Owen Sound and North Bay May Play at South Porcupine

Arrangements Now Under Way for Exhibition Games With South Porcupine. Much Interest Also in Mines League—Other News from South Porcupine.

South Porcupine, Feb. 1st, 1927. Special to The Advance.

The dining room of Ireland's hotel (opposite post office) is changing hands this week, a Mr. Dawson, of Timmins is taking it over.

Mr. Geo. Cole recently returned from Winnipeg and is this week in Haileybury taking part in the bonspiel there, playing in the rink of Mr. Wilson Lang, Timmins.

Mr. Marshall, who has been acting as manager of the Bank of Toronto here during Mr. Britton's absence, returned to Toronto on Friday and Mr. Mills, of Toronto, is taking his place.

Dr. Harper, dentist is to-day moving into the offices that have been occupied by Dr. Cameron-Smith. The latter, we understand, is taking up permanent residence at the Paymaster, but will have certain office hours here for town patients.

On Wednesday morning at 5 a.m. Inez Lillian, the little eight-year-old daughter of Mr. and Mrs. W. E. Richards, passed away at their home on the O'Brien Hill. At ten p.m. of the same day a baby son was born to gladden the shadowed hearts of the parents. The mother being in a very critical condition, the funeral of the little daughter took place from Easton's undertaking parlours, Timmins, to the cemetery where the burial service was held by Rev. F. Bain on Sunday afternoon. On the tiny coffin were placed sprays from Mr. and Mrs. H. Boyle, Mr. and Mrs. V. Laffin, Miss Michaelson and Class, Viola and Benny Laffin and Mrs. Spencer. Besides the mother and father, four brothers and two small sisters survive. The little girl has been an invalid from rheumatism and heart trouble for nearly two years. At time of writing the mother and new baby are on the road to recovery, both having been in a critical condition.

Mr. Eddie Goodman is leaving the Dome this week and going to the States.

At the curling rink during the past week the following games have been played in the Gallagher Cup series:

Jan. 25th, Horne 7, Gordon 9, Sky won from Walton by default, Kennedy and McLennan both defaulted. Jan. 28th J. Boyle 12, Legate 7; W. D. Pearce from Doelle by default. Jan. 31st—Cross 12, McPhail 3; Gordon from Rutherford by default, McPhail from Mason by default.

Died—At the Finn Boarding House, Bruce avenue, on Sunday, January 30th, Wesley Ketola. This man was around forty years of age and has been suffering from consumption.

Over 500 fans crowded into the Porcupine arena on Monday night to witness the second clash on home ice between the Porcupine Hockey Club and McIntyre in the Mines League series. Each and all got their money worth. McIntyre has proven the most formidable opponent for our boys and the game was fast from start to finish. On a stretch, our boys can evidently out-skate the Maes, and our combination work showed up to more advantage. For some time after the face-off the battle wavered first around one goal then the other neither scoring until Spence broke away in a lone rush and made the first counter for Porcupine. Soon after, Hughes made a pretty shot from some distance out and notched the second one for the home team.

At this juncture Palangio did some classy work, starting with the puck from his own defence area, re-capturing it every time the Maes stole it and making a splendid shot, which, however, the Maes, goalie saved. Gregg made the third counter by a well-aimed shot made from near the boards close to the defence line, then in a few seconds made another goal on a good pass from Gagnon. The next goal was worked out by fine team work between Briden and Spence, the latter making the tally. The first period 5-0. In the second period Gregg scored on a pass from Gagnon, the puck going right through a hole in the net and Gagnon being on the job, nearly as soon as the puck landed to try it over again. Everybody had a breathing spell while the

net was mended, and soon after the play resumed Kelly, for McIntyre, made a spectacular rush down the ice working successfully through the defence and scoring their first goal. The second period ended 7-1. For the third period both teams had their fighting blood up and went into the game with a real zip. On passes from Gregg to Gagnon to Spence and again to Gregg the first goal of the period was scored. Spence later made the 8th counter. Penalties were coming as plentiful as the goals and with only three men and Bingham on the ice Gagnon broke through and scored. The rafters nearly creaked with the applause. McIntyre made another goal and soon after Spence in his zeal to get the puck away from dangerous territory deflected it into the Porcupine goal and scored a third for McIntyre. This made the best laugh of the evening, especially when the feat was performed by an old reliable like Spence. By some persistent work around the McIntyre goal Hamilton succeeded in getting the puck past for a tenth score then for good measure Gagnon made another counter before the gong sounded, with the score standing Porcupine 11,—McIntyre 3. Referee W. Burns.

Judge of play, J. Walker.
Line-up — South Porcupine—Bingham, goal; Fell and Palangio, defence; Gagnon, centre; Spence and Gregg, wings; subs, Briden, Hughes, Hamilton.

After the game the Porcupine Hockey Club were entertained at dinner at the home of Mr. and Mrs. Frank Horne, Dome Mines. It is gratifying to see our boys thus appreciated for not only are we proud of their prowess in hockey, but we are justly proud of them, also, as citizens and the type of clean young manhood which they are representing.

Great interest is being centered in Wednesday's N.O.H.A. game. Exhibition games with the North Bay Trappers and Owen Sound Greys are being talked of. Watch for further announcements.

