

J. Ray O'Neill and Joseph A. Bradette Duly Nominated

Official Nomination Proceedings at Cochrane on Monday. Mr. J. A. A. Duranceau the Official Agent for Mr. Bradette, and Mr. S. A. Caldbick for Mr. O'Neill.

The official nomination proceedings for the Dominion Election on September 14th were conducted at Cochrane on Monday, with Mr. Frank K. Ebbitt, of Iroquois Falls, Returning Officer for the riding of North Temiskaming, presiding. Only two nominations were received,—the names of the Conservative party choice and the choice of the Liberal party convention being formally put forward in official nomination. The nomination papers were in the regular form and duly signed and prepared, in each case the papers having more than the required number electors signing. Mr. O'Neill's nomination paper was especially well signed having representative names from several parts of

the riding. Most of those signing Mr. Bradette's nomination were residents of Cochrane town, though the name of a Timmins lady was included in the list.

The formal nominations were as follows, and these are the names as they will appear on the ballot:— Joseph Bradette, of the Town of Cochrane, merchant.

John Raymond O'Neill, of the town of Timmins, contractor.

Mr. Joseph Augustin Adrian Duranceau, barrister, of Cochrane, was named as Mr. Bradette's official agent.

Mr. O'Neill's official agent will be Mr. S. A. Caldbick, barrister, Timmins.

J. N. TREMBLAY, FAUQUIER, DROPS DEAD AT MEETING

Sad Event at Political Gathering Near Cochrane. Relative Killed by Train.

All who knew the late J. Nils Tremblay, of Fauquier, near Cochrane, were grieved and shocked to learn of his sudden death on Saturday last. He was one of the outstanding men in the Liberal party in the riding, but his popularity was not confined to that party, for all who knew him, irrespective of party or creed, held him in the highest esteem for his honesty, integrity, ability and attractive personality. He was on several occasions named as a candidate to contest this riding for the Federal and Ontario parliaments, but until the present election did not allow his name to go before the convention for a vote. This year, however, he and Mr. Bradette went to a vote, the latter winning the convention. During the past few days Mr. Tremblay had been out on election work for the party. According to information coming to town this week, Mr. Tremblay had addressed a meeting at Kitingan Station, and a few minutes after concluding his address he collapsed in his chair, death being practically instantaneous. Death was due to heart trouble. The body was first taken to his home at Fauquier, and later to La Toque, Quebec, for interment. While the body was at Fauquier a cousin of the deceased, Mr. Rene Tremblay, of Fauquier, set out to see the deceased. While crossing the bridge over the Groundhog River, Mr. Rene Tremblay was struck by a train and instantly killed. It is understood that he was slightly deaf and so did not hear or not the approaching National train.

The late J. Nils Tremblay was noted for his gift of eloquence, being a very able speaker in both French and English. He was a merchant at Fauquier and was highly regarded in business and other circles. A wife and four children survive, and to these and all other near relatives and friends the sincere sympathy of all is extended in their bereavement.

GOODYEAR CUP FINAL AT TIMMINS SATURDAY

The Goodyear Cup Final will be played at Timmins Athletic grounds between Timmins and Kirkland Lake on Saturday of this week, September 4th. Kick-off at 6 p.m. sharp. This will be a game worth seeing.

HIGH SCHOOL TO RE-OPEN ON TUESDAY, SEPT. 7th.

The Timmins High School will re-open on Tuesday, Sept. 7th,—the date set by law for the re-opening of high schools in Ontario. The public schools re-opened on Sept. 1st, but the law sets the first Tuesday in September as the date for the re-opening of high schools. As the Continuation Classes at South Porcupine are in connection with the public school, the high school at that centre started back to school on Sept. 1st.

