**WEDDING AT ST. ANTHONY'S
CHURCH ON SEPT. 16TH.**

In reference to a wedding in Timmins on Sept. 16th, in which it was interested on account of the groom being a former resident of Coniston. The Sudbury Star last week says:— "St. Anthony's Roman Catholic Church, Timmins, was the scene of a pretty wedding on Sept. 16th, when Delia Lacarte, daughter of Mr. and Mrs. Felix Lacarte, of Englehart, became the bride of Patrick Seeley, son of Mr. and Mrs. George Seeley, of Coniston. The ceremony was conducted by Rev. Father Forest. The bride was given away by her father, and entered the church to the strains of wedding music played by Birrell Bell. Hymns were sung by Miss Alma Joannise and Miss Jean Larcher. Following the ceremony, a reception to relatives and friends of the bride and groom was held at the home of H. C. Charlebois, after which the happy couple left on a honeymoon trip to points in Southern Ontario."

**TIMBER LEASES NORTH OF
COCHRANE OPEN FOR BIDS**

**Mattagami Pulp Co. Understood to
Have Counted Out of Bidding
in Previous Case.**

According to a despatch from Cochrane this week, another sale of leases on Northern Ontario timber lands will be held in October when bids will be opened by the Department of Lands and Forests for timber in the township of Buff, Ottawa and Marven, about 20 miles west and 20 miles north from Cochrane. The total area comprises approximately 140 square miles, most of which is well timbered with spruce. The limits lie contiguous to those held by Mattagami Pulp and Paper Company.

The terms of sale include a deposit of \$25,000 in the case of the first two townships and a deposit of \$20,000 along with other undertakings in the case of Marven township. On October 11, the first mortgage holders of the Mattagami Pulp and Paper Co. are causing the assets of this company to be sold at auction including some 1,500 square miles of timber limits obtained from the Ontario Government by the defunct company. The second mortgage holders are presumably laying plans for a bid in the assets including these leases.

It is generally known that last fall when the Spruce Falls Pulp and Paper Company obtained the leases in connection with its present operations at Kapuskasing, at least two bids were made by interests connected with the Mattagami Pulp Co. for the area contiguous to and adjoining the Mattagami limits which were higher than the Spruce Falls bid. Owing to the pledges of Ontario ministers that no consideration would be given the Mattagami attempts to assign or secure additional limits until debts to settlers had been paid or guaranteed, these bids, it is understood, were refused. Public opinion, in Northern Ontario is heartily in accord with the Government's action and there is considerable interest now as to what the Government's attitude will be toward the transfer or assignment of the existing Mattagami limits to the purchasers at the sale on October 11.

The general opinion here is that the Government will continue its attitude of looking first to the interests of the settlers and using every lawful means in its power to obstruct any plans that include any neglect of the settlers and their rights.

Mrs. Jack Dempsey says that "something was given to Jack before he entered the ring," but spectators think he got it after he entered.
