Harvest Festival at the Schumacher United Church

Special Services on Sunday, and Successful Social on Monday Evening. Mr. R. Skelly Winner of Poultry Prizes at Porcupine Fair. Young People's Society Hold Outdoor Event. Other Items of Schumacher News.

Schumacher, Sept. 22nd. Special to The Advance.
Mr. Albert Sullivan, B.A., of Victoria B.C., was the guest of his brother, W. R. Sullivan, and Mrs. Sullivan during the past week. Mr. Sullivan, who is Inspector of High Schools and Collegiates in British Columbia, was on his way home from Toronto, after attending a convention in the interests of modern languages. Being a school man, he, of course, visited the schools of Timmins and Schumacher and was very favourably impressed with the excellent buildings and equipment provided for education, and also by the fine appearance and deportment of the pupils.
Harvest Festival Services were held in the United Church on Sunday

and were very largely attended, the seating capacity in the evening being taxed to the utmost. The interior was artistically decorated with autumn leaves, fruits, flowers and vegetables donated by kind friends from South Porcupine, Timmins and Schumacher. Special music by the choir was very much appreciated, while the eloquent and impressive sermon of Rev. Baine, our popular neighbour pastor, was both interesting and helpful. On the following evening a successful Social was held in the basement. Mr. A. Carveth was appointed chairman. A first-class musical programme was rendered by the following ladies and gentlemen:—Mrs. F. Gilbert, Miss Cotcher, Rev. Mr. Baine, Mr. Pyper, Mr. Jones, Mr. Spragg and Mr. Kearney. Donations of vegetables and fruits were then sold, the proceeds being nearly thirty dollars. Mr. W. C. Arnott was auctioneer, and played the part well. The evening closed with a dainty luncheon provided by the ladies. The church management wish to express their thanks to all those who contributed in any way.
Congratulations to Jack Leng and Willie Mair on the very creditable showing at the Athletic events held in North Bay on Saturday. A little more experience, and these boys will make some of them "step lively."
Mrs. T. M. Busby who has been holidaying in Muskoka returned recently to her home on Second avenue.
Mr. Alex. Corrigan is home from a visit to Sudbury.
Mrs. J. Harris, who has been in Toronto during the past month, returned on Friday.
Mr. Thomas M. Busby, leader of the Brethren, purposes holding regular services in town in the near future. The old United Church will probably be used for this good work until next summer when a new church edifice will be erected on a building lot already secured in Timmins.
Miss Kathleen Easton of the McIntyre Porcupine office staff, left last week to spend the vacation at her home in Renfrew.
The public school was closed on Wednesday afternoon, 15th inst., to give the pupils and teachers an opportunity to attend the annual agricultural fair at Golden City.

We regret to report the illness of Mrs. H. J. Cain, from a very severe attack of pneumonia. Under the skilful care of Nurse Lyttle and the family physician it is hoped that the patient may soon be restored to health.
The new home of Mr. and Mrs. T. Jones on Second avenue was the scene of a pleasant party on Monday. A few intimate friends were present and spent a very enjoyable time in music and dancing.
Miss Doris Hill has secured a position as stenographer with the Metropolitan Life Insurance Co., and commenced her duties on Monday in the branch office at Timmins.
Mr. James Brebner, teller in the local branch of the Canadian Bank of Commerce, left town last week to spend a six weeks' vacation at his home in Scotland.
We congratulate Mr. R. Skelly, our poultry fancier, on his success at the recent fair at Porcupine. Although competition was very keen Mr. Skelly succeeded in winning two prizes, first for Wyandottes and second prize for Utility Pen consisting of Leghorns.

Mr. F. Tomkinson, who was in Galt last week attending the funeral of his aged father, returned on Saturday.
A new wire fence and levelled lawn improve the appearance of the Teachers' Residence.
The new-organized Young People's Society held its first outdoor social event on Wednesday night, 15th inst., in the form of an old-fashioned corn roast. At 7.30 p.m. about sixty of the youth and beauty assembled at the appointed place of meeting, and shortly after began to wend their way to the scene of the festival at the favourite old picnic ground at the head of Pearl Lake. Soon two large fires were lighting up the picturesque landscape. The playing of games and the singing of Community Songs continued until 10.30, after which the joy-makers commenced to feast upon corn, wieners and rolls. Messrs Percy Shippam and Jack Leng were chief cooks, and performed their duties so well that they have been permanently engaged by the organization. About eleven o'clock the party returned to the church where the surplus provisions were disposed of by private sale. Home sweet home brought a pleasant outing to a close.
Mr. E. Malkin, who has been spending the summer in the Camp, left last week for his home in Parry Sound, Mr. Malkin will resume his studies at Queen's University in October.
McIntyre supporters were sadly disappointed when the local team were beaten in the final of the Boxers Cup competition last week by the narrow margin of 1 goal to none. Had the Mac forwards been up to the standard of the defence there may have been a different tale to tell. Teddy Dougal at centre half for the Macs was easily the outstanding man on the field and at the close of the game he received the ball which the P.D.F.L. had provided for the match.
McIntyre Juniors were beaten by the Tuxis at Timmins on Monday night by the score, 4 goals to 2. Ric Dainton, by his brilliant saves in the match, was given quite an ovation by the spectators. This young goalkeeper has a promising future before him.

RAMBLERS CLUB NOW FINISHING GOOD YEAR

Will Start Out New Year on Oct. 11th With the Best of Prospects. Monday to be Guest Night.

The Monday evening dance of the Ramblers' Club added another to the list of successes had by this club during the past season. The cool evening made it ideal for dancing, and this coupled with the goodly number of members who turned out all assisted materially in making the night an enjoyable one. The usual dances were held, a Paul Jones being run in as a special. An enjoyable lunch was served during the evening. Mrs. H. Thomson and Mr. F. Loney looking after this part of the programme. Next week being the last of the Club year will be observed as a guest night, and a large turnout is requested. All the lady members of the club will assist in furnishing the lunch.

The annual meeting and election of officers will be held on Monday, Oct. 11th. The Ramblers' Club have enjoyed a very successful year during the one just past, the Club coming back stronger than ever, and making itself one of the town's permanent societies.

The quiet but pretty wedding took place at St. Matthew's church, Timmins, at 11.30 on Tuesday morning of this week, Sept. 21st, 1926, when Miss Ivy Parsons, daughter of Mr. and Mrs. Parsons, of South Porcupine, and Mr. Alfred Young, son of Mr. and Mrs. Fred Young, of Timmins, were united in marriage, the Ven. Archdeacon Woodall, of Porcupine Junction, being the officiating clergyman. The bride was charmingly gowned in blue silk, with gold trimmed veil, and was given away by her father. The couple were unattended. After the ceremony, the young couple and immediate friends of the families enjoyed a wedding dinner at the home of the groom's parents, Timmins, after which the newly-wedded couple left for Sturgeon Falls for a honeymoon visit. On their return they will take up residence in Timmins. Many very handsome and valuable gifts testified to the esteem in which the young couple are held and the good wishes extended to them.

EXPECT NEW R.C. CHURCH COMPLETED BY CHRISTMAS

The contractor, Mr. Leo Mascioli, made short work of the excavating for the new R.C. church to be erected on the church property near the present big church. Work on the new church building is now in progress, and it is expected that the new church will be completed and ready for use by Christmas. It will be called the Church of the Nativity of Our Lord. The new church is being constructed on the land between the school and the residence, and will face on Spruce street.