There is only one change on the staff of the Timmins High School from last term, Miss Margaret Graham, of Toronto, taking the place of Miss Quinn as Commercial teacher, Miss Quinn having resigned. The work of the Timmins High School last school year was unusually pleasing and the good results attained reflect the highest credit on the pupils and staff alike. The following is the staff for the ensuing term:—Mr. J. W. Treleven, principal; Mr. S. E. Henry, assistant principal; Miss W. D. Rutherford, Miss R. R. Garbutt, Miss B. J. Gowan, Miss F. E. Kastner, Miss Margaret Graham.

TRAIN NO. 47 WAS OVER SIX HOURS LATE LAST NIGHT

It is not often that No. 47 is late, but it was good and late last night, being about six and a half hours behind time. The delay, however, was not due to any fault of the T.&N.O., the delay being occasioned by an accident on the line below North Bay. As a consequence the mail and papers from Toronto did not get into Timmins until midnight.

HON. VINCENT MASSEY TO SPEAK HERE ON FRIDAY

Hon. P. J. A. Cardin, Mr. Joseph Bradette and Others Also to Address Rally

A Liberal Rally is announced for Friday (tomorrow) night in the New Empire Theatre, the speakers to include Hon. P. J. A. Cardin, Hon. Vincent Massey, Mr. Joseph Bradette and others. The same speakers will address meetings at Schumacher and South Porcupine the same evening.

BIG INTEREST BEING SHOWN IN BOXERS' CUP.

Much interest is being aroused in football circles in regard to the Boxers' Cup games for the next week or two. To-day (Thursday) the Lanes and Holly Rees, meet in the first round and fans are more than assured of their money's worth. The Lanes will have a very strong team out and are going to work to avenge the defeat by the Rees, of two weeks ago. On the other hand the Rees, are out after another trophy to keep the Garrett Shield company and will also play up to standard. It looks like one of the games of the season. The kick-off is billed for 5.45 p.m. All football fans should be on hand to witness this game.

The Cornish who beat the Dome last week are hard at practise and intend also to try and win the trophy.

Rumours from the Schumacher camp are to the effect that the cup is already won as far as they are concerned and that they mean to go all out to win.

Town A. and Hollinger haven't very much to say, but they will be heard from, and with the cup games now well on the way, the next week or so should see some good games and the best team winning this beautiful trophy.

The public school re-opened on Wednesday this week, Mr. Aylesworth of St. Mary's, Ont., being the new principal of the Central School.

MOVIE IDOL DEAD

Rudolf Valentino, the screen star, who died in New York after an operation for appendicitis. Thirteen years ago he came from Italy and at first worked as a landscape gardener and at heavy work in an automobile factory.

Mr. N. ANSARA DIES AT ROCHESTER, MINNESOTA

Highly-Esteemed Merchant of Timmins Passes Away After Operation for Appendicitis

The sad news was received yesterday by Mr. Mark Ansara that Mr. Nicholas Ansara had died suddenly that morning at Rochester, Minnesota. The late Mr. Ansara, who for the past five years has conducted a general dry goods store at No. 30 Third avenue, was a well-known and highly-regarded business man of the town, with a wide circle of friends who will greatly regret his death. Previous to opening business here in the N. Ansara block, the late Mr. Ansara was for years one of the popular and successful business men of Cobalt. In addition to the bereaved widow, six children are left to mourn a sad and sudden loss. Mrs. Ansara at the time the telegram was received here telling of her husband's death, was on her way to Rochester to be with her husband as word had been received here that he was seriously ill. Mr. Ansara left on August 16th for Rochester, Minn., to take treatment with the Mayo Brothers at their hospital there. He had some years ago been operated on for appendicitis and recently was suffering from what appeared to be similar trouble. Accordingly he went to the noted surgeons in Rochester in the hopes of securing permanent relief from the occasional periods of pain he endured. When he left here he was apparently in excellent health, the only difficulty being the recurrence every few weeks of times when he suffered pains. He was operated on at Rochester and appeared to be making progress to recovery. Tuesday, however, word was received that he was seriously ill, and Wednesday afternoon a telegram announced his sudden death.

It is understood that the body will be brought to Timmins for interment, though details of the funeral have not been arranged.

