HALLOWE'EN GUEST NIGHT AT THE RAMBLERS CLUB

Very Delightful Event on Monday Evening of This Week. Club to Meet Hereafter at I.O.O.F. Hall

The Hallowe'en Guest Night of the Ramblers Club, held on Monday evening was another of the successful events of this Club. Despite the unpleasant weather there was a large attendance of members and guests and every one entered into the spirit of Hallowe'en and had a "rattling good time."

The pleasantest feature of the evening was the music furnished by the orchestra under the leadership of Ted Whaley. There were seven pieces to the orchestra on Monday evening and the insistent demands for encores was proof of the splendid dance music played.

The Hollinger Recreation Hall where the dance was held was artistically decorated for the event, the ladies and gentlemen of the committee looking after the decorations. The walls were lined with the traditional symbols of Hallowe'en.

The programme consisted of the usual dance numbers, with a moonlight waltz, a Paul Jones under the direction of Mr. R. Fraser and a lucky number fox trot as extras. For the last named dance the holders of the lucky number were Miss Ruby Mahon and Mr. R. Janes.

The usual enjoyable luncheon was served during the evening. This part of the programme was in the capable hands of Mrs. H. Plaunt and Mr. Doug. Brown.

During the luncheon interval the president, Mr. W. H. Wilson, announced that starting Monday, November 1st, and every Monday night thereafter, the Ramblers Club would hold their weekly dances in the Odd-fellows' Hall on Spruce St., North. The Hallowe'en Guest Night would be the last dance held in the Hollinger Recreation Hall. He also announced that Monday, November 8th, being Thanksgiving Day, and also the official holiday to observe Armistice Day the Club would hold another Guest Night to observe the conclusion of the Great War eight years ago. All members desiring to invite guests to the Armistice Guest Night are requested to have their names turned in by next Monday night, so that the invitations may be sent out during the week. The ladies initiated from A to O will bring lunch to the next weekly meeting of the Club.

One of the best of the evenings held by the Ramblers ended at 2 a.m. with the Home Waltz and the National Anthem. Next Monday the weekly dance will be held in the I.O.O.F. Hall.

MR. R. TORRANCE RETURNING OFFICER FOR THIS RIDING

In the list of returning officers appointed to act at the forthcoming Ontario general elections, and to whom writs, signed by the Lieutenant-Governor, were despatched last week, the following will be of special interest in this part of the North:—
Cochrane North—J. D. Mackay, Cochrane.
Cochrane South—Thos. Torrance, Timmins.
Nipissing—Wm. Martin, Jr., North Bay.
Sudbury—Alex Irving, Sudbury.
Temiskaming—Geo. Caldwell, Hailybury.

In response to a petition from some twenty-five merchants of Sudbury the town council of that town last week increased the peddlers' license fee to \$75.00 for those who pack, and \$100 for those using rigs or cars. The previous rates were \$10.00 and \$50.00 respectively.

SCHUMACHER CRIBBAGE CLUB OFF TO GOOD START

Feature of First Evening was the Playing of Chas. Pennie. Standing of Tournament.

The Schumacher Cribbage Club got off to a "wow" of a start Monday evening. In spite of the inclement weather and McIntyre pay day, there was a larger turnout of "Hounds" than was expected. The feature of the evening was the phenomenal playing of Chas. Pennie. He was the only player able to take a game from the leader and it was only extraordinary hard luck that prevented him from taking more. Chas. evidently is getting back to his old time form.

It is not too late yet to get into the tournament. Any "pegger" wishing to participate meet at the New Ontario Restaurant, Thursday or Monday at 8 p.m.

The following is the standing of the tournament:—

Name	W.	L.	P.C.
J. G. Reynolds	8	1	888
Joe McNeil	6	3	666
Dr. Weston	6	3	666
T. Burns	6	3	666
Jack McNeil	2	1	666
R. O. Smith	5	4	555
N. E. Graham	4	5	444
J. Campbell	3	6	333
S. McDougal	3	6	333
Chas. Pennie	1	2	333
R. Crawford	2	7	285

WILL THE BOYS PLEASE MAKE A NOTE OF THIS.

