EXCITING BASKETBALL GAME WON BY CRUSADERS

An exciting basketball game was staged at the Hollinger Recreation Hall on Tuesday night between Pozzetti's Tigers and Holland's Crusaders. The Tigers started out to chew a considerable hole in the armour of the Crusaders and kept on worrying them till the last minute of the game. The Crusaders just managed to overcome the Tigers. A lucky basket put in by J. Stevens and a personal foul against J. Forrester which was built up into two points made the difference between a loss and a win for the Crusaders.

Final score:—Holland's Crusaders, 21; Pozzetti's Tigers, 18.

Referee:—Mr. R. E. Miller.

Timekeeper and scorekeeper:—Messrs Blackshaw and Donoghue.

Players:—Holland's Crusaders:—Forrester, Stevens, Spencer, Small, Anderson, Belmore.

Pozzetti's Tigers:—Hertle, Pinhey, Prentice, Wilson, White.

SEEKING BRITISH MONEY FOR FURNESS GOLD MINE

President of Shaw Township Property on Visit Now to the Old Country

Mr. R. G. S. Adam, of the Furness Gold Mine, Ltd., has gone to the Old Land to work with Mr. John Cowan, president of the company, in efforts being made to interest British capital. The plan is to float sufficient stock in England to finance the property to its completion. The capital stock is \$3,000,000, of which \$1,000,000 has been issued. On Sept. 1st this year a block of 400,000 shares of treasury stock was offered the Canadian public, and has been favourably received.

The Furness property comprises 200 acres in the townships of Shaw and Deloro. Several buildings, such as offices, cookery, sleeping quarters, powder magazine and stables, have been erected on the property. Some hoisting and other mining machinery has been installed. Three shafts, each fifty feet deep, and several test pits have been sunk on veins in which the tellurides sylvanite and petzite have been discovered. Tellurides carrying a heavy proportion of both silver and gold are said to be a feature of the property. Mr. Joseph C. Houston is one of the directors of the company, and has examined the property professionally on more than one occasion. Mr. Chas Lederer, A.I.M.E., also examined the property some time ago and reported favourably.

GOOD ATTENDANCE AT A.S.D. CLUB LAST NIGHT

Despite the fact that the results were being announced for the Provincial elections there was a good attendance at the A.S.D. Club usual weekly dance last night, held in the Oddfellow's Hall here.

The programme consisted of the usual dances, the best of good music being furnished by the A.S.D. Orchestra.

The luncheon served during the evening made the usual interesting item in the programme.

Next week will be Ladies' Night. On December 22nd the annual Christmas Tree event of the Club will be held.

MR. SALEM PASSES AWAY SUDDENLY ON SATURDAY

The death occurred on Saturday morning of Mr. Shaheen Salem, who passed away at his home at 11 Wilson Avenue. He was apparently in his usual good health on Friday but suffered a stroke from the effects of which he passed away.

The late Shaheen Salem was 59 years of age, and had been a resident of Timmins for the past two years, conducting a dry goods business on the River Road. He was a native of Syria, but had been a resident of Canada for over 24 years. Previous to coming to Timmins he was a highly-esteemed business man of Parry Sound. He was held in the greatest regard by all who knew him, and the sympathy of all goes out to the bereaved family in his sudden death.

A widow and six children survive, all of the family now being resident in Timmins.

The funeral took place on Tuesday morning to the R.C. church and cemetery, the large attendance and the many floral offerings testifying to the esteem in which the late Mr. Salem was held. The funeral services were conducted by Rev. Fr. Theriault. Among those coming from a distance were a brother from Parry Sound, a nephew from Toronto, a son from the West, and another son, Chas., from Parry Sound. Mrs. D. Essa, of Timmins, is a daughter of the late Mr. Salem.

Birrell Bell's Concert Party Delights All at Schumacher

Pleasing Event by Youthful Talent. Enjoyable Box Social. Distinguished Visitor to Orange Lodge. Schumacher Choral Society Event on Dec. 14th. Other Schumacher News.

Schumacher, Dec. 2, 1926. Special to The Advance.
Mr. Birrell Bell, the popular violin instructor, is to be congratulated on the success of the musical recital held on the evening of the 28th ultimo in the new Maple Leaf theatre. A large and appreciative audience were present and for two hours listened with delight to classical numbers by the youthful orchestra and individual members of the troupe. Any teacher who can bring an orchestra consisting largely of children to such a state of perfection must certainly be endowed with unusual ability as a leader and musician. The following selections by orchestra and stringed quartette were rendered with a skill that brought forth exclamations of wonder and continued applause from the interested audience: March "Flag Day"; "Rose Buds"; March "Patriot"; "Broken Melody"; and "Hope Eternal." The musical critics were favourably impressed by the tone quality, bowing style and musical conception displayed by the juvenile artists. One of the first was a violin solo by Master Sam Katz in which the young musician showed unusual skill. The town of Golden City appeared on the map when its representatives, Miss Frances and Mary King, captivated the audience with their Irish and Dutch dances in costume. Such grace and beauty of movement could not be excelled.

