ALL INVITED

I'm the man your doctor has been handing bouquets to and I guess you know the reason. If you don't you can figure it out mighty quickly. It's because we sell only the purest of drugs and our expert chemist compounds a prescription that tallies with the doctor's direction from start to finish.

Timmins and District Notes

Mrs. E. Pascoe is spending a holiday in the South.

Mrs. W. Dalzell visited friends in Iroquois Falls last Friday.

Mr. Irvi Kari left on Sunday for Toronto where he will attend college.

Mr. T. G. McDonald was recently appointed Fire Chief at Matheson and Mr. Geo. Dodds, deputy.

Mrs. W. G. Smith and children returned last week after a holiday in the south.

Miss Velma McCandie, of the Hollinger Stores staff, left on Sunday on her annual vacation.

Mrs. A. G. Carson spent a few days in Iroquois Falls last week, the guest of friends there.

Mr. and Mrs. Geo. Pond and family returned on Sunday evening from a visit to Cobalt and other points south.

Mr. Thos. Lawrence has left for Toronto to attend the Ontario College of Pharmacy.

Miss Evelyn Carson left this week for Matheson where she will take charge of a school in the township.

Mr. and Mrs. F. J. Hornby and son, Bert, left on Sunday on a two weeks' vacation to Toronto and other points south.

Mrs. W. J. McCoy and son, Noble, are spending a few weeks with her sister at Ottawa. Mr. McCoy will join them this week for a couple of weeks.

Last week The Advance received a letter signed only "Seven Years a Citizen." As the letter was not accompanied by the name and address of the sender, no attention could be given to it. The Advance has sympathy for the ideas advanced, but, as repeatedly pointed out, this paper cannot pay any attention to anonymous communications. All communications should be accompanied by the name of the sender, not necessarily for publication, but as an evidence of good faith.

One of the old-timers of the Porcupine, now resident in Haileybury, on a recent visit to Timmins told The Advance that he always read with the keenest interest the weekly review of "Ten Years Ago in Timmins." "It brings back very clearly to me," he said, "the good old times in this good old camp."

Dr. and Mrs. Hague left this week for a visit to Toronto.

Rev. J. D. Parks and Mrs. Parks and children are expected home again this (Thursday) evening.

Miss Nellie Studor left on Sunday on a two weeks' vacation to southern points.

Mr. E. A. Denault left last week for a three weeks' vacation in the south.

Born—At Toronto, Ont., on Monday, August 23rd, 1926, to Mr. and Mrs. Clement, Paymaster Mine—a son.

Mr. Wm. Durant, of Hamilton, Ont., was a business visitor to town this week.

Mr. Claire Severt leaves to-morrow morning for Toronto, where he will attend the Ontario College of Pharmacy.

Miss Frances Olton, formerly of the post office staff here, has gone into St. Catherine's hospital to train for a nurse.

Mrs. G. S. Lowe and daughter returned last week after a visit to Toronto, Kitchener and other points south.

Mr. C. M. Auer, one of the pioneers of Timmins and the North and, now residing near Boston, Mass., is visiting in town for a few days.

The Lancashire Club re-opens its meetings this coming Saturday evening in the Hollinger Hall, a good time assured to all members and guests. The event will start at 8.30 p.m.

Mrs. O. Boileau, Hollinger Lane, returned last week from an extended visit to Cache Bay and North Bay. From North Bay she motored to Ottawa, Hull, Rockland and other points south.

Mr. John W. Eedy, formerly editor and publisher of The St. Mary's Journal-Argus, and who has been visiting his daughter, Mrs. Arch. Gillies, for some time past, returned this week to St. Mary's, accompanied by Mrs. Gillies, who will visit her former home-town for a few weeks. Mr. Eedy made wide circles of friends here by his kindly disposition, his broad knowledge of men and affairs and his interesting philosophy of life. Mr. Eedy will always find a warm welcome in Timmins from the many who have had the privilege of meeting this talented and kindly good citizen.

It is less than two weeks to the election.

Mrs. C. R. Murdock and Master Stewart are on a three weeks' visit to Southern Ontario.

Mr. Ralph Moore has returned to the Ankerite Mine, having spent a month at his old home in Newfoundland.

Mrs. E. I. Appleton, of The Toronto Ladies' Swimming Club, is visiting her parents, Mr. and Mrs. R. Sinclair, 21 Fourth Ave., Timmins.

Among those leaving here for the Connaught section to be on hand early for the opening of duck shooting were Messrs J. E. Grasset, Frank Francis and H. E. Montgomery.

Miss E. Hardy, of Oakwood, Ont., left last week for the South after spending a couple of weeks in Timmins the guest of her sister, Mrs. Lee Honey.

Mr. W. P. Olton, of the Ankerite Mine, left for Toronto on Friday, previously having shipped his car to North Bay. He will motor from the Bay and spend two or three weeks with his daughters in the South.