TIMMINS WON FROM DOME IN GOODYEAR CUP SATURDAY

Timmins won from the Dome in the Goodyear Cup match at the Dome on Saturday. Timmins lads were in good form and put up a nice game. The Dome team was below its usual standard of play. The score was 4 to 1 in favour of Timmins, the latter team winning without extending themselves.

IROQUOIS FALLS LABOUR DAY TO BE BEST YET

Unusually Fine Programme for This Established North Land Event

For many years the Labour Day event at Iroquois Falls has been an outstanding feature in North Land sports days. There has always been a large attendance from all over the district and all have agreed that the day is worth it. Porcupine, and especially Timmins, always send a goodly number. On account of the good road from here to the Falls it is likely that the number from here at the Falls for Labour Day will likely be greater than usual. The same idea will apply in regard to Cochrane and Matheson people. The Falls expects a big crowd from all over the district and are prepared to handle the biggest sort of a crowd, and give them all a good time. Iroquois Falls people know just how to do this. The following is the programme as announced:—

- 9 a.m.—Children's events at the Athletic Grounds.
- 10.30 a.m.—Firemen's races
- 1.30 p.m.—Baseball game, Iroquois Falls vs. Silver Centre.
- 3.30 p.m.—Field and track events
- 100 yards open and 220 yards
- Tug-of-war, open to all depts.
- Single ladies' race.
- Married women's race.
- Running high jump, open
- President's race
- Running broad jump, open
- Sack race
- Quarter mile, open
- Ladies' egg and spoon race.
- Thread the needle race
- Three legged race
- Boot and shoe race
- Bandsmen's race
- Relay race, departmental
- Relay race, open
- Union relay race, open to all unions
- 9.06 p.m.—Annual Labour Day dance in the Town Hall

A special feature will be the automobile parade at 1 p.m., open to all Northern Ontario car owners, with prizes for the two best decorated cars.

Iroquois Falls brass band and the Schumacher Pipe Band will furnish music all day.

The train service is of the best, so none should miss this big North Land event.

A.S.D. CLUB RE-OPENS FOR THE SEASON'S ENJOYMENT

Last Night Was a Guest Night and a Pleasant Time. Next Week Special Member's Night.

Last night the A.S.D. Club resumed their weekly meetings after being closed for the months of June, July and August. The opening night was held in the Odd-fellows' Hall and there was a good crowd present for the event. Invitations had been issued for the opening, which was also a guest night.

The music for the dancing was provided by the A.S.D. Orchestra under the leadership of Mr. Ted Whaley, and the committee looking after the evening's programme was Miss Ruby Hawkins and Messrs F. Lehan, J. M. Belanger and J. Cran, and the enjoyable time had by all was the result of the endeavours of this committee.

The programme consisted of the usual foxtrots and waltzes, with a Paul Jones under the direction of Mr. Wm. Mackie as an extra. A special lucky number foxtrots was much appreciated, Miss Mabel Vitalli and Mr. R. Langdon holding the lucky number. Another special was a confetti foxtrots which was much enjoyed. A gentlemen's tag also brought numerous encores.

Refreshments were served during the evening, Mrs. N. Leaman looking after this part of the evening's programme.

The next meeting of the A.S.D. will be a special member's night, and will be held on Wednesday evening, Sept. 8th. The following week the club will hold a corn roast, a committee consisting of Misses Velma McCandide and Nellie Studor and Messrs F. Lehan and J. Jacobs is looking after the arrangements for this annual event.

GRAND PATRIARCH VISITS GRAND ENCAMPMENT HERE

Rev. M. Hibbert, Grand Patriarch of the Grand Encampment, I.O.O.F., was a visitor to the Porcupine Camp last week, paying official visit to the Encampment at South Porcupine and also making fraternal visits to Timmins. The distinguished visitor was one of the guests at the Rebekahs on Thursday last when the Grand President paid official visit to the Rebekahs here.

