CARD OF THANKS

Mrs. T. H. Constable desires to thank the members of the various lodges, the Ontario Provincial Police, the Police Departments of the various municipalities in the district, the municipal corporations, and each and everyone who so sympathetically rallied to her support in the moment of her direst need. Under the circumstances a personal response is impossible, but the many expressions of sympathy and beautiful floral offerings show in what measure of esteem the late Mr. Constable was held, and the family are indeed duly grateful. THE NEW MINISTER OF LANDS AND FORESTS

The appointment of Hon. Wm. Finlayson as Minister of Lands and Forests in the Ontario Cabinet, does not come as a surprise to those who keep in touch with political matters. The Department is a very important one to the North Land and so the appointment will be given the very closest attention. Accordingly, there will be more than passing interest in the following reference in The Mail & Empire to the new Minister of Lands & Forests:—

"Few men have come to the front in the legislative history of Ontario as rapidly as the Hon. William Finlayson, the New Minister of Lands and Forests. Mr. Finlayson was first elected to the legislature in 1923, and in three sessions by sheer aptitude for the public business has established his place in the front ranks of the House. The difficult task of presiding over the Public Accounts Committee fell to the lot of Mr. Finlayson, and the general verdict was that he made good to an exceptional degree. He was fair and thorough in his leadership of the various inquiries, and made an enviable reputation as chairman of the committee. Mr. Finlayson has since his entrance into the Legislature devoted special attention to the problems of the lands and forests of Ontario. His recognized interest in the subject has led to demands for public addresses in various parts of Ontario on the preservation of our forests and kindred topics, to which Mr. Finlayson has responded in a way which has marked him as a coming Minister of Lands and Forests. The vacancy in the portfolio afforded the Premier an opportunity of enlisting the services of Mr. Finlayson, whose familiarity with conditions in Northern Ontario, combined with his legal training, will prove important assets to the Government and to the province."

It is a new experience for Timmins to be threatened with a serious epidemic, but the situation arose from the public disregard of the necessary precautions. If all will faithfully observe any quarantine imposed, and if care is taken to report all suspected cases, Timmins will soon again be able to present a clean bill of health.

Last night five more cases of smallpox were quarantined, the cases being discovered through investigations in connection with the general plan of vaccination of all suspected of being exposed recently to the infection.

Things that logically ought to happen, do happen—but often not half so soon as they should.

ONTARIO ELECTIONS TO BE HELD ON DECEMBER 1

Hon. W. F. Nickle Resigns from Cabinet. Other Changes in the Ministry.

The Ontario Legislature stands dissolved. The elections will be held on Wednesday, December 1. The official nomination day will be Saturday, November 20. Premier Ferguson will appeal to the people on a policy of government control of liquor with local option, the features of which are the abolition of prescriptions, the appointment of a high class commission, the promise that there will be no return of the bars, the protection of local option areas, provision for machinery for consulting the people, the operation of the act with a commission, jailing of "poison" vendors, the reduction of taxation from liquor revenue.

Other features which were prominent in an election statement issued shortly before one o'clock Tuesday morning are the assurance of a balanced budget, reduced taxation, motor license reductions, amusement tax cut, debt repayment provided, municipal income tax reduced, highways policy extended, progress in Hydro administration, development of the North Land, increased agricultural markets and an honest administration.

Further reference is made elsewhere in this issue to the policy and platform.

The Prime Minister's statement regarding the election came Monday in two sections. One was issued, informally, at 7:20 o'clock Monday evening after a day of secluded conferences between members of the Cabinet. It contained an announcement of various Cabinet changes, several of which have been generally predicted for some time but one of which was a complete surprise even to the previous members of the government, also the announcement of dissolution and the date of election. Hon. W. F. Nickle has resigned as Attorney-General of the province. His resignation, which was tendered three days ago, has been accepted, and Hon. W. H. Price, formerly Provincial Treasurer, now holds the office which Mr. Nickle vacated. Succeeding Col. Price is Hon. Dr. J. D. Monteith, member for North Perth. Dr. Monteith's appointment provides the spice of this particular announcement, in that his chances as successor to the Treasury have not been mooted, at least outside the Cabinet. Hon. William Finlayson, former Conservative member for East Simcoe, is Minister of Lands and Forests Hon. Dr. D. Jamieson (South Grey) will be the new Minister without portfolio.

All the new ministers were sworn in early Monday evening before His Hon. Lieut.-Gov. Cockshutt, who at the time of his visit to the Parliament Buildings, also signed the order of dissolution, which officially put an end to the Sixteenth Ontario Legislature.

