing, Winder came outside the goal area. The free kick was taken by Ewart, and proved fruitless. Dome still pressed hard and Richmond, Fidoek and Douglas each had a shot which Winder saved. On a rebound from Murray's shot, Douglas scored. The Lanes tried hard for another but could not pierce the Dome defence and the game ended a draw 1-1.

Lanes—Winder, goal; Jackson and Wilkinson, backs; McGarry, Moore, Phaecklea, half-backs; Trenouth, Foy, Brathy, Jones and Daniels, forwards.

Dome—Sharp, goal; Mitchell and Ewart, backs; Wallace, Harrower and Jago, half-backs; Rudkin, Douglas, Richmond, Murray and Fidoek, forwards.

Referee—A. Downie.

A versatile real estate salesman of West Texas had just finished describing the glorious opportunities of that part of the country to a prospect in the East. "All West Texas needs," he said, "to become the garden spot of the world is good people and water."

"Huh!" replied the prospect. "That's all Hell needs!"—Briscoe News.

## MR. B. E. MARTIN LEFT THIS WEEK FOR KAPUSKASING

Mr. B. E. Martin left on Sunday of this week for Kapuskasing, to take up his new duties as office manager for Spruce Falls Power & Paper Co. Mrs. Martin and family will remain in Timmins for a few months, joining Mr. Martin later at Kapuskasing.