During the past few months motorists and others have been worried by the antics of boys on bicycles. One Timmins motorist pointed out some weeks ago that boys on bicycles and their attempted tricks were seriously wearing his nerves, and what he said will be echoed by nearly everyone driving a car. Carrying someone on the handle-bars, riding with one hand, and a score of other supposed stunts are serious dangers not only to the lads themselves, but to others. In none of these cases can the bicyclist have proper control of his wheel. Tragic illustration of the danger of trick riding was given at Ottawa last week. Edward Mather, aged 15, while riding on the handle-bars of a bicycle, received fatal injuries in a collision with an automobile. He was riding with a chum, Blythe McDonald, when the latter turned to one side to escape an oncoming car and crashed into the front of another car. Mather was thrown over the hood of the car and struck his head on the pavement. He died in the ambulance on the way to the hospital. Will the lads in this town who have been taking chances, now take warning from this tragedy? The dead lad's sister warned him only a short time before his untimely death that it was not a wise thing to ride on the handle-bars. He did not take the advice to heart. Will the lads here, take warning from the tragedy at Ottawa, which is only one of many such sad affairs, or will they persist in taking a chance until eventually tragedy comes into their own lives?

We can all get farther by improving ourselves than by trying to improve others.

FIRST SITTING COURT OF REVISION ON MONDAY

Appeals Against the Assessment Roll to be Taken Up On November First.

As noted in The Advance last week the first sitting of the council's court of revision on the assessment roll is to be held on Monday, November 1st, commencing at 10.00 a.m. After announcing a couple of previous dates for the court of revision, Monday has been selected by the council and this date appears to fill the requirements, allowing proper time for opportunity for examination of the assessment roll. It can not be too much emphasized that opportunity to examine the roll is very necessary for an equitable assessment. The objection by Mr. Langdon, on behalf of his clients, to the previous procedure was certainly well grounded. A man may know that his own assessment is not set at more than the actual value, and so have no cause for appeal on his own property, but if his neighbours are assessed on a half value or a quarter value basis certainly he is discriminated against as much as if he were assessed too high. To assure an equitable assessment, opportunity to examine the roll and compare assessments is essential. With the new date set for the court of revision, there is ample time for this examination. Again the hope is expressed that the new council, out of consideration for the town, will do all possible to expedite matters, and get the town back on a normal basis.

KEEP YOUR EYE ON ELLEN, SHE IS ABOUT TO ELOPE.

The next regular mid-week meeting of the United Church, Timmins will be held on Tuesday evening, November 2nd, at 8 p.m. in the basement of the church. All the young people of the congregation are cordially invited but along with the invitation there comes the cryptic advice:—"Keep your eye on Ellen. She is about to elope."

WOULD HAVE LABOUR CANDIDATE FOR RIDING

The following letter was received this week and speaks for itself:—
Timmins, Oct. 26th, 1926
To the Editor of
The Porcupine Advance

Dear Sir:—I notice in your issue of Thursday, the 21st, that you deal with the coming Provincial elections, and as a worker I hope to see a Labour candidate contest this constituency, as in my opinion the workers are in the majority and should have representation, if they only exercise the franchise. Some say we are not capable of going to parliament, but this is not so, since you will agree with me that the Hollinger Consolidated Gold Mines has been instrumental in bringing to this constituency some of the ablest of men, and we have proof of this in Mr. George Parsons who so ably defended the workers over the Poll Tax.

I am, dear sir,
Yours faithfully,
Patrick Fay.

CRITIZES LLOYD GEORGE'S RECORD

Sir William Robertson, Chief of the British General Staff, during the war, has some severe criticism of Lloyd George's premiership in his book, "Soldiers and Statesmen." Lloyd George, he says, did not think highly either of Haig or Foch as military leaders.