ENJOYABLE PICNIC AT DALTON'S PARK ON SUNDAY

The Finlanders of the town held a very enjoyable picnic at Dalton's Park on Sunday, races, athletics and sports being features of the day. There were a number of unusually good races, together with sports and athletics worth special mention. All attending the event found the day a very enjoyable one, the programme and the weather alike being the very best.

CORNISH AWARDED POINTS ALTHOUGH DEFEATED 3-0.

The last scheduled game of the P. D. F. L. was played on Tuesday evening, but owing to the Town A. being unable to field a team the points were awarded to the Cornish before the game. A scratch team was got together and an exhibition game, in which both teams played some good football, was witnessed.

The Cornish rested up quite a number of their regular line-up and in consequence the picked team had matters a little their own way and won by a score of 3-0.

A feature of the game was the last appearance of Geo. Cooper in the game here, he having left for London, Ont., yesterday, many of his friends giving him the glad hand after the game.

TIMMINS BASEBALL TEAM CHAMPIONS OF THE GROUP

Will Play Off Next Week With Silver Centre for Championship of North

By winning the baseball match at the Falls on Monday Timmins clinched the championship of this group, and next week will play off with Silver Centre for the championship of the North Land. South Porcupine defaulted the game to be played with Timmins, thus making the way still easier.

The game on Monday was one of the very best of the season. Hackett pitched a great game for Timmins and got great support from McIntyre. Hackett won the game by striking out nine men in three innings. The battery for the Falls was Pitcher and Fortier. The latter, however, broke his finger, and was re-placed by Gratton. Bartholomew and Smith were the umpires and won golden opinion as the best officials of the season. The score was 8 to 6 in favour of Timmins.

Minister of Mines Among the Speakers at Meeting Tonight

Hon. Chas. McCrea Will Make Important Announcements Regarding Future Developments of North at Rally This Evening in Goldfields Theatre. Other Prominent Speakers. Band in Attendance.

Hon. Chas. McCrea, Minister of Mines for Ontario, will be one of the speakers at the Conservative meeting to be held this (Thursday) evening, commencing at 8 p.m. in the Goldfields Theatre. The Timmins Citizens' Band will be in attendance. Hon. Mr. McCrea is expected to make several important announcements relative to the future development of North Temiskaming, through co-operation between the Provincial and Federal Governments. There will also be short addresses by Alderman Desjardins, of Ottawa, Mr. M. M. MacBride, M.P.P., of Brantford, and

Mr. J. Ray O'Neill, Conservative candidate for North Temiskaming.

It had been intended to hold the event in the Skating Rink so as to accommodate all the large crowd that will turn out to hear Hon. Mr. McCrea, but the uncertainty of weather conditions made it necessary to drop this plan, as it would not be practical if the evening happened to be cold. Accordingly, the place of meeting will be the Goldfields Theatre, where a large crowd may be accommodated with comfort irrespective of the weather. The meeting this evening will be one of the most interesting of the campaign. None should miss it.

CARD PARTY AND MUSICAL PROGRAMME, SEPT. 9TH

A Card Party and Musical programme, with bridge, five hundred and euchre, under the auspices of the Ladies of Charity, Timmins, will be held in St. Anthony's R. C. church parish hall on Thursday, Sept. 9th, at 8.15 p.m. Refreshments will be served, and the musical programme will be of special interest. All attending are sure of a pleasant evening. 35-36p

SECOND MUSICIANS' BALL EVENING OF LABOUR DAY

To be Held in the McIntyre Hall Under the Auspices of the Hockey Club.

The Musicians' Ball given some months ago was admittedly the biggest and best event of its kind ever held in the North Land. The hundreds who attended that event were agreed in suggesting another of the same kind as soon as possible. There is a second one—the Musicians' Ball, to be held in the McIntyre Hall, Schumacher, on Monday evening, Labour Day, Sept. 6th, for the benefit of the Hockey Club. It is to be held in the McIntyre Hall, because that hall affords the best accommodation for the largest crowd, and it is expected to be the event of the year. Everybody will want to have a happy time on Labour Day,—so everybody should go. Everybody will want to hear the wonderful music for the occasion,—so everybody should go. Everybody will want to help along hockey for the season,—so everybody should go. No one who likes good dancing, good music, good hockey or a good time should miss the event Monday evening.