"Berceuse de Jocelyn," a violin solo by Miss Minerva Levinson, was particularly well rendered, the young lady showing exceptional musical ability. "The Broken Melody," a string quartette selection by Mr. and Mrs. Birrell Bell, Masters David Payne and Willie Shub, was a number that appealed very strongly to the audience, the well-merited applause being responded to by an encore. Mr. Bell, in his solo, "Mazurka," prelude by Dr. Beriot, displayed his wonderful skill upon the violin, holding the large audience spell-bound by the interpretation of the real spirit of the musical composition. One of the closing solos was skillfully rendered by Master Willie Shub on the violin. Willie is no stranger on the concert stage and his appearance is always greeted with applause. We regret that owing to illness Grace Murray, of Deme, one of the clever pupils of Mr. Birrell Bell, was unable to be present at the recital. Miss Shirley Payne and Mr. James McFadden were capable accompanists on the piano. The programme was under the able direction of Mr. George C. Murphy who presided. Proceeds of the evening were in aid of the Presbyterian Hospital at South Porcupine.

The box social held on Wednesday night in the basement of the United Church, under the auspices of the newly-organized Y.P. Society, drew a record crowd of box owners and purchasers. During the early part of the evening there were the familiar games in which the young and also the older ones took a prominent part. An excellent programme of elocutionary numbers, vocal and instrumental music, followed in which the following gifted talent participated: vocal solos by Misses Cotcher, Robinson, Mills, and Messrs Fisher, Skelly, Carveth, Trollope and White; piano selections by Miss M. J. Lawrence and Messrs Wilson and Kearney; recitation, by Miss A. M. Hornfelt; Mr. Jack Leng, president of the Y.P.S., was chairman. Of course the chief attraction was the sale of the beautiful boxes, well filled with the choicest fruits and confectionery so appetizingly arranged by the "best girl." Mr. D. Greer, played the role of auctioneer like an experienced salesman and by his witty and persuasive remarks caused much merriment as the price of the coveted boxes rose higher and higher. The event which was a success both socially and financially will probably be repeated in the early part of the new year.

Rev. W. L. Lawrence, a distinguished member of the Orange Order in Canada, was a guest of the local lodge during the past week. Rev. Lawrence holds the position of Grand Master for Ontario West, with headquarters at Sault Ste Marie, where he is pastor of a large city church. On Thursday evening, 25th ult., Rev. Lawrence delivered a very eloquent address in the United Church on matters pertaining to the society with which he is connected. Mr. J. C. Bonnell, Worshipful Master of Schumacher L.O.L., chairman, and Rev. Ivan Kennedy spoke briefly on the same subject.

The Schumacher Choral Society will hold a musical concert in the new Maple Leaf Theatre on Tuesday evening, December 14th. The Society has a membership of about forty-five, composed of some of the best talent in the Porcupine Camp, and during the months of October and November have been practising faithfully to make the event a great success. There will be new solos, an excellent musical programme and graceful costume dancing, Irish, Scotch and

Dutch. Tickets only 50 cents. Do not miss this musical treat.

We regret to report the illness of Mrs. P. Valentine of Fourth Avenue. The Public School was closed on Wednesday, the building being used for Provincial Elections.

We regret to report that it is the intention of Mr. and Mrs. E. Keeley and family to leave our town and make their home in Western Canada, probably in B.C. Mrs. Keeley is visiting with relatives in Sudbury for a time before leaving for the Pacific coast.

A very pretty birthday party was held on Friday evening at the home of Mr. and Mrs. James Huxley, First Avenue, in honour of their eldest daughter, Joan, who upon that date had reached the fifteenth mile post in the pathway of life. About forty schoolmates and friends assembled early in the evening and for several hours enjoyed themselves in playing games, singing and dancing. After a delicious lunch, the youthful guests departed carrying with them the most pleasant memories of the kindness and hospitality of the host and hostess.

Mr. George C. Murphy was in Cobalt during the week.

Mrs. McParlane, who has been visiting friends in Mitchell, returned to her home here on Saturday.

Mr. C. S. Butler is the new manager of the local branch of the Canadian Bank of Commerce. On behalf of the citizens of Schumacher we extend a hearty welcome and best wishes for success.

Mrs. S. O'Hara left on Thursday on a short visit to Rouyn.

There promises to be some excitement in this town on municipal election day, as we have several aspirants for public honours. At the recent nominations held in South Porcupine the following gentlemen from Schumacher were nominated:—for reeve—Messrs David Kerr, J. Barron. For councillors—Messrs J. Harris, Geo. C. Murphy, R. Kelly, J. E. Williams and David Craig. The foregoing are all quite capable and don't forget that Schumacher should have a reeve and at least two other representatives on the township council.

