

BIG SAVING FOR MOTORISTS

We wish to announce to the Motoring Public of this District a change in our method of doing business which we trust will meet with the approval of our many customers

On and after November 1st

we are putting our business on an

Absolutely Cash Basis

It is readily understood that in doing a credit business, extra expense is entailed, namely, in looking after books of accounts, collections, etc., and the customer is paying approximately 9 per cent. for this accommodation or convenience.

However, in order to make it convenient for our customers, we now have a plan which we hope will meet with your approval. It is not only a convenience, but will give you the benefit of a **CASH DISCOUNT OF OVER 9 PER CENT.**

We now have ready for sale
\$11.00 Cards for \$10.00

These are good for
GAS, OIL, REPAIRS, PARTS, ETC.
