

EXIT LORD OXFORD

The Earl of Oxford and Asquith who has resigned the leadership of the British Liberal party as the outcome of his long-standing fight with Mr. Lloyd-George, which started when the latter ousted the then Mr. Asquith from power during the war and succeeded him as Prime Minister with a coalition government.

COUNCIL CO-OPERATING WITH BOARD OF HEALTH

Town to Pay for Vaccination of All School Children to Stop Spread of Smallpox.

At a meeting of the Board of Health on Monday, Dr. George, District Medical Health Officer, was present, and reference was made to the serious outbreak here of smallpox. It was decided that all school children should be vaccinated, and in case any should refuse to accept this plan for safety such children should not be permitted to attend school. All children must be vaccinated before October 25th, or they will have to remain home from school. This measure is being taken for the protection of the public and to avoid the danger of a widespread epidemic of smallpox. The Board of Health also asked the secretary to call public attention to the fact that the Board has reason to believe that there are cases of smallpox within the town that have not been reported, and that after this date any such cases will be very severely dealt with under the stringent provisions of the Public Health Act.

The final resolution of the Board was moved by H. Morin and seconded by T. F. King, that the Board of Health would like the co-operation of the Town Council in dealing with the smallpox epidemic now in town. This motion was passed without dissent, and it is only fair to say that the Town Council has shown a disposition to give every possible co-operation and support to the Board of Health in the matter. A special meeting of the Town Council was called on Monday evening to see how the town could best assist the Board of Health. Mayor E. G. Dickson and all the councillors, except Councillor Brennan, were present at this meeting, and all showed the right disposition to do all possible in the best interests of the town. The whole question of the outbreak of smallpox was discussed and it would appear that the Board of Health may be assured of the fullest support. The one resolution passed at this special meeting was as follows—

Moved by Councillors Longmore and Bacon, that Board of Health be authorized to make full arrangements for doctors to attend the schools to vaccinate all children who wish to avail themselves of the services so provided. Such medical services to be provided at the expense of the town. That suitable cards be supplied all teachers whereby written consent of parents may be obtained to have children so vaccinated. That sufficient supply of certificates also be provided so that child may have proper evidence to submit to the principal to allow his return to school.—Carried.

Mrs. Ernest Carpenter and little son, Gordon, of Barrie, are visiting friends in town.

TIME NOW TO THINK ABOUT MINES LEAGUE HOCKEY

Season Promises to be the Best Yet. New Rink at South Porcupine a Great Asset.

Lovers of sport received a large amount of pleasure from the Mines League hockey last season. The coming season promises to be even better. The fine new rink at South Porcupine is a decided acquisition. It is an unusually well-equipped and modern rink building and is a very decided acquisition to the camp. It is understood that Schumacher representatives in the Mines League will use the South Porcupine rink for their home games. This will mean double hockey games in that end of the camp, thus creating greater interest, which, in turn, will all make for better hockey. The material this year for Mines League hockey is the very best, and it is not necessary even to be an enthusiast to be sure of a fine brand of hockey in the Mines League this season. The people here always enjoy clean amateur sport, and when that sport has snap and ginger as it promises to have this season, its success is assured. From present indications there will be a number of good teams in the Mines League for 1926-1927, with keen competition and the best of sport. It looks as if the one thing now needed is early organization so as to get away to a good start. The various teams should get together now and prepare for the biggest season in the history of Mines League hockey. With the several teams all organized at an early date, the league could be gotten under way just as soon as the season opens and a long and agreeable season thus assured.

TO DISCUSS BASKETBALL FOR THE COMING SEASON

A meeting of the representatives of senior basketball will be held in the Hollinger Recreation Hall on Tuesday evening, Oct. 26th, at 8 p.m., for discussion and organization of basketball for the coming season.

THE BATTLING BALKANS

The League Guardians of the Peace:—"When will they ever let us work in peace?" —L'Ére Nouvelle, Paris.

LAD MAKING RECOVERY FROM INJURIES RECEIVED

E. Donais, the ten-year-old lad who was badly injured around the head and face some weeks ago by kicks from a horse he was leading along the street, is now making the very best of recovery. Present indications are that the boy will soon be all right again and without any permanent injury from the accident. For some days after the accident the lad did not recover full consciousness, and even after he started on the way to recovery, he appeared to be suffering from a touch of paralysis. The specialists brought here from Toronto however, said that the boy would be all right, and during the past few days they have been proven correct in their reading of the case. The lad has recovered full use of his limbs and is now well on the way to being as well as ever. The shock sustained by the lad was a serious one, but due to the best of

skill, care and attention, he has made a fine recovery and will soon be fully all right again. The boy was injured a couple of weeks ago while leading a horse, the horse rearing up and thrashing round and in its jumping kicking the boy on the face and head.