NOTHING NEW IN MONETA MURDER CASE THIS WEEK

There are no new developments in the case of Tony Boyda who died following a beating-up received in a Moneta shack. The Tisdale police and Provincial have been working on the case and it is understood that they have traced the man wanted on a murder charge and two women sought as material witnesses. Arrests are expected of the three at any time.

THIS MONTH'S MEETING OF THE V.O.N. ON DECEMBER 13

Owing to the regular meeting night falling in the Christmas week, it has been decided to hold the December meeting of the local committee of the Victorian Order of Nurses on the second Monday of December, instead of the third as recently decided upon.

Accordingly, the regular V.O.N. meeting for December will be held on Monday evening, Dec. 13th, in the New Empire Grill Room.

All members of the committee are asked to kindly note the date—Monday evening, Dec. 13th.

ATTRACTIVE CONCERT AT NEW EMPIRE ON DEC. 15

Music-lovers are assured of a genuine treat on Wednesday evening, Dec. 15th, when Birrell Bell's Concert Party will give a musical evening. The programme will be featured by a 25-piece orchestra, violin soloists, dancers, Scottish comedian, string quartette and other specialties. Recently this Concert Party has won very pronounced approval from large audiences at Schumacher and South Porcupine. The event in the New Empire Theatre, Timmins, on Wednesday evening, Dec. 15th, commencing at 8.15 p.m., should draw a large crowd of lovers of music. The pupils of Mr. Birrell Bell show both talent and skilled training, and the programme by them is sure to please.

DELIGHTFUL EVENING AT ALL-BRITISH SOCIAL CLUB

On Monday evening last an open dance was given in the basement of St. Charles Hotel by the All-British Social Club. There was a very large attendance, and the evening was a most enjoyable one. The programme included foxtrots, waltzes, and a Paul Jones. Another feature was a Lucky Number waltz. The winners were asked to give an exhibition dance; the orchestra starting with a waltz and finishing with a gallop. This feature created much fun. Two other special numbers on programme were the solos by Mr. R. Smith and Miss Cotcher, both talented singers winning very merited encores by their gifted singing.

Next Monday evening a varied programme will be given by the All-British Club for members and their friends.

ELECTION MEETINGS NOW HAVE LITTLE OF INTEREST

During the past week there have been several very interesting political meetings in the district, the interest not being confined to any one side. The meeting in the interests of Mr. McGuire at Ansonville is reported as a regular humdinger. Monday evening there was a big rally here at the New Empire theatre in the interests of the Liberal-Labour candidate. Other lively meetings were addressed at other points in the riding by Mr. McGuire and other speakers in his behalf. On behalf of Mr. Kenning there were equally good meetings at Timmins, South Porcupine, Schumacher, Connaught and other centres. The meetings at Timmins on Tuesday and at South Porcupine the same evening were especially effective. But the interest in the address at such meetings passes with the election, and so The Advance makes no extended reference to these events at this time.

A Record Fish and Story

1 The peaceful Cains River where the fighting "hook bills" lurk.

2 In action on the Cains River.

3 Proof of the "fish story."

opinion was expressed by game wardens who viewed the fish in the live box. But the really great point was the terrific fight that this fish put up. This was so spectacular and so fast and furious, accompanied by rush after rush of 150 to 200 feet, that we had no time to take a picture of it.

"My canoe man and myself were busy every second of the time from twenty minutes past four until after dark. In fact up to the last few minutes of the fight I stood with one foot in the bow of the canoe constantly, when I was not in the canoe and chasing the fish back and forth across the stream.

"This fish was forty-five and three-fourths inches long measured in a straight line. If measured around the contour of the body it would probably show two or three inches longer than this. These measurements were

taken after he had been fighting the wires of the live box for five or six days, in which he undoubtedly lost a great deal of weight. Perhaps if he had been measured when first taken from the water he would have been at least two inches more.

"However, no matter how you look at it, he was big enough to suit me, and the act that it was a 'hook bill' and 'leaping fish' instead of a female or 'sulker' gave me that much more satisfaction. Then, too, it was taken with a No. 12 fly, which is very much smaller than is commonly used for six inch trout. The rod weighed only four and seven-eighths ounces, and the ordinary trout leader, with a three pound breaking strength was not much heavier than is commonly used for a small trout fly."

W. E. Kidder of Kalamazoo, Michigan arrived in Montreal over Canadian Pacific Railway lines, recently with the best "fish" story of the year. It was a pretty good story, and we had to believe him, especially when he showed us a forty-pound salmon packed away in ice in the observation car.

Now, Mr. Kidder is a pretty good fisherman, but he says that the experience he had while fishing in Cains River, New Brunswick is absolutely unique, and that as far as he knows he was successful in hooking what is probably a record salmon with a trout rod and fly.

"This fish is unquestionably the largest hook bill, I have ever seen," said Mr. Kidder, "and the same
