**Brass Saxa-Tone
Arm and
Reproducer**

and what it does from a customer's viewpoint

This latest invention is an instrument costing \$15.00 which does the work of expensive machines ranging in value from \$150 to \$500

You no doubt know or have heard of the wonderful new phonograph using the latest type electrically recorded records. Everyone concedes it is a marvellous revelation in musical reproduction.

The Saxophonic can be instantly attached to the old style phonograph and will actually accomplish results similar to the latest machines costing from \$150.00 to \$500.00

The Saxophonic doubles volume and reproduces both high and low notes. Faithfully recording music in a manner never accomplished heretofore. The extreme high and low notes having been incapable of reproduction.

**Boys' Parliament Candidates
Explain Their Platforms**

Young Men Running in This Riding for the Older Boys' Parliament of Ontario. The Candidates, M. Bucovetsky, South Porcupine, and Jack Cuthbertson, Timmins, Appeal on Well-Defined Platforms.

Just to prove that the older men are not the only ones that can have a heated election, there is a brisk political battle in progress in this district among the older boys. It is the contest for the election of a representative to the Older Boys' Parliament of Ontario which will meet at Toronto next month. This is now a yearly feature, and no doubt the boys are the gainers through the contest. It may be said, too, that older men might learn much about the better way to run elections by noting the good sportsmanship shown by the boys in their contest. For instance, the main plank in J. Cuthbertson's platform, if adopted, would mean that his South Porcupine opponent would be doubtly secure in his standing in the organization. On the other hand, M. Bucovetsky has a generous platform of service, anxious to help others and do his part, without suggestion of unkindness to anyone. Of how many ordinary elections can the same be said?

The campaign for the election of a member for this district for the Older Boys' Parliament is being conducted with keen, but friendly rivalry. The contest promises to be close and exciting, but it is all good sport, and no matter which candidate wins the riding will be well represented.

The Advance has much pleasure in giving the platform of each of the candidates.

M. BUCOVETSKY'S PLATFORM
To the C.S.E.T. voters of the Porcupine District:

The following is my platform, to which I promise to faithfully adhere:

1. I will, if elected, attend every part of the session of the Older Boys' Parliament.

2. I will work hand in hand with the other members of the Older Boys' Parliament and with the Cabinet. This will be to assure the proper functioning of the Parliament.

3. I will endeavour to the best of my ability to obtain the publishing of a Magazine for the Canadian Standard Efficiency Training, to be written for the members of the Organization, and by the members. Such a magazine would bind the different parts of the Organization throughout Canada together, and

thus would serve in the best interests of the Organization.

4. I will work my hardest to bring about greater Brotherhood in the Organization, by obtaining more rights for the non-Evangelical members of the Organization.

5. I promise to bring to the attention of the Parliament anything that a Trail Ranger or Tuxis group, anywhere in the District, will ask me to, and to work in its interest.

6. I will work in the interest of all groups in the District, whether from the East or West end, fearlessly, and favouring none.

Hoping to be able to serve you at the next session of the Older Boys' Parliament, I am,

Believe me,

Your faithful servant,

M. BUCOVETSKY.

J. CUTHBERTSON'S PLATFORM
To the Voters in the Election for a member of the Boys' Parliament:

My platform is as follows:—

1. To have the statements in the Proclamation regarding being a member of an Evangelical church, either enforced or eliminated. With regard to this, I am in favour of a change, allowing a member of any church (or at the least, the member of any Christian church) to be eligible to sit in the Older Boys' Parliament.

2. I urge greater co-operation between Northern and Southern Ontario Boys' Work. (This, to my mind, is lacking, and I believe it is vital for the success of the movement.)

3. I might also include this: I think co-operation between other Christian Boys' Organizations and the C.S.E.T., and also with the Canadian Girls in Training, would be in keeping with the World Brotherhood Movement.