SCHUMACHER CRIBBAGE CLUB AGAIN ORGANIZES

Monday evening saw an enthusiastic meeting when the hounds of the Schumacher Cribbage Club organized for the new season. The new executive was elected as follows:—Dr. Weston, president; R. H. Hall, vice-president; John McNeil, secretary. It was decided to start the tournament next Monday evening. Any cribbage player wishing to participate is invited to come along. Club meets every Monday and Thursday at 8 p.m. in the New Ontario Restaurant.

HIGH SCHOOL LITERARY SOCIETY'S NEW OFFICERS

Organization Meeting Held Last Friday. Plans for Hallowe'en Dance on Oct. 29th

The organization meeting of the Literary Society of the Timmins High School was held on Friday evening last in the High School gymnasium. The following officers were elected for the ensuing term:—

President—Sam Elies.
Vice-President—Ethel Allworth.
Secretary—E. Abrams.
Historian—H. Michaelson.
Poetess—Petronella M. Smith.
Editor—Minerva Levinson.
Critic—Jennie Farley.

Form representatives—1A., Bill Michalski; 1B., Irene Craig; 2A., Margaret Michaelson; 2B., Harold Craig; 3A., Justin Lafreniere; 4, Walter Boyle.

Plans are being formed for the annual Hallowe'en dance, to be on Friday, Oct. 29th. Invitations are being mailed to ex-students.

NO IMPORTANT CASES AT POLICE COURT THIS WEEK

At police court this week the most serious cases were those of I. Lewis, on forgery charges, and Jos. Markovitch, for attempted suicide. Both were remanded for a week. The Lewis case, it is understood, will likely be heard on Nov. 3rd. Markovitch, who is the man who slashed his own head with an axe, and created a lot of excitement Monday morning, was remanded so that his mental state could be ascertained. His case will be called again next week when the doctors will report on his condition mentally. Markovitch is now in the cells, having recovered sufficiently from the injuries he gave himself with the axe, to be able to be moved to the jail. He does not appear to have seriously injured himself after all.

Three special drunks paid double fee, \$20.00 and costs, while seven of the ordinary variety were assessed \$10.00 and costs.

One assault case was withdrawn, while another similar charge was remanded for a week. A theft case on the docket was also withdrawn.

MAY SUCCEED TO LEADERSHIP

Mr. Lloyd-George may become leader of the Liberal Party in Great Britain in succession to the Earl of Oxford and Asquith; at any rate he is given credit by the retiring leader for the present disrupted state of the party.

CLUB'S FIRST ORCHESTRA PLAYS AGAIN AT RAMBLERS

Ramblers Observe Second Anniversary of Club by Many Special Features.

A feature of the Birthday Dance of the Ramblers Club on Monday evening was the music furnished for three numbers by the members of the original Ramblers Club Orchestra, who played for the first dance of the Club at its formation two years ago. Another feature of the music was the music from three of the pieces popular at the time of the formation of the Club, and were played two years ago on the night the Ramblers first were formed.

An enjoyable evening was spent by the members of the Club on the occasion of their second anniversary. There was a good attendance and the music of the best. With the exception of the three numbers already mentioned the music for the dancing was provided by the A.S.D. Orchestra under the leadership of Ted Whaley. The usual dances were held with a Paul Jones under the direction of Mr. W. Cook, a Lucky Number Foxtrot and a Moonlight Waltz as very enjoyable extras. For the lucky number feature the prize winners were Miss J. Gauthier and Mr. E. Bredenberg.

Another feature of the evening was the large birthday cake, lighted with candles which was cut by the vice-president, Mr. W. L. Booth.

At the luncheon interval the president, Mr. W. H. Wilson, announced that the next meeting would be a Hallowe'en Guest Night. This evening was not a masquerade dance. The president wished this impressed on the members as there seemed to be some idea that the Hallowe'en Dance would also be a masquerade. This was not the case. The evening would be devoted to dancing with a number of special Hallowe'en features, but it was not a costume affair. The president also announced that Monday evening would be the last in which the Ramblers would meet in the Hollinger Recreation Hall. After Monday evening the weekly dances would be held in the Oddfellows' Hall on Spruce St. The first dance in the new hall will be on Monday evening, November 1st. All ladies of the Club will bring lunch for the Guest Night next week.

