## TWO MONTH TERM FOR THE THEFT OF A TRUNK

Took Trunk from House Where He was Boarding and Left His Bill Unpaid.

At police court this week, seven drunks paid the usual \$10.00 and costs, while another drunk was laid over for the personal appearance of the offender. Four speeders were assessed \$10.00 and costs and three for breach of the parking by-law were taxed \$1.00 and costs. A reckless driving charge was dismissed.

A man who issued a cheque while having no funds to meet the same was saved from a term for false pretences by the fact that restitution was made promptly and the cheque was cashed at a time when the offender was under the influence of liquor.

Two assault charges were dismissed and a third remanded for a week. A theft case was also adjourned.

The cases against I. Lewis, on forgery charges were remanded for another week, the adjournments being asked while handwriting experts are being secured and other technical matters in the cases being dealt with.

A young man named Simpson was given a sentence of two months for theft. He took a trunk from the house where he boarded and paid no attention to the fact that it was not his trunk. It is also said that he left behind an unpaid bill for board, instead of paying his own bill and leaving the other person's trunk behind.

## BOY KICKED BY HORSE NOW MAKING RECOVERY.

E. Donais, the ten-year-old son of Mr. T. Donais, who was seriously injured recently by being kicked by a horse, is reported now as making fair recovery. The lad was injured while leading his father's horse along the road. The animal began to prance around, and the boy was badly kicked about the head and face. For some days he was unconscious. Then he regained consciousness but was in a more or less delirious state. Wednesday of this week, however, he was showing very marked improvement and now appears to be on the way to recovery. The X-ray photos taken of the boy's head showed the skull to be fractured but no injury done to the brain. Specialists from Toronto were called here for the advantage of the injured lad. They confirmed the diagnosis and treatment already being given the boy.

Messrs Alf Wilkes and C. Kerr Stewart, of The Midland Free Press, were visitors to Timmins last week and were greatly impressed with the growth and development of the town, as all good visitors are.

# Tisdale Township Council Deals With Many Questions

Council Has Busy Session at South Porcupine. United Church Harvest Home Services. Sudden Death of Youngster at the Dome. Goldfields Band Concert Successful on Tuesday. Annual Ball of Dome Mechanics and Electricians.

South Porcupine, Oct. 13th. Special to The Advance.

The third annual ball of the Mechanics and Electricians of the Dome Mines will take place on November 25th this year. Knowing what an unqualified success last year's event was, many will be glad to hear that this year's dance is already being planned.

Mr. C. B. Morgan was in town for a few days from the Quebec gold fields.

Mr. R. Cameron, of Iroquois Falls, has accepted the position of druggist at the Pillsworth Estate Drug Stores.

The Harvest Home services in the United Church were very well attended last Sunday. Rev. F. Bain, pastor of the church, was in charge. The church was most tastefully decorated and much credit was given Mr. Skinner, our local florist, for his help and also for the plants and fixtures loaned. Two very fine anthems were rendered by the choir and Mrs. (Dr.) Russell, of the Dome Mines, gave a feeling rendition of the sacred solo, "Abide With Me." On Monday evening it seemed as though all steps turned towards the Masonic Hall were the Ladies' Guild were serving a chicken dinner with English plum pudding and many other dainties. After the hundreds gathered there were fully satisfied a sacred concert was given in the church, the following artists taking part—pianoforte solo, Mr. Johnston; contralto solo, Mrs. Russell; Timmins Male Quartet; a cleverly given reading by Miss B. M. C. Shaw; instrumental trio, cello, violin and piano; tenor solo, Mr. Taylor; Timmins Male Quartet; then another instrumental trio; bass solo, Mr. Skelly; pianoforte solo, Mr. Johnston; and another Quartet number. All were artists of exceptional merit.

The Male Quartet, consisting of Messrs Taylor, Heffernan, Dodge and Skelly, were a strong attraction both in their solo work and also in quartet singing. The instrumental trio consisting of Messrs Gilbert, Spraggs and Bain was another delightful part. The Ladies' Guild and all those who heard the concert appreciate very much the coming of these talented artists from Timmins and Schumacher and helping to make the evening a success. The financial returns were quite satisfactory also, the exact figures not being yet known.

Mr. Hugh Kincaid, of Kirkland Lake, spent the week-end at the home of his brother here.

A sad and sudden fatality took place at the Dome on Monday evening when the eighteen-months old child of Mr. and Mrs. Zabiaka came in from its play with other children and inside of five minutes it died in its mother's arms. It is feared the child may have found something poisonous and eaten it, but at time of writing the real cause of death has not yet been ascertained.

