Mr. Surrey, mill superintendent at the Ankerite, is on a holiday in South Ontario. It is reported that he will not return alone. Before leaving several of his bachelor friends gave him a rousing send-off in the club house at the Ankerite.

Born—At the Dome Extension on Wednesday, November 17th, to Mr. and Mrs. H. Libby—a daughter (Irene). Congratulations.

Mrs. A. Hogg and little son, Allan, are returning this week to their home at the Dome Extension after an extended holiday in London, St. Mary's and St. Thomas.

Among the latest to install a radio

at the Dome Extension is Harry Costain. He thinks he will be able to compete in long distance reception with the famous Porter, Varker and Lloyd instruments. We were told by one radio fan that he got California the other night and heard Mr. and Mrs. Bill Parnell at a dance there.

Master Jimmie Phillips, who is in a hospital in Toronto, writes that he was very much pleased to hear from all his schoolmates in Miss Dick's class at the Dome School. Jimmie feels that over 500 miles is quite a distance to be away from mother and daddy with Christmas getting so near. We all wish him a Merry Christmas and hope he will soon be back to join his playfellows at the Dome again.

Mr. and Mrs. N. Henry have again taken up housekeeping at the Dome Extension. Their many friends rejoice with them in Mr. Henry's recovery from his long siege of serious illness.

A bus load of twenty-five or more Cornish people journeyed from the Dome to Timmins last Saturday night and report a jolly good time there.

Mrs. Jas. Hogg and two children are leaving this week for Galt, there to spend the winter at the parental home.

Messrs. W. A. Andrew and Clifford Brooks were expected back from their moose hunt last evening. They were some twenty miles out from Timmins.

Among those from the Dome who are in Cochrane to-day for the assizes are Messrs. F. Horne, S. Crawford, O. Spiers, J. Radcliffe, B. Forster, W. Jeacles and others.

On Tuesday last, Capt. Debney, Deputy-Commissioner of the St. John Ambulance of Ontario, presented the medals to the winning team, at the Dome. The presentation took place at the old school. These medals are a small replica in sterling silver of the George Wright Shield won by the team. If this team win many more medals it will be up to the community to present them with extra watch chains on which to hang them. Capt. Debney is inspecting the first-aid work at the Dome this week and we hear that all members of the class are progressing very favourably.

Don't forget the dinner of the Anglican Church at the Masonic Hall next Monday. From the menu we heard discussed at the home of one of the ladies in charge of the dinner our mouth is already watering in anticipation of the good things to eat.

The "Arrival of Kitty" as given by the Young People's Society of the United Church, was a decided success. The Majestic theatre was nicely filled and the financial results are pleasing to those interested. Those taking part were:—Misses Gertrude Snyder, Ida Percival, Jessie Ferguson and Vera Dick, and Messrs. Ken McDougall,

Buster Smith, Nelson Gagnon, George Starling and Cye Dodgson. The parts were all well-prepared and cleverly taken and there was a pleasing absence of any need for prompting. The acting of Mr. Cye Dodgson has been particularly commented upon as well done.

Mrs. Mattice, of Niagara Falls, is visiting her sister, Mrs. Heggart, and her mother, Mrs. Cox, who is quite ill. It was the intention of Mrs. Mattice to take her mother back with her to spend the winter in the milder climate down south, but just at present she is not well enough to stand the trip.

To-night, Tuesday, a large number of members of O.E.S., No. 84, South Porcupine, intend travelling to Timmins to pay a sisterly visit to the Chapter there, the occasion being the official visit of the Worthy Grand Matron of the Grand Chapter.

Mr. and Mrs. B. D. Kelly are expected to-night from Toronto, where Mr. Kelly has been undergoing treatment which we understand has been successful. They will join their little son, Jimmie, at the home of Mrs. Kelly's mother, Mrs. A. MacDougall, and spend a while there before going on to their home in Timmins.

Mrs. Sheppard is very seriously ill at her home on Bloor Ave, but we are pleased that some improvement is reported to-day.

Mr. Ravinsky and son have been guests at the home of Mr. S. Sky.

