THE BOARD OF HEALTH

Delightful Musical Event at South Porcupine Last Wednesday

Pupils of Birrell Bell Please Large Audience With High-Class Programme. Happy Hallowe'en Parties at South Porcupine and in the District. Youngster Drinks Some Embalming Fluid, but is Recovering Nicely.

South Porcupine, Nov. 3rd, 1926. Special to The Advance.

Mrs. H. Owens has returned from a business trip to Toronto.
Mr. G. Wilson, of Toronto, is in town on business for the Canadian General Electric.

Born—In Copper Cliff at the home of Mrs. Deacon's parents to Mr. and Mrs. Wilfred Deacon on Saturday, October 30th.—a daughter. Congratulations.

Mr. A. McKelvie, of New Liskeard, was in camp this week.

Mr. and Mrs. R. Gagnon, of New Liskeard, are the guests of Mr. and Mrs. Wm. Gagnon.

Mrs. Leal and her son, Frank, have moved into Mr. Forster's house on Bloor avenue lately vacated by Mr. and Mrs. Pike.

Quite a good sized addition is being built at the rear of the Canadian General Electric building, and a hot air heating system is being installed. Cassidy, Craik and Farley have the contract for the building. Smith and Elston are installing the heating system.

Mrs. E. J. Jamieson is home from Toronto much improved in health.

Mrs. M. Thomas has returned from Toronto where she was attending court during the litigation re the Triplex Mine. We understand that this mine is now on a footing that will enable it to go ahead with its development on a much more satisfactory basis.

Born on Monday, November 1st., to Mr. and Mrs. Henry Miller, South Porcupine—a daughter. Congratulations.

Mr. Jerry Reed, of the Dome Mines, has left for Montreal there to take a position with the Northern Electric Power Co. for which firm he is to play hockey this winter in the Industrial League.

Miss Jennie and Annabelle Taylor gave a very enjoyable Hallowe'en party on Friday night last at their parents' home at the New York Porcupine Mines. Many of the real old-time Hallowe'en games, etc., were enjoyed and their young friends departed feeling what delightful hostesses these two young girls made.
Mr. Clarence Armstrong, of Barrie,

was a week-end visitor to town.

Mrs. J. C. Roy, of Peterborough, is visiting her son, Mr. Ernest Roy, Bloor avenue, for a few days before taking up her residence in Timmins.

The kiddies of the town were entertained at a free matinee on Saturday afternoon at the Majestic Theatre and hereby express their thanks to the management for the good time enjoyed.

Mr. Oscar Henderson left Thursday for a visit to Montreal.

Mr. and Mrs. Don Eames, of the Dome Extension, entertained about forty young people from the Dome and South Porcupine at a very enjoyable Hallowe'en party at their home at the Dome Extension on Saturday evening last. The house was beautifully decorated for the occasion, witches, pumpkins, Jack-o'-Lanterns all being in evidence. The prizes were Hallowe'en favours. In the lucky number dance Mr. Ernie Jones and Miss Rose Burns were the winners, and for pinning the tail on a donkey Mr. Jerry DeRoche and Miss Betty Pearce proved the most skilful.

At the police court on Thursday three drunks paid the usual \$10 and costs; one case of drunkenness was adjourned; one citizen was charged with having liquor in other than his private dwelling and was fined \$500 or given three months. The fine was paid we understand. Another charge of having liquor for sale was changed to that of having in a place other than a private dwelling and another fine of \$500 levied.

Miss Irene Wilson, who went down to attend Whitby Ladies' College last Wednesday, unfortunately was forced to return on Sunday. She was unable to take the gymnasium work which is compulsory in the college owing to being under the doctor's care for goitre, and those in charge at the college thought she might better wait a while longer before taking the course of study which she contemplated.

Hallowe'en passed off with the usual number of pranks which are practically harmless and we hear, with a few more for which the perpetrators ought to be soundly punished if they are found out. Pranks which

entail heavy loss or inconvenience to people cease to be funny.

A very enjoyable dance was given by the Masons of South Porcupine in the High School Hall on Thursday October 28th. Ted Emery's ten-piece orchestra furnished the finest of music. Quite a large number of brethren from Schumacher and Timmins were present with their ladies to enjoy this annual event of the Masonic Order here.