The Porcupine Goldfields Band gave a concert in the Majestic Theatre on Tuesday evening. Owing to so many other events the attendance was not very large but the audience was very appreciative of the excellent programme rendered. The Band shows decided improvement each time and is certainly an organization to be proud of. With a little better advertising a packed house should have greeted them on Tuesday but many did not know of it till a day or so before. After the opening march by the band, a cleverly executed pianoforte solo was given by Miss Carmel LaForest, which received an insistent encore; then the band played the overture "Gypsy Festival," after which the Schumacher Pipe Band started all the toes a-tingling and every braw Scotch countenance in the hall wore a smile of contented admiration. When they had been persistently encored the next number was the Highland Fling, daintily and gracefully performed by Miss Jean Wright. Mr. Gene Colombo, acting as chairman remarked that it was well there was plenty of Scotch as it was a dry night for the band. However in the next number A. Kincaid broke the spell with an Irish song, followed by an encore. Then after the solo, "In the Garden of Your Heart," and the encore "The World is Waiting for the Sunrise," by Mrs. Bowles, who is always welcomed by Porcupine audiences, the band brought the musical part of the programme to a close, after which the regular pictures were shown.

Mrs. D. Flood, of Connaught, was in town for the Harvest Home Supper and Concert.

A regular meeting of the Council of the Township of Tisdale was held at the council chambers on Monday evening with the Reeve and Councillors Barron, Russell and Harris present. Quite an amount of correspondence was read:—A letter from the Canadian Flag and Decorating Co., asking permission to bore holes in the cement sidewalks in which to place flags was favourably received. This does not cost the municipality any-

thing and when the flags are secured by the various business places, it adds much to the appearance of the town. The T. & N. O. promised repairs to some of the various crossings which had been mentioned in a previous letter. A request for a grant from the Poultry and Pet Stock Association was deferred for later consideration. A request for charity from a Finlander in town who asked to be sent to a sanitarium was deferred until a report on the case could be obtained. A settler from the north of the township was present asking for remuneration for work he had done on a road he made to gain access to his place. The council thought that granting this would create a precedent that would lead to like appeals being made from various parts of the township. It was promised that if the Provincial Government were willing to pay half the expense the township might consider the other perhaps. There were a large number present, re tax appeals but as it is a statutory law that appeals must be made by July 1st it was decided that legal advice would necessarily have to be obtained from the township solicitor before going any further with the cases on hand. Hence those present were asked to be at the regular meeting October 25th, some of the cases were where the taxpayer had not understood the law in regard to being rated as householders instead of single men. Two or three women were there each to prove that her husband was a married man, not the single man which he was according to his taxpapers. Some had been married since the assessment; others foreigners, had neglected to have the change made in their rating when bringing their wives out from the Old Country. Some (even with two or three children, owing to this misunderstanding on their part through not giving the proper notification) had been assessed income tax as single men. It is to see what can be done in these cases legally that the matter was delayed. The Township Engineer drew the attention of the council to the danger resulting from the present location of the taxi-stand and other locations were discussed. The danger

resulting to the public from the method at present used in parking the Dalton and Cunningham buses was discussed. These matters will be further dealt with. Chief McInnis said that once other locations and methods of parking were decided on by the Council that there would be no difficulty in seeing that they were adhered to.

## PRETTY WEDDING AT ST. ANTHONY'S ON TUESDAY

A very pretty wedding took place at St. Anthony's R.C. church on Tuesday morning, Oct. 12th, at 8 a.m., when Mr. P. Sherbin, of Timmins, and Miss C. Griffiths of Montreal, were united in the holy bonds of matrimony by Rev. Fr. J. O'Gorman.

The bride was given away by her brother, John, and attended by Miss D. Brown, bridesmaid. Mr. J. Mustato was the groomsmen. The bride wore a gown of white satin with white stockings and shoes to match, and carried a bouquet of white roses and lilies-of-the-valley.

After the ceremony the bride and groom and immediate friends had the wedding breakfast at their residence, 45 Wilson avenue.

Many friends will extend sincere good wishes to the young couple. Mr. Sherbin is the manager of Byck's branch store in Moneta.

The groom is a young man very highly regarded by all who know him. He had worked his way up on the Byck staff from the place of message boy to that of manager of a growing branch. He has been with the business for ten years, and Mr. Frank Byck is particularly proud of him for the way he has developed with the business and by diligence and ability improved his opportunities. Now the business is growing with him.

## MEETING OF MALE CHORUS ON SUNDAY AFTERNOON.

A meeting of all members and prospective members of the Timmins Male Chorus is called for Sunday afternoon at 4 o'clock in the Central public school. This meeting is not for practice, but simply to find out the best night for practice. It is desired to select the nights suitable and available for all members of the Male Chorus, so every member should be on hand Sunday afternoon so that the views of all may be secured in the matter.