Mr. Jas. Walsh, who had his hand badly burned by contact with a wire carrying 550 volts at the Hollinger on August 30th, and who has been in the hospital since, is making good progress to recovery. He will lose one finger as a result of the accident, but though he has suffered considerably from the severe burns to his hand, all are pleased to know that he escaped in almost miraculous way from more serious injury.

From talk around town it would appear that there will be a large number of appeals against the assessment this year, the increases in business assessment being considered as specially burdensome by many. Present indications suggest that the rate will be little below last year, unless the town intends to carry a deficit for the year. Accordingly the talk about a reduced rate to offset increased assessment is not to be taken too seriously.

Mr. and Mrs. R. LeHeup arrived here on Tuesday evening from Haileybury and will take up residence this week in apartments in the Goldfields Hotel block. Mr. LeHeup is already busy on his work as local superintendent and secretary of the Cochrane District Children's Aid Society. Mr. LeHeup believes a Shelter is one of the first necessities for the progress of the work and is working on plans to secure, if possible, this desired advantage for the C.A.S. moment.

UNNECESSARY DAMAGE TO GARDENS AT SCHUMACHER

McIntyre Football Team Showing Up Well. Other Schumacher News

Schumacher, Ont., Sept. 1st. Special to The Advance.

Many of our local hunters have left town for the opening of the shooting season. We wish them the best of luck.

At present much damage is being done by some mischievous persons in the district to gardens, and if some of our local gardeners lay their hands on the culprits, woe betide them, as they will be lucky to get away with a whole skin. As one local gentleman remarked, he would not mind giving some of his produce, but he objects to the wanton damage done and hopes that a timely warning to the offenders will settle the matter.

Doug Craig left town last week to spend a vacation at Cobalt.

Mr. Jimmy Hamilton left town on Tuesday for Vancouver, which is to be his future home. We wish Jimmy every success.

Mrs. H. Leng arrived home on Monday after spending a few days at Kirkland Lake.

Mrs. W. McKay, Marguerite and Billy, 2nd avenue, returned on Wednesday from their vacation at Seaford.

We are sorry to hear that Mr. George Wallace is confined to his home at present through illness and hope that he will soon be fit and well again.

Members of the L.O.L. paraded on Sunday night from their headquarters to the United Church, where Rev. Ivan Kennedy conducted the service.

A sure sign of the opening of the hunting season! The hardware merchants have a good display of guns, ammunition, etc. One of the local firms, as a special attraction, had on show at the week-end a pair of foxes who seemed quite at home in their new quarters.

Miss Ruby Ballod, of Porquis Junction, is at present staying with her friend, Miss Lucy Glazier, 1st avenue.

Born—To Mr. and Mrs. Sidney Dennison, 2nd avenue, on Sunday—a baby boy.

The McIntyre Football team delighted their supporters last week when they defeated the Town team at Timmins by the score of 5 goals to 1. Johnny Martin scored 4 goals and Dougall 1. The McIntyre boys are at present playing good football and will no doubt make a bold bid to win the Boxers' Challenge Cup this season.

DOMINION STORES HAVE AUSPICIOUS OPENING HERE

The Dominion Stores opened its branch here on Saturday last, with Mr. T. Best, as manager. A big day's business was done on Saturday in the new store opposite the post office. Mr. Best, however, was just as well pleased with business this week. He thinks the town is a community where trade is steady all week, and without that last-minute rush on Saturday evenings that characterize some places. He says that the difference between this town in this respect and other places where the Dominion Stores have branches is very noticeable. The Dominion Stores run altogether on the cash and carry system, and carry no charge accounts. They guarantee every article sold and mark all goods in plain prices. To these and other principles on which the Dominion Stores are founded Mr. Best believes is due the success achieved by the 417 branches of this big retail business.

MR. C. R. MURDOCK WITH THE SUTCLIFFE CO., NEW LISKEARD

After Sept. 1st, Mr. C. R. Murdock, formerly the efficient and popular town engineer at Timmins, will be associated with the Sutcliffe Co., of New Liskeard, on the sewer and water-works construction in Tisdale Township, and will also do any general engineering work for the Township. The Sutcliffe Co. and the Township are to be congratulated on securing so capable and experienced an engineer and one upon whom they can absolutely and fully depend for honesty, efficiency and conscientious and skilled work. Mr. Murdock came to Timmins at a time when the incinerator, the disposal plant and even the water-works department were not functioning as they should and there was a general confusion in public works. He placed all departments on a high plane of efficiency and handled the work in a way that has earned the highest regard for his capability as an engineer and his worth as a man. In losing him, Timmins is suffering a serious handicap in handling its valuable public works.

An interesting report of the work of the Humane Society set in type for this week's paper has had to be held over until next week, on account of the exigencies of space.