Miss Maude Carne, of the Dome Extension, last week received word of the death of Mrs. M. Knutson's sister at Waterville, Quebec. Some time ago Mrs. Knutson left to take care of her sister who has been an invalid for quite a while. Elaine, her little three-year-old daughter, accompanied her and in some manner this little child got hold of some of the embalmer's fluid and drank it. She was rushed to the hospital and the stomach pump used. For a while her life was despaired of but at time of writing we hear that she is making good progress towards recovery. Her many friends here will sincerely sympathize with Mrs. Knutson in her bereavement and also in her anxiety over her little daughter.

Mrs. Phillips, of Kirkland Lake, formerly dressmaker at the Bonnet Shop, is a guest at the home of Mrs. Garrety this week.

Mr. W. Taylor, of the Dome Extension has moved his family to the Clifton Porcupine property.

We are sorry to report Mrs. T. Lang, of the New York Porcupine, as quite ill with tonsillitis.

Mrs. P. Richards and baby daughter have left the hospital and are now at their home at the Dome Mines. Mrs. R. Bowes expects to get home from the hospital on Thursday.

Mr. H. Mullins, of Schumacher, has taken a position in Sky's store here.

On Friday evening Mr. Freddie Forster entertained about thirty of his young friends from various parts of the camp at his parents' home on Bruce avenue. The Dome orchestra supplied music for the dancing. The house was very tastefully decorated in keeping with Hallowe'en and many of the Hallowe'en games and tricks were enjoyed. Miss Evelyn assisted her mother in looking after the comfort of their guests and a very jolly time was enjoyed by all.

On Wednesday evening, Oct. 27th, the Majestic Theatre was packed to capacity, the event being the concert party given by the pupils of Mr. Birrell Bell. An orchestra consist-

ing of some twenty-five violins besides clarionets, saxophones and cornets, responded with a marvellous precision to the directing of Mr. Bell and the harmony produced was a pleasure and surprise to all who listened. Ability in leadership as well as skill in music must certainly be the characteristics of one who could bring an orchestra of this size composed largely of children to the perfection which this orchestra displayed. Mr. H. Mullins in kilts and sporran, as Harry Lauder's opposition, added the comic touch to the evening's entertainment, with his broad Scotch and witty humour. Little six-year-old Grace Murray, of the Dome Mines, was the youngest of the performers and her violin solos accompanied by her sister, Lena, also a very young musician, at the piano, were a revelation to the audience. Miss Minnie Levinson of South Porcupine, was loudly applauded as she appeared and her violin solo, "Berceuse de Jocelyn," justly merited it. Master Will Shubb of Timmins, gave his violin solo, "Polish Dance," in a truly masterly manner for his age. Misses Francis and Mary King, of Golden City, truly captivated the audience, first with their "Irish Jig" and later in the evening in their Dutch Dance. The dancing of these two little girls is already so popular that there does not remain much more that can be said about it. A string quartette composed of Mr. and Mrs. Birrell Bell, Masters Willie Shubb and David Payne, was loudly applauded and the musicians had to respond with more. Mr. Bell's own two numbers displayed his wonderful mastery of the violin. First in "Souvenir" by Frank Brabla, then in the very technical and difficult—"Obertass," by Wieniawski, he held the audience, listening spell-bound till the last note was played, interpreting to them the very spirit of the composition. The various numbers by the orchestra, as well as the numerous encores insisted upon, were all music of a superior class and far removed from the ordinary jazz type of performance.

Don't forget the concert by the High School pupils on Friday night. The C. G. I. T. girls of the Dome Mines held a very pleasant Hallowe'en party at the Old School at the Dome on Friday evening. Several of their young friends were invited to participate in the evening's frolics.

QUEEN OF RUMANIA WELCOMED TO MONTREAL

A warm welcome awaited Queen Marie of Rumania, when, with Princess Ileana and Prince Nicholas, she stepped from the royal train on arrival at Bonaventure Station, Montreal. Cheering thousands lined the route which the royal party took from the Canadian National station to the City Hall where a reception

was tendered by the city, and again as the party drove through the streets of Canada's metropolis on their visits to universities, convents and other places. Photograph shows Her Majesty as she left her train at Bonaventure Station, accompanied by Prince Nicholas (left), and Alderman Brodeur (right). Lower left: Prince Nicholas as he drove the powerful Canadian National locomotive which hauled the royal train; Right: Her Majesty, Princess Ileana and Prince Nicholas on the rear platform of their car attached to the Canadian National Railways train which carried them across Canada.
