**"JUVENILE NIGHT" PLEASURES LARGE AUDIENCE SUNDAY**

Programme of Particular Merit at Band Concert Event in the Goldfields Theatre.

Sunday evening's band concert in the Goldfields Theatre, after the church services, was 'Juvenile Night,' the programme, apart from the band selections, being provided by talented young people of the town. There was a large attendance and all were delighted with every number on the programme. Miss Bertha Boutin, the first young artist on the programme, showed a talent as a pianist that won unstinted approval. She was warmly encoered and well deserved the recall, her second number being equally well given and appreciated. Miss Meredith was another young pianist whose gifted playing was greatly appreciated and won on merit the enthusiastic recall given. The third pianist on the programme Bandsman Carl Johns, showed that his musical talent was not confined to band instruments but that he was also a piano player of more than passing ability. His piano selection was "Miserere," from "Il Trovatore," and all were pleased with his presentation of the number.

The programme included also three young violinists of striking gifts. Little Miss Grace Murray, a tot of six or seven played "Valse" in very effective way, and won the heartiest of appreciation. The audience insisted on a second appearance that was equally appreciated. The little girl handled the violin in a way that proved unusual natural ability and capable teaching. Her sister, another gifted young musician, added to the effectiveness of the selections by her capable accompaniments on the piano. The violin solos by Jack Neilson as usual were a genuine delight to all lovers of good music. The selections were attractive classics, played with a musical appreciation that made them outstanding numbers on the programme. Mr. R. R. Johnston played the accompaniment for the Jack Neilson selections. "The Polish Dance" was the first violin solo by Master Willie Shub, and it proved so popular and appreciated that a second number was insisted upon. Master Shub sustained his growing reputation as a violinist of more than usual ability, and his numbers pleased the audience very much. Miss Payne played the accompaniments.

Bandsman Carl Johns, the youngest member of the Timmins Citizens' Band, won very deserved approval by his effective cornet solo, "Wiederkehr," a most attractive number given with special talent. Among the particularly popular numbers of the evening were the whistling solos by Master Lucas. This boy is a genuine artist in his line, and won very sincere appreciation for his talented work. One of the evening's extra specials was the recitation by little Miss Mem. Jones, a youngster of eight or nine years. This little lady is only recently come to Canada from Wales where she was a pupil of Mr. Cheehey, teacher of elocution. His pupil did credit to him and to herself by her able work Sunday evening. A clear voice, perfect enunciation and a sympathetic understanding of her selections, made her recitation a genuine delight to all. She received the warmest appreciation and applause.

The chairman took occasion to compliment the young artists on their talent and ability and their teachers. —Messrs Johnston and Birrell Bell, and Mrs. Wilkins and Mrs. J. W. Faithful,—on the noteworthy progress being made by their pupils. The Timmins Citizens' Band, under Bandmaster Wolno, fully upheld the high musical standard of the programme in the band selections given, the march, "Washington Greys"; the selection, "Der Wildshutz"; and the march, "Queen of the North," were very pleasing numbers presented with talent and effectiveness. The next band concert will be on Sunday evening, Nov. 21st, after the church services. It will be another of the National and County Nights,—"Italian Night."

**SCHUMACHER CRIBBAGE CLUB GOING ON STRONG**

Two Timmins Men Head the List but Will Have to Travel to Hold Their Places.

The holiday saw most of the hounds heading down the homestretch in the first tournament. Shaw, a newcomer, on Thursday set a dizzy pace for the old-timers and when he was through with the night's playing had a record of 14 wins in 15 games. The surprise of the evening was the downfall of Mr. Pennie. Chas. hit an awful slump; he found it impossible to get his pegs a-going—the result was the Schumacher tailor dropped a few stitches in the standing.

The holiday saw many reversals; Pennie, out to make amends for his previous losses, stepped into Dr. Weston and when the smoke had cleared, Chas. was all smiles—with two wins to his credit. This was somewhat to be expected as you can't keep a good man down. Shaw, after his good record on Thursday, "hit the toboggan" by losing six straight; 3 each to Reynolds and Cuthbertson. The latter provided the most prominent feature of the tournament to date. After getting off to a very bad start he has won 19 of his last 27 games, rising from twelfth to a tie for third.

Standing to date in first tournament:—

The annual meeting of the Northern Ontario Hockey Association will be held at North Bay on Saturday of this week, Nov. 13th.

A bazaar and tea, under the auspices of the Girls' Club of the United Church, Timmins, will be held in the church basement on Saturday, Dec. 4th. All kinds of fancy work and knitted goods will be included in the articles for sale.

Messrs G. Lee and A. Young are back from their hunting trip near North Bay, with full bags of game each. Mr. Young shot one of the biggest bucks ever seen in the North Bay district. It roused the admiration of all seeing the magnificent specimen.

His hosts of friends in the town and district are pleased to see Mr. W. G. Smith back to town again apparently recovered in health and strength. He has been under the care of specialists in Toronto for some weeks past. They credited the bad condition of his eyes to trouble with his tonsils, and so operated on the tonsils. The operation was evidently successful as the eye trouble now appears to have passed away.

**LADIES' NIGHT FRIDAY AT THE CALEDONIANS**

Varied and Interesting Programme Prepared for the Event, and a Good Time Assured for All

Friday (to-morrow) evening is Ladies' Night at the Caledonian Society. The meeting will be held in the Hollinger Hall, and will be open to members of the Society and their friends invited in due form. The success and enjoyment of previous Ladies' Nights is a proverb in the Society, and it is expected that this week's meeting will be even more pleasing than the previous Ladies' Nights. The special programme prepared by the Ladies' Committee includes a number of specially interesting items. Among these may be noted:—Whistling solos, by Master Lucas; musical monologues, by Mr. Kearney; T. Fisher, comedian; solos by Miss Maxwell; solos by Mr. W. Pypier.

In addition to the musical and literary numbers there will be the usual good line of refreshments, as well as dancing. Under the new rules of the Caledonian Society the meetings are open only to members and invited guests, cards for the latter being obtainable from the Secretary or from officers of the Society.

**RAMBLERS' CLUB THIRD ARMISTICE DANCE EVENT**

Successful and Enjoyable Event on Monday Night. Coming Features of Club Meetings

The Ramblers Club held their third Armistice Dance in the Oddfellows' Hall on Monday evening, when about eighty-five couples enjoyed a very pleasant time to the splendid music of Ted Whaley's orchestra.

The decorations were tasteful and appropriate and reflected great credit on Mr. Eric Bredenberg and his assistants.

The refreshments were also up to Ramblers' standard and were served to the large crowd with excellent smoothness. Mrs. C. F. Clark, Mrs. H. Plaunt and Mrs. K. J. Blow were in charge.

The President, Mr. W. H. Wilson, extended a hearty welcome to the visitors and announced the following club meetings for members only:—

Monday next, Nov. 15th, will be a "Hard-Time" Dance. Two prizes will be given to the lady and gentleman attending in the hardest and toughest of hard-time costumes, and any member coming in "glad rags" will be "persecuted" and fined to the utmost limit of the law.

Monday, Nov. 22nd, will be the usual dance night with special feature dance numbers, and Monday, Nov. 29th, will be a Juvenile Party.

The President announced that the club membership was almost full, many new members having been admitted during the past two weeks, and the club is nearly at full strength, an auspicious start for the coming season.