A very enjoyable evening was ended about one o'clock, the members voting the Birthday Party one of the best of the dances held yet.

HUMANE SOCIETY DOING EXCELLENT WORK HERE

There was a meeting of the Humane Society in the town hall on Friday evening last, with a fair attendance. The report of the inspector for the Society showed that an excellent work is being done in the town and district by the organization. Many cases are dealt with each week, most of them without police court proceedings, but all tending to educate people in general to give better care and attention to the animals they may have around them.

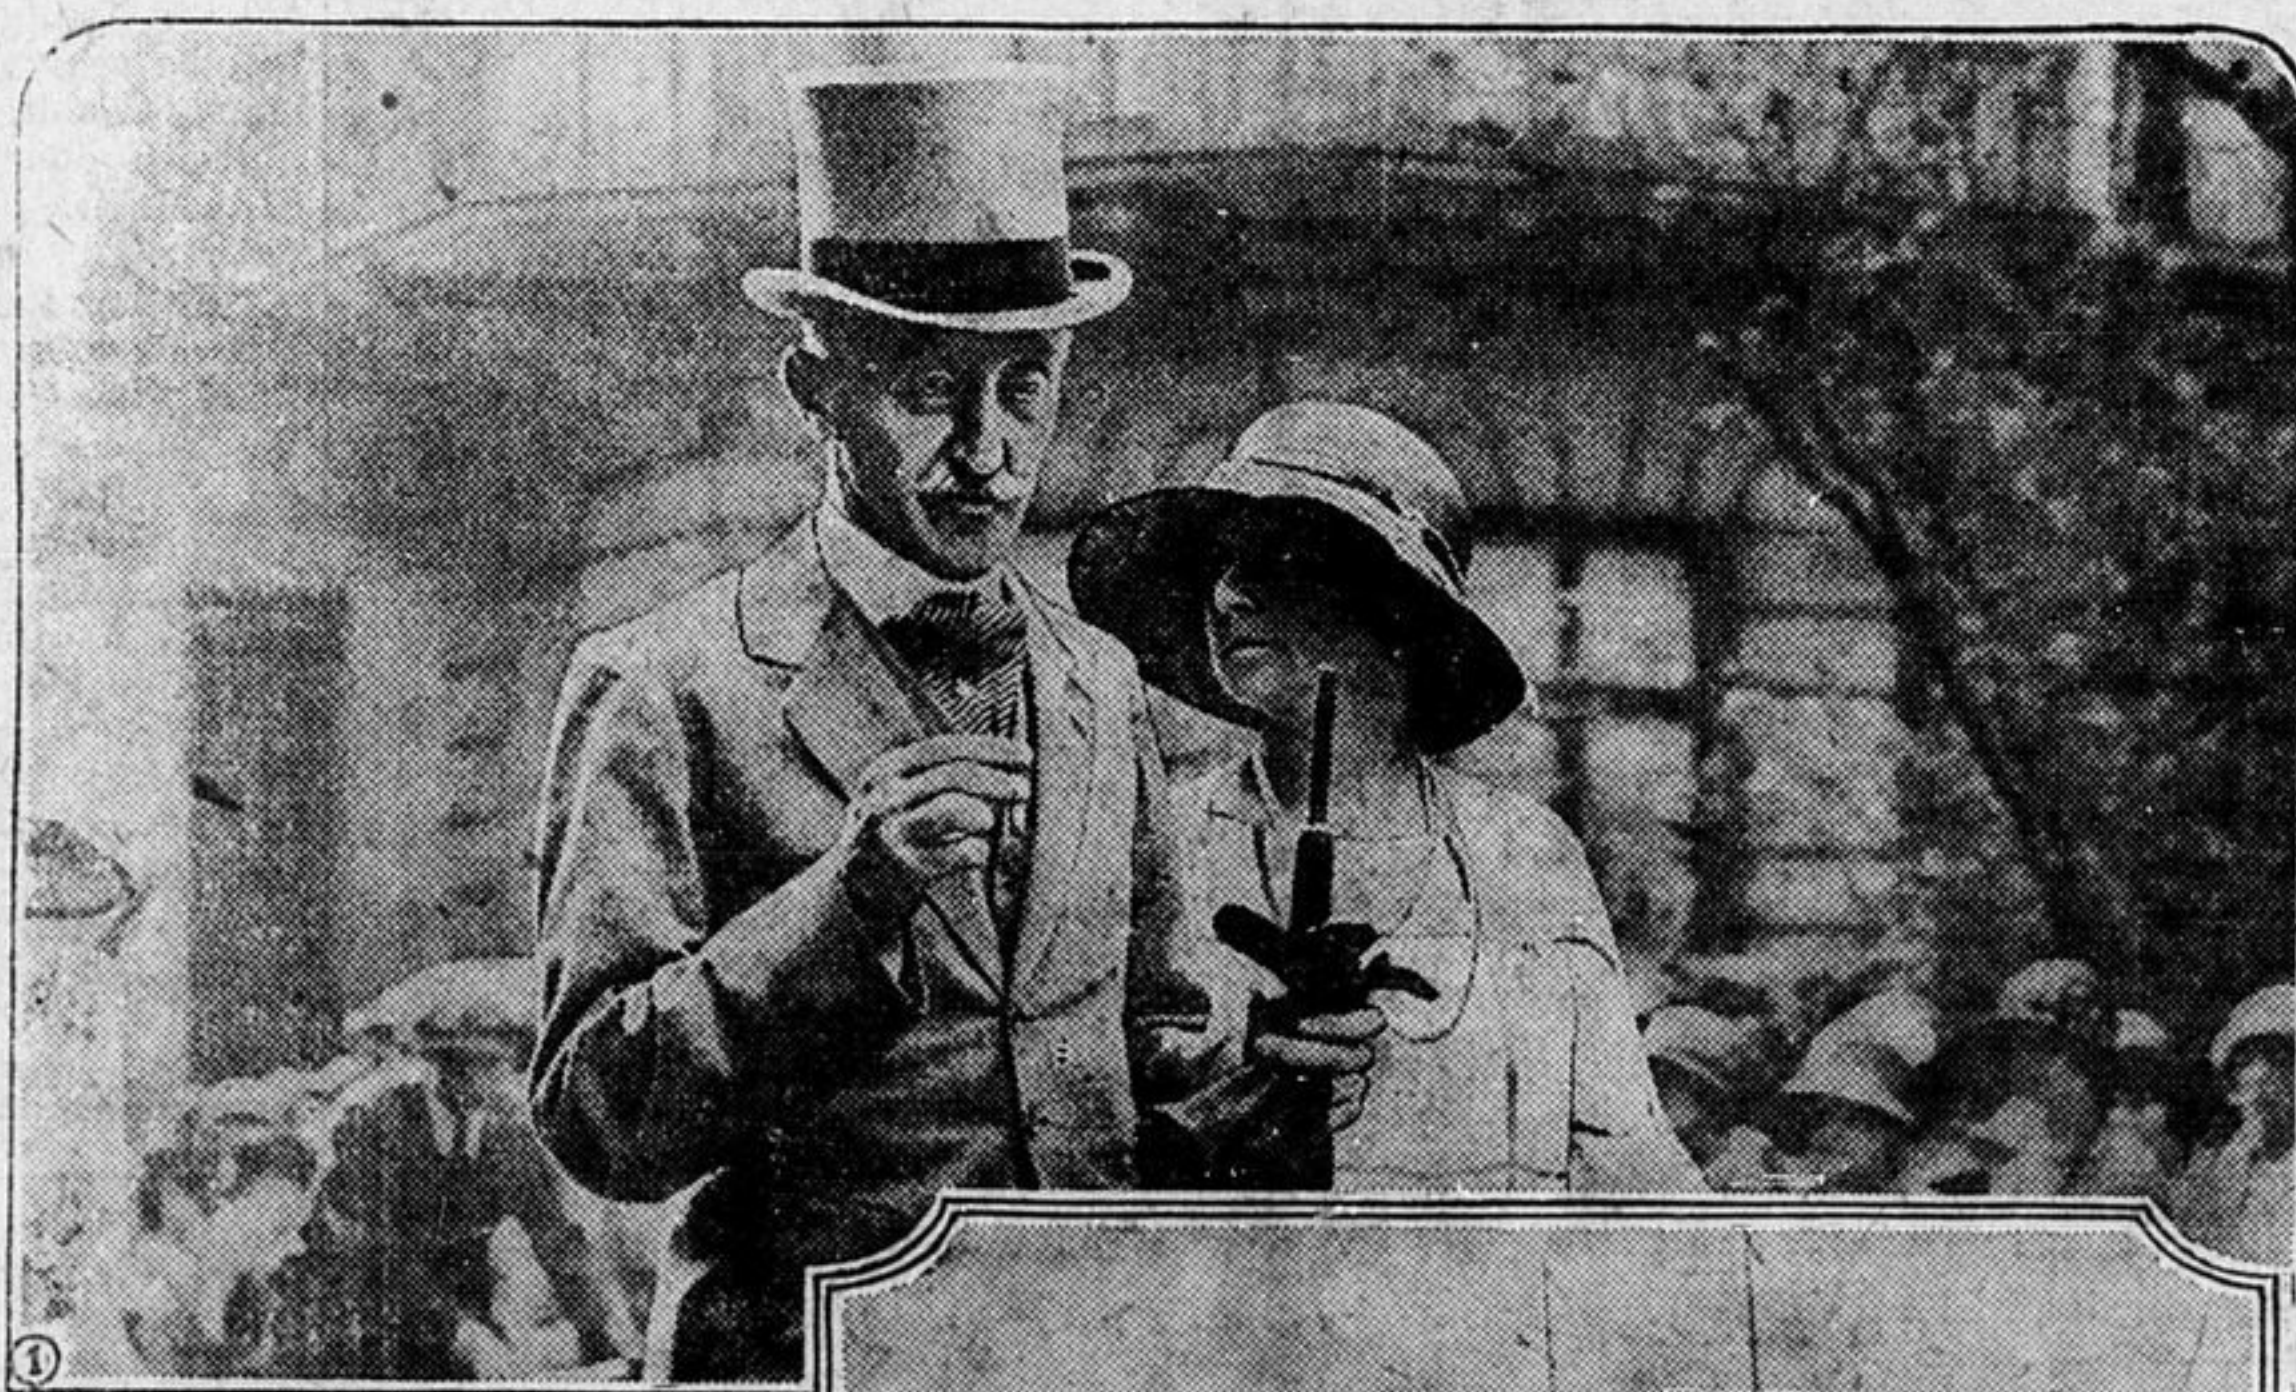

IT'S TRUE

There's many a good woman ruined, and many a good man too. By someone starting a rumor, and not a word of it true.

So, if ever you hear a statement of a woman's or man's good name, Believe it's a lie, and forget it, and never repeat it again.

Canada's New Governor-General Arrives

(1) Viscount and Lady Willingdon. (2) Empress of Scotland, on which the new Governor-General sailed for Canada.