A very enjoyable Band Concert was given on Wednesday, Nov. 17th by the Porcupine Goldfields Band. The attendance was much better than usual and all are pleased with the progress of the Band under the able leadership of Bandmaster Bridges. In addition to the well-rendered selections by the Band, Bandsman Fisher favoured the audience with a solo, replying with an encore. The Whistling solo of Master Arnold Lucas was a thoroughly enjoyed innovation while the Charleston as danced by little Miss Rosie Lucas was decidedly charming. The Band expect to give another of these enjoyable concerts soon.

Mr. J. Donald, of Cornwall, has recently arrived to take over the photo studio of Tomkinson Bros. here so that you can now get that "physiognomy" of yours taken to send your friends for Christmas.

Mrs. A. Fenato, of the Dome Mines, leaves on Wednesday, Nov. 24th, for Venice, Italy.

Mrs. Elliot, of Iroquois Falls, visited her sister, Mrs. Heggart, and her mother, Mrs. Cox, on Tuesday.

The L.O.O.F., South Porcupine, celebrated its twelfth anniversary on Monday, Nov. 22nd, by a Social time for themselves and the Rebekahs. Several brothers and sisters from Timmins paid them a fraternal visit. Cards were indulged in, the lucky participants being:—Ladies' first, Mrs. W. Thomas (Connaught Hill); second, Mrs. McWilliams, (Dome Mines); consolation, Mrs. W. H. Wilson; gents' first, Mr. T. Gibbons; second, Mr. P. Varker; consolation, Mr. Anthony. The luncheon, under the charge of Mrs. Thos. Wilson, was particularly good and has been commented upon as being "one of the best ever" in a hall famous for its good to eat.

The voting for the Boys' Parliament is to be held under the direction of Rev. F. Bain at the Manse on Saturday from 2 p.m. to 6 p.m. The contestants are Maurice Buevetsky, South Porcupine, and Jack Cuthbertson, Timmins. All members of the Trail Rangers and Tuxis Boys have a vote, so don't forget the time and place and do what you can to send the boy you want to represent you, down to Queen's Park, Toronto, for the Boys' Parliament in December.

The anniversary services of the Anglican Church take place next Sunday. There will be three services;—Holy Communion at 11 a.m.; a children's service at 3 p.m., and the regular service at 7.30 p.m. All will be in charge of Rev. Griffith, of Iroquois Falls.

On Sunday evening last little Miss Molly Richards, the tiny daughter of Mr. and Mrs. P. Richards, of the Dome Mines, was christened by the Rev. Archdeacon Woodall, receiving the name of Molly Martha Elizabeth.

Mr. George Honer, of the Dome Mines, has left to take a position with the Lake Shore Mines, Kirkland Lake.

Mr. C. F. Caswell has returned to the Dome after a pleasant holiday in Montreal and Detroit.

The Porcupine Hockey boys had their first practice on our new rink last night and are practising again to-night. It is thought the rink will be open to the public for skating either Thursday night or Saturday. It is likely now that the rink management will celebrate the official opening of the rink by an important hockey game between our own team and some other leading team of the district. Keep this in mind. It will be one of the best yet. Our own boys are getting into fine trim ready to meet any opponents.

**SUCCESSFUL OPENING OF GOLDEN HUB PARLOURS**

The Golden Hub Ice Cream Parlour and Tea Room was formally opened on Saturday last in the beautiful new premises in the Gordon block. The Golden Hub is probably the most elegant and attractive ice cream parlour in the North Land. The furnishings are very pleasing to the eye and most comfortable. Beautifully grained oak chair benches and tables are installed and each compartment has a large mirror. The furnishings are the most modern and everything is of the best. The decorations are very attractive. The big electric sign with its "golden hub" is also worthy of note.

On Saturday, Mr. S. Ansara and his large staff of assistants were kept busy all day waiting on the hundreds who visited the new parlours. All those taking part in the recent contest for the selection of a name for the new parlour were given a box of candies, while all visiting the store between 7 and 9 p.m. were also given a box of candies. There were several hundred boxes of candies given away on Saturday at the Golden Hub, and the opening may well be set down as very satisfactory in every way. As Mr. Ansara says, "It pays to advertise when you can back up your advertising."

"Things that we worry about most never happen."