4. I am also a supporter of the aforementioned World Brotherhood Movement.

5. To obtain new badges and simplification of present badges to suit the needs of Northern Ontario. This includes the addition of badges concerning the mining, lumbering, papermaking and trapping industries. The athletic tests should be lightened for Northern Ontario where proper coaching and training are not available.

Yours Sincerely,
JACK CUTHBERTSON.

**MINES HOCKEY LEAGUE
ORGANIZED FOR SEASON**

Four Teams in the League, and Prospects of the Brightest for Good Sport

The meeting held in the town hall on Monday evening to organize for Mines League Hockey for the season was well attended, all the clubs throughout the district being represented, and the meeting being one of good will and enthusiasm. There were about fifteen or twenty representatives present, each part of the camp being represented. Mr. E. Jamieson was asked to take the chair, and conducted proceedings in effective manner.

The election of officers resulted as follows:—

President—Geo. Lake, Timmins. Nominated by Messrs. D. Briden and I. Solomon.

Vice - President — Mr. Richards, South Porcupine. Nominated by Messrs. Briden and Raynor.

Secretary-Treasurer—H. W. Hooker, Timmins. Nominated by Messrs. Briden and A. Boyd.

The representatives from the various clubs to act on the executive were elected as follows:—Schumacher, D. Briden; South Porcupine, E. Jamieson; Hollinger, R. L. Fraser; Timmins Juniors, name to be given later to the League secretary.

There will be four teams in the League,—Schumacher, South Porcupine, Hollinger and Timmins Juniors. The schedule of games for the season will be drawn up later.

There was a general discussion on hockey with much interest shown and the evident intention to make the Mines League Hockey a big feature this season.

The outlook for good sport in the Mines League this season is the very best. There are lots of good hockey players in the camp and four strong teams can be put on the ice with a succession of good games and good sport.

At a meeting of the executive of the local Victorian Order of Nurses, it was decided to hold regular monthly meetings on the third Monday of each month, beginning with December.

Under the auspices of the Girls' Club of the United Church, there will be a bazaar and tea in the basement of the church on Saturday, Dec. 4th. Fancy work and knitted goods will be specially well represented in the articles for sale.

What do children eat?

Are you "stuffing" them with white flour bread, potatoes and pastry? You can't build sturdy, robust boys and girls out of carbohydrates alone. They need the proteins, mineral salts and vitamins in the whole wheat grain. They get all of them in SHREDDED WHEAT. It is the whole wheat made digestible by shredding and baking—the most perfect process ever devised for preparing the whole wheat berry for the human stomach. No one has been able to improve upon or even approach our process. Each shred of whole wheat is crisp and thoroughly baked. Nothing so good for children as these little loaves of crisp, oven-baked shreds of the whole wheat. Delicious with hot or cold milk or served as a toast with butter.

Most food for least money

**DR. LEWIS LEFT LAST WEEK
TO RESIDE IN THE SOUTH**

Dr. Lewis left last week for a visit to his home at Orangeville, Ont., after which he will go to the United States where he will take up practice. Dr. Lewis made hosts of friends by his talent and attention as a medical practitioner and by his high qualities as a man and citizen. He will be much missed here and there will be very sincere good wishes for his success in his new sphere.

**REV. J. D. PARKS TO SPEAK
AT CALEDONIAN SOCIETY**

The regular meeting of the Caledonian Society of Timmins in the Hollinger Recreation hall on Friday evening of next week, Nov. 26th, will be observed as St. Andrew's Night. The big feature of the evening will be an address on St. Andrew, Scotland's patron saint, by Rev. J. D. Parks. The clever little dancers, Misses Helen Chisholm, Margaret Easton, Maisie Roberts and Margaret Geils will present Highland dances. Other interesting numbers are expected.

The township of Tisdale is one of the thoughtful municipalities of this North adopting the plans of not having its municipal elections during the holiday season at the end of the year. Nominations in Tisdale this year will be on November 29th, and elections, if required, on the following Monday, Dec. 6th.