Lord Willingdon, recently appointed Governor-General of Canada to succeed Lord Byns, received a hearty welcome to Canadian shores at Quebec City, where he and Lady Willingdon arrived at the beginning of October on the Canadian Pacific liner Empress of Scotland. They proceeded to Rideau Hall, Ottawa, the official residence of the King's representative in Canada. The news of the appointment of Lord Willingdon to the highest representative post in Canada has been accorded widespread approval both in Canada and in the Mother Country, and his arrival to Canadian shores has been greatly anticipated. That this anticipation has been mutual was confirmed by Lord Willingdon in an interview with the Press on board the Empress of Scotland, just prior to her departure for Canada.

"My experiences in Canada in earlier years were exceedingly pleasant, and I am looking forward with very much pleasure to my stay in Canada," Lord Willingdon stated. "I understand that a great part of the governor-general's duties is to get about the Dominion and see the

country for himself, and I am looking forward to many opportunities in this direction."

In 1913 Lord Willingdon was appointed Governor of Bombay, an appointment which he held until 1919, when he was appointed Governor of Madras. He returned from India in 1924. That his tenure of office in India was most popular was confirmed by the Diwan, an official potentate of the Indian Government who has recently been visiting in Canada and who opened the National Exhibition at Toronto this fall. The Diwan, a former Premier of the Cochin State of Southern India, became closely connected with Lord Willingdon regarding administrative matters. In tribute to Lord Willingdon the Diwan stated recently: "I am certain that the King's new repre-

sentative in Canada will prove very popular. His administrative ability was very highly regarded throughout India. He was Governor of Madras when the popular reformed system of government, a modified system of home rule, was established."

London bade a fond farewell to this popular English nobleman, when they left Waterloo Station for the Empress of Scotland. His Majesty the King was represented by Viscount Hambleden. Lieut.-Col. L. C. Amery, Secretary of State for Dominion Affairs, was present. Premier Baldwin was represented by Lt.-Col. Sir Ronald Waterhouse. Lady Willingdon's suite on board the liner was well-nigh smothered with flowers, these including a magnificent display of carnations sent from Premier Stanley Baldwin and Mrs. Baldwin.