The rich young sportsman slept very soundly, and it was with great difficulty his servant woke him at midnight. "I heard noises downstairs," said the frightened servant.

"You think it is burglars?"

"Yes, sir."
"Oh, very well," yawned the young man. "Get my gun, James, and—er—let me see—I'll wear my green tweeds!"

GET YOUR 1927 MARKERS AT TOWN HALL AT ONCE

All Driving Automobiles Should be Sure That They Have the 1927 Markers Now available

The 1927 automobile markers may now be secured at the town hall from Mr. H. E. Montgomery, town clerk, and all owners and drivers should see that they have this year's markers, it being illegal to drive a car without the new markers. The Provincial law requires the use of the 1927 markers, and all concerned should see to the matter at once. The 1926 markers are no longer legal for use. Every year there are a number of automobile owners who have to be taken to police court before the law in regard to the markers is properly observed. There is no necessity for this and all concerned might just as well save the time, cost and trouble by procuring the proper markers. The police do not desire to put anyone to any inconvenience in the matter but it is very important that the proper markers are in use. The public and the authorities can work together in this matter to the general advantage. The automobile owners can make the whole matter plain and simple and satisfactory by securing the new markers at once. Do not wait for tomorrow. Do it to-day.

His Majesty's Choristers Tour Canada

Boys of the Westminster Abbey Choir with their master, Sydney H. Nicholson, organist of the Abbey, who are touring Canada under the auspices of the National Council of Education, together with the gentlemen of His Majesty's Free Chapel of St. George in Windsor Castle, and are accompanied by the Very Reverend the Dean of Windsor, Dr. A. V. Baillie (centre) chaplain to His Majesty, the King, the Rev. Edmund H. Fellowes (right) director of the choir of St. George's Chapel, and Sydney H. Nicholson (left) organist of Westminster Abbey.

The official visit to Canada of the gentlemen of His Majesty's Free Chapel of St. George, in Windsor Castle, and the boy choristers of Westminster Abbey, accompanied by the Very Rev. the Dean of Windsor, Dr. A. V. Baillie chaplain to the King; Rev. Edmund H. Fellowes, director of the choir of St. George's Chapel; and Sydney H. Nicholson, organist of Westminster Abbey, and Master of the Choristers, is made with the special approval of His Majesty the King. The visit of the choir which is now touring Canada from Fredericton to Vancouver and return, on the All-Red C.P.R. route is more than a mark of inter-Empire courtesy; it is a gesture that should do much to help the fuller realization of possessions common to Canada and Great Britain.

The choir is here under the auspices of the National Council of Education, which since its inception in 1919 has continually emphasized the importance of the place of music in Education. This tour is essentially a part of the Council's programme designed to stimulate public interest in music as one of the most powerful influences in the life of both the individual and the nation.

The Choristers from Westminster Abbey and St. George's Chapel, to sing their way through Canada without fee or recompense of any kind except the applause they will gain, have a history going back to a day when the great-grandfather of Columbus was a humble Genoese, watching boats sail out and believing that if they went too far they might topple over the edge of the world. So Canada must feel comparatively young in the knowledge that the soft-footed Indian was still emperor of the prairie, when the choristers first sung to the order of Edward III in the chapel of St. George at Windsor.

The glory of the Dominions is in their future, but England's greatest glory is in the long story that runs back through the centuries, and that story is told almost completely in the histories of Westminster Abbey and St. George's Chapel of which these visitors are the ambassadors.

It is interesting to think of the three parallel scenes. Edward III, creating the Order of the Garter in St. George's Chapel, Columbus still unborn and his great-grandfather

perhaps sewing sails in the seaport of Genoa, Canada still in the haze of the undiscovered. And while these two latter scenes change dramatically, the choristers of St. George's have still gone on with their services, symbolizing the chivalry and honor of the twenty-six Knights of the Garter. The Gentlemen of St. George's and the boys of Westminster visiting Canada number twenty in all, the eight choristers or lay clerks of the Chapel at Windsor are those who sing the evening and morning services in the chapel; and in the more private services associated with the life of the Crown and the Order of the Garter. They also provide the music in the Private Chapel when Their Majesties are in residence at Windsor Castle.

The Dean of Windsor, Dr. A. V. Baillie, who will give lectures during the tour, on Windsor Castle, the Chapel of St. George and Westminster Abbey, is one of the outstanding figures in the ecclesiastical life of England. He is the godson of Queen Victoria and a nephew of Lord Elgin, former Governor-General of Canada. In addition to being chaplain to the King, he is also Registrar of the Order of the Garter.

Dr. Edmund H. Fellowes will lecture on Elizabethan and English Church music. He is the foremost living authority on music of the Tudor period, as witness his monumental edition of the English Madrigals which he has completed in 36 volumes.

As organist of Westminster Abbey, the choirs of Mr. Nicholson have been an inspiration, not only to the habitual worshippers at the Abbey, but also to the vast body of visitors to that shrine from all over the world. He is the author of "British Songs for British Boys." During this tour he will conduct a number of concerts, especially for Scouts and Guides in which Scout music will largely figure.

Canadians are therefore given an unique opportunity to hear the best of English church and Old English part music, while a standard of excellence is reached in choral singing, that is probably unexcelled in any part of the world.
