TIMMINS, ONTARIO, THURSDAY, SEPT. 30th, 1926 YOUNG MEN MAY DO MUCH FOR THE PROGRESS OF THE NORTH LAND

This week The Advance has another letter from the South Porcupine young man who expresses the earnest desire that the young men of this North Land should be given intelligent and organized assistance to the development of this great country. This North Land is especially a young man's country, and particularly may the young men whose formative years have been spent here prove of outstanding value in making the best and the most of the North. It is not likely that Mr. M. Bucovetsky is the only young man in this North who is anxious to serve this land, and the very fact that there are such young men, animated by such hopes and purposes, is the most hopeful sign for progress and prosperity for this promising area. It was such a spirit that built the West. It is the spirit inseparable from real progress and development.

The North Land is making steps forward in development, but progress is by no means as rapid as lovers of the North would desire, nor as swift as circumstances and conditions warrant. This young man approaches the problem with a fervent desire for the progress of the country, but with an evident appreciation of the fact that before the country can advance there must be a full knowledge of the needs of the North and the real requirements for the advantage of the land and the happiness of the people. In other words, knowledge of the needs and possibilities is absolutely necessary before there can be any successful advocacy of the cause. To assure the necessary knowledge he suggests the formation of Northern Ontario Young Men's Political Clubs to study and consider all the many questions on which depend in large degree the advancement of the country's interests.

The Advance gives hearty support to the plan. If it can be worked out successfully, the formation of such clubs throughout the North Land will prove a mighty factor in assuring the growth and true benefit of the land and its people. It is the fashion in some quarters to sneer at such organizations, but the good accomplished in the past by societies of this type should confound all sarcasms. The Boards of Trade, the Associated Boards of Trade, and other similar bodies have accomplished much. Farmers' Societies, Mechanics' Institutes in earlier days of Canada certainly did contribute more than a passing share to the solid advancement of the country. If such societies accomplished nothing in direct way, their tendency to build good citizenship would still be apparent. There may be too many social organizations and societies for lighter purposes, but there can not be too many citizen-building clubs, ready to study the problems of the country with a view to earnest assistance for the solving of the difficulties in the way.

The young men will have to organize themselves; older people can not do it for them; but the young men should have the kindest and most patient assistance and co-operation of all in this excellent proposal. It would be the greatest advantage in sight, if this land could secure the brilliance, the enthusiasm, the ready thought, the energy and the strength of the young men of this North Land in the difficult task of building here a people who will not only be prosperous in a material way but who will also be advanced in culture and in kindness and in all the finer things in life. Every lover of the North will wish the greatest and the swiftest success to the Northern Ontario Young Men's Political Clubs.

"GRAVEL AND SAND"—AND PLACER

Heavy assessments on the skating rink and the athletic grounds,—both properties being maintained solely for the public benefit—and no assessment on the taxi stand building—a privately-owned structure on town property! This is a funny world—this North Land.

Distillery stocks in the Old Country are said to be steadily going down. That doesn't look like a news item.

Tom Thumb died this week at the age of 84. Tom Thumb used to be known as the smallest man in the world, but—guess the rest!

In view of what happened last Thursday night, the new council might well be called "Dempsey."

Mr. Jack Dalton took enough time off from the superintendence of the work in progress at his property at the corner of Third avenue and Cedar street to attend the council meeting last Thursday night. During the poll tax debate he made some comment about the new council. "Oh, you're just sore, Jack," was the reply given him by another humorist in the crowd, "because they wouldn't dig your cellar for you!" "Thanks!" was Jack's reply.

Answer to correspondent—"Sandy Sellars": No, Sandy, the article in last week's Advance, headed, "Making a Success of the Goat Industry in the North," had no reference to the new council. You should have been able to figure that out for yourself on account of the word "success" being used.

Judging by results, some people are not any better at foretelling the results of a prize fight, than they are at foreseeing the results of an election.

Wednesday evening of this week was one of the darkest nights in recent times in this North Land. No stars were visible, and there was a heavy mist reminiscent of London, England, or the Scottish Highlands. Yet some people said it did not look nearly so black as last Thursday evening.

It is now known positively that the Provincial elections will be on November 12th, November 15th, November 27th, or some other date.

Answer to correspondent:—"How do the Provincial auditors work? By the day, or by the job?" By the year, son!

In the death of Mr. Angus MacDonald, ex-M.P. for Temiskaming, the North Land loses one of its pioneers; Temiskaming is poorer in good citizenship; the Labour party has a friend the less; and an honest, energetic and public-spirited citizen has passed away. It was not necessary to agree with his views to respect him. He was a "bonnie fechter," but he fought fairly, and always for what he believed to be the right.

Famous partnerships in Timmins:— Economy & Efficiency; Gravel & Sand; Dickson & Eplett. Ten & Costs. Whiskey & Soda (the latter is a silent partner).

There is a report current that the Provincial auditors have completed their work, or nearly completed it, or may yet complete it. There will be little confidence in any report submitted, however, in view of the inaccuracies and careless propaganda in the preliminary report some months ago. The whole affair appears to be only a useless expense upon the town, and serving no public purpose.