THREE ALARMS OF FIRE DURING THE PAST WEEK.

At the early hour of 12.40 a.m. Saturday morning the fire brigade was called to R. Sinclair's building, Fourth avenue, next to The Advance office. The fire was in the basement, apparently started from the mason work under the boiler becoming overheated. The firemen soon put the fire out, but not before damage to the extent of about \$150.00 had been done. The loss was covered by insurance.

The firemen had a call Saturday afternoon but it was only a chimney blaze with no damage resulting.

Tuesday evening at 8.20 there was a call to Mr. John Watt's bakery, but again all danger was removed without any damage.

JOINS MEIGHEN MINISTRY

Hon. Andre Fauteux has been sworn in as Solicitor-General at Ottawa. He held this same portfolio in the Meighen Government in 1920.

WELSH FRIENDS HOLD FUNERAL SERVICE HERE

For the Late Wm. Thomas Killed Last Week in the Explosion Underground at the Dome

A special funeral service to show honour and regard for the late Wm. Thomas, who was killed in the explosion underground at the Dome on Thursday morning last, was held by the Welsh people of the town and district at Easton's Undertaking Parlours, Timmins, on Tuesday evening of this week. Between forty and fifty Welsh people were present for the service, and their sorrow showed that the dead man, though far from his native land, was still among friends and fellow-countrymen. Mr. Childs, of the Paymaster Mine, who was a local preacher in his native Wales, conducted the services, and very impressive and touching was the simple ceremony, with its sincerity and earnestness. Several Welsh hymn tunes were sung, and there were other features to the service that gave it the appropriate touch of Wales and Welsh folk. There were many beautiful floral tokens, and these tributes of esteem and affection were heaped upon the coffin. Among the flowers, were beautiful wreaths from the employees of the Dome, the Welsh ladies of Timmins, the Welsh young men of Timmins, the Welsh folk at the Dome, and from Mr. Lewis, who was the particular comrade of the late Mr. Thomas.

The remains were embalmed and shipped to Wales for interment. The body left here yesterday and will go by S.S. Montclair to the land overseas.

The late Wm. Thomas was a native of Wales, and at the time of death was 36 years of age. His widowed mother and one brother survive him, and to these in their sad bereavement will go the true sympathy not only of the Welsh people of this camp but of all others who knew the late Wm. Thomas. The deceased had only been at the Dome for some fifteen months, but he had wide circles of friends because of his high character and his friendly disposition.

MCINTYRE COMPLETES FIVE YEARS' WORK AT RED LAKE.

According to word from Pine Ridge, the McIntyre Porcupine Mines, Limited, has completed development operations on its Red Lake property, equivalent to five years' assessment work, and has filed the necessary papers with the recording office preparatory to making application for a patent, which is the equivalent of a deed in fee simple from the Crown. The Mining Act requires that assessment work be done each year during the first five years that a claim is held, amounting in all to 200 days for the five-year period. If any excess work is done in one year, it may be credited on the next. In the case of the McIntyre operations commenced last fall on the properties, and more than 200 days' work per claim has been done since that time. Mr. Stan. Wooley, who has been in charge at the properties, has left for an inspection trip into the Narrow Lake and Woman Lake fields.

There was a report started in town at the week-end to the effect that Mr. Joseph Bradette, Liberal candidate for this riding, had dropped dead while addressing a meeting near Cochrane. There was no truth in the story as far as Mr. Bradette was concerned, and the report no doubt received its start from confusion in connection with the reporting of the sad and sudden death of Mr. J. Nils Tremblay at a political meeting after he had given an address on behalf of Mr. Bradette.