POPULAR COUPLE WEDDED ON THURSDAY LAST WEEK

A very pretty wedding took place at St. Anthony's R. C. church, Timmins, on Thursday morning of last week, Oct. 14th, 1926, when Miss Bessie Martel, daughter of the late Mr. and Mrs. Duncan Martel, of Cobalt, and Mr. Lucien Pare, youngest son of Mr. Arthur Pare, of Lachine, Que., were united in the holy bonds of matrimony. The ceremony took place at 7:30 a.m., and there were many friends of the bride and groom present for the occasion. Rev. Fr. LaForest was the officiating clergyman. The bride was given away by Mr. G. McLean, and the groom was sponsored by his father, Mr. A. Pare, of Lachine, Que. Miss I. Poirier, was the bridesmaid, and Mr. Chas. Roberts supported the groom. A specially attractive feature of the event was the singing by the K. of C. Choir under the very able direction of Mr. J. B. Pare, uncle of the groom. All were delighted with the singing by this gifted choir. The bride looked charming in a gown of brown needle-point cloth, trimmed with black fur, and with hat to match and carrying a bouquet of roses and lilies-of-the-valley.

After the ceremony, immediate relatives and friends to the number of about thirty, enjoyed a very delightful wedding breakfast at the home of Mr. and Mrs. J. B. Pare, 17 Hemlock street. At this hospitable home the wedding party enjoyed a very pleasing time. There were toasts to the bride and groom, with happy responses, and musical numbers.

Mr. and Mrs. Lucien Pare left on a wedding trip to Lachine, Que., and to visit relatives and friends in Montreal and other points east. Hosts of friends in Timmins will extend to them very hearty good wishes. They will take up residence on Tamarack street on their return from the wedding tour.

The large number of beautiful and costly gifts testified to the high regard and popularity in which the young couple are held. There were many presentations by groups and individuals. A couple of nights before the wedding there was a shower held in honour of the bride, between thirty-five and forty of her intimate friends being present. There were many beautiful gifts presented, together with further showers of good wishes. Music was furnished by the Strollers orchestra, refreshments were served and a delightful social time enjoyed by all.

It is the man who gets plenty of sleep who is wide awake. Exchange.

HEALTH MATTERS BEFORE KIWANIS CLUB MONDAY

Dr. Honey Deals Effectively With Dental Health Matters. Dr. George Speaks on Health Situation Here

Health matters were prominent in the bill of fare at the Kiwanis Club luncheon here on Monday. On account of it being Dental Health Week in Ontario it was fitting that the speaker of the day should be Dr. Lee Honey, whose address on dental health was intensely interesting and unusually helpful. Dr. George, District Medical Health Officer was also introduced to the Club and his brief address was very much appreciated. Dr. George dealt with the local health situation, referring to the outbreaks of diphtheria and smallpox. He urged the closest co-operation between all good citizens in seeing that a serious epidemic was avoided, and the public health protected to the greatest extent possible.

Dr. Honey's address gave clear point to the thought of the effect of the teeth upon the general health. Dr. Honey advocated frequent examination measure. An authority on dental health, who had spent eighteen years in research work, had made the claim that proper diet would prevent decay of teeth. Dr. Honey pointed out the logic of this claim and emphasized the advantage of special attention to diet, as a means of preserving the teeth, and so doubly safeguarding the general health. Candies were one of the chief causes of injury to the teeth of children, Dr. Honey said, and he instanced the case of a child of seven who had to have two permanent teeth extracted on account of decay. A little attention a year before would have meant the saving of the two teeth.

The Kiwanis Club by resolution decided to head the subscription list for the proposed Children's Aid Shelter at Timmins with a donation of \$200.

A hearty vote of thanks was passed to Mr. W. D. Cuthbertson for his generous and effective work in the arranging for flags to be placed at all the business places in town. The flags are of uniform size and style, and are placed alongside the edge of the cement walks, holes being drilled in the cement for the poles to sit in. When the flags are all out, as has happened on a number of recent holiday occasions, they give the town a very attractive appearance, as well as adding to the fostering of a proper loyalty. It was through the personal efforts of Mr. Cuthbertson that the

plan was carried through to success. The matter of the visit on Friday of this week of the Kiwanis Clubs from Toronto and other centres was also before the Club. Mr. Jos. Weston, chairman in charge of the entertainment of the Toronto Clubs, reported progress made in the arrangements, though not giving details. A further reference to the visit of the outside clubs will be found elsewhere in this issue.

SPORTSMEN AND OTHERS SHOULD SIGN THIS NOW.

There is a petition being circulated asking the Ontario Government to raise the water on Frederickhouse Lake to promote the growth of wild waterfowl food and thereby increase the game in the district.

The petition is at the following places at present: Alex. Dewar, Ironquois Falls; Geo. Taylor Hardware, Timmins; Todd's Drug Store, Schumacher; Frank C. Evans, South Porcupine; Ray Swaney, Connaught.

All those interested would do well to get their names down on this petition for a worthy object.