Schumacher Couple Wedded at South Porcupine, Monday

Trail Rangers at Schumacher Re-organize for Season. Death of Mrs. Sinclair, Highly Esteemed Resident of Schumacher. Mrs. G. C. Murphy and Mrs. G. Arm- strong Bereaved by Death of Their Mother.

Schumacher, Ont., Sept. 29th, 1926.
 Special to The Advance.

A very pretty wedding was solemnized in the R. C. church at South Porcupine on Monday, September 27th, when Agnes, daughter of Mr. and Mrs. Thomas Lark, of Schumacher, was united in marriage to Mr. Oscar Desjardin. The ceremony was performed by the Rev. Father Lagreval. The bride, who was given in marriage by her father, looked charming in a white satin dress, trimmed with seed pearls, silver shoes and stockings to match and a large white satin picture hat. She carried a white kid-bound prayer book, and wore silver beads, gifts from the groom. The happy couple were attended by Mr. and Mrs. John Furphy, the latter being gracefully attired in blue satin dress trimmed with buttons, gray shoes and stockings to match and wore a pretty gray hat. After the ceremony the bridal party returned to the home of the bride's parents in Schumacher where a reception was held in honour of the young couple. About thirty or forty guests were present. A sumptuous repast was served at 5.30, the table and home being artistically decorated with gold-enrod, autumn leaves and ferns. The bride's mother wore a gown of green georgette trimmed with green figured georgette and black patent shoes. Miss Helen, sister of the bride wore a green and gold taffeta dress, blonde shoes with stockings to match. The bride and groom were the recipients of many useful and beautiful gifts and will reside in Schumacher where they have the good wishes of a host of friends.

Mrs. R. Davis and daughter, Mrs. H. Fairhurst, and family left recently for New Hampshire, U.S.A., to join Mr. Fairhurst, who has been employed in the New England state during the past few months.

Mr. James Shewan received word last week of the serious illness of his brother in Montreal and left immediately for the Quebec city.

Miss Kathleen Easton arrived home on Saturday evening after spending a pleasant holiday with relatives in Renfrew.

Mr. Norman Radburn, one of our promising young men, has enrolled as a student in the Business College at Timmins. Success!

Mrs. James Kent, accompanied by her father, Mr. Lunan, left last week for Montreal, where the former's aunt is seriously ill.

Messrs. Lawrence Cooper and Jefferson Cossier left town recently to attend McGill University, Montreal.

Mrs. J. A. Bush returned on Saturday after spending two months with relatives in Toronto.

Mr. A. Dorfman, of Toronto, is spending a few days in the Porcupine District.

Mr. Frank Corris is nursing a sore hand, due to blood-poisoning.

The Trail Rangers were re-organized for the coming winter season on Tuesday, 21st inst.

The members of the Young People's Society were entertained by the Young People of Timmins United Church on Wednesday evening.

At the Presbyterian Hospital, on

Tuesday 14th, a baby girl was born to Mr. and Mrs. Joseph Leighton. Congratulations.

Mrs. Sinclair, one of our highly esteemed residents, passed away very suddenly on Saturday afternoon at her home on Second avenue, after a brief illness. The funeral service, conducted by Rev. Ivan Kennedy, was held on Tuesday at ten o'clock in the Trinity United Church. A large number of friends assembled to pay their last respects to a devoted wife and loving mother. Interment took place in the Timmins cemetery. The surviving members of the family who reside in this vicinity are the husband, two daughters and one son, all of whom have the sincere sympathy of friends in their sad bereavement.

Mrs. S. Kitchen and children arrived home on Sunday after a fortnight's visit with friends in the Queen City.

Mr. and Mrs. James Monaghan returned from a motor trip through Old Ontario and United States, using the car from North Bay southward. They were accompanied by relatives from Toronto and the party spent several weeks touring through the gardens of the South and visiting New York City and many other points of interest in the land of Uncle Sam.

The sympathy of the community is extended to Mrs. Geo. C. Murphy and Mrs. G. Armstrong in the loss of their mother, Mrs. Welch, who passed away peacefully at her home in New Carlow, Hastings County, on Friday the 24th inst. at the age of seventy-two years. The late Mrs. Welch was well known in Schumacher, having been a frequent visitor in town, and her kindly disposition and sterling qualities had endeared her to all those with whom she came in contact.

Miss Anna Barnett is home after spending several weeks with relatives in Toronto and Niagara Peninsula.

Miss Edith Wardley, Lancashire, England, is the guest of her sister, Mrs. O'Rourke of Second Avenue.

Mr. and Mrs. B. Budgeon have returned from a short visit with friends in Parry Sound and Southern Ontario.

SEES HOPE YET FOR THE FUTURE OF RED LAKE CAMP

The Sioux Lookout Miner last week says:—

"It should be a joyful bit of news to holders of Red Lake ground that Mr. Doug. Wright again flew into the gold area for another spell of work. It speaks well for the country when Mr. Wright again becomes interested enough to once more transfer his activities to the Red Lake area."

MAKING SURE

The electrician was puzzled. "Hi!" he called to his assistant, "put your hand on one of those wires."
 —The assistant did as he was told.
 "Feel anything?"
 "No."
 "Good!" said the electrician. "I wasn't sure which was which. Don't touch the other or you'll drop dead."
