"BEHIND THE FRONT" IS A REAL "WOW" OF A COMEDY

In the words of Hollywood's most brilliant comedy critics, "Behind the Front" to be shown at the Maple Leaf theatre, Schumacher, on Friday and Saturday of this week, Feb. 4th and 5th, starts from the first flicker with a chuckle, works into a big, continuous laugh, and ends with a grand "wow."

"Behind the Front" is a Paramount comedy of the A.E.F. featuring Wallace Beery and Raymond Hatton as a pair of buddies who go to France to "kan the kaiser," but end up behind the front, and Mary Brian, a Red Cross worker, about whom the romance centers.

Probably no funnier scenes have ever been filmed than the war sequences of this picture. The story is a true-to-life comedy, rather than a burlesque on the war, and was made technically correct under the constant eye of military officials who saw service overseas, at the front.

The picture was suggested by Hugh Wiley's "Saturday Evening Post" story, "The Spoils of War," and was directed by Edward Sutherland, under the editorial supervision of Garnett Weston. The supporting cast includes Chester Conkin, Richard Arlen, Louise Lorraine and Gertrude Astor.

**STAKING GALENA CLAIMS
NEAR RAMORE STATION**

Another Rush Now Reported. Report of Hollinger Purchase of Prospect Starts Prospectors Going

the T. & N.O., about thirty miles north of Swastika. A number of prospectors from Timmins and the district generally have joined in this little rush, while others have come up from Cobalt and Haileybury. The cause of this little rush is the reported finding of a noteworthy deposit of galena in Black Township. It is understood that Hollinger interests have taken an option on four claims where outcroppings of hard galena occur. This option has been enough to create interest and as a consequence the rush of prospectors took place, a large number of claims being staked in the last few days. Surface work has started on the optioned claims and hopes are high for some special developments in the district. Galena is the sulphide of lead and generally speaking contains about 86 per cent. of lead. The chief lead properties in Canada are in British Columbia. Ontario's only important lead mine is at Galletta, near Arnprior, Ont. Lead is very often found in conjunction with silver, as well as with zinc. The production of lead in Canada has grown from \$3,828,000.00 in 1921 to \$23,092,000.00 in 1925. Ontario's production of lead in 1925 was only \$675,225.00.

**LATE JOHN GREER WAS
91 YEARS AT TIME OF DEATH**

Further particulars were received this week regarding the death of Mr. John Greer, father of Mr. M. Greer, formerly Chief of Police of Timmins. The late John Greer was ninety-one years of age at the time of his death. He had been ill only five days before he went to Ottawa to the hospital there, where he contracted pneumonia, passing away five days afterwards. He died at 3.30 p.m. on January 19th just a few hours after Mr. M. Greer reached his bedside. Mr. M. Greer was notified of his father's serious condition and left here on the 18th.

The late John Greer was one of the best-known and most highly-respected of the farmers of the Charteris, Que. district, where he had spent practically all of his long and useful life. It was just three months and eight days previous to the death of the late John Greer that his wife passed to rest.

The funeral of the late John Greer took place at Charteris, Que., on January 21st, and was very largely attended, relatives and friends coming from a wide area. The profusion of beautiful floral tributes told of the esteem in which the late Mr. Greer was held and the sympathy felt for the family in their loss.

Five sons and three daughters survive. The sons are:—Mr. Archie Greer, of Onslow, Que.; Mr. John Greer, Jr., Mr. Joseph Greer, and Mr. Henry Greer, of Charteris, Que.; and Mr. M. Greer of Timmins, Ont. The daughters are:—Mrs. John Harlin, Charteris, Que.; Mrs. John Gibson, Campbell's Bay, Que., and Mrs. W. T. Laughren, Togo, Sask.

The sympathy of all their friends here will be extended to Mr. M. Greer and family in their loss through the death of his father.

**BACHELORS' NIGHT, FEB. 19
AT CORNISH SOCIAL CLUB**

Saturday evening, Feb. 19th, will be Bachelors' Night at the Cornish Social Club meeting in the Hollinger hall. A special programme has been prepared by the young men, and the event will no doubt prove most enjoyable. A particularly interesting feature on the programme will be the competition in nail driving for ladies. Other pleasing and original items will be on the programme, and all members are particularly asked to be present at this event which is to be a most enjoyable one from start to finish.

**FIRST BAND CONCERT OF
THE YEAR, A GOOD ONE**

Band Music Particularly Pleasing. Other Instrumental Numbers Much Appreciated.

The first band concert to be given this year was held in the Goldfields theatre on Sunday evening after the church services. For the balance of the season these concerts will be held every two weeks.

The inclement weather Sunday evening prevented the usual large attendance, but all present were well pleased with the event, and the audience was specially attentive and appreciative. The stormy weather and other circumstances also prevented the band being at its usual full strength, all the band members not being able to attend. The instrumentation, however, was excellent, and the band played specially well. Among the selections by the band were: March, "True Comrades"; selection, Poetic Fancies"; waltz, "Reflections"; march, "Amphion." These numbers were given in a way to reflect the highest credit upon Bandmaster Wolno and his bandsmen, and to please the audience with the excellent music furnished.

In addition to the band selections there were other instrumental numbers of much merit. The violin solo by Master Sam Katz won very deserved encore on merit and in his responding number this talented young violinist delighted all with his talent as a violinist. Another very popular special number on the programme was the selection by the violin quartette, —Mr. and Mrs. Birrell Bell, Sam Katz and Willie Shub. This number deserved the very insistent recall given, and they were equally appreciated in the responding numbers. These violinists pleased all the music lovers present, who hope to hear them on future occasions. Mr. James McFadden played the piano accompaniments for these numbers and won general approval for his talent as an accompanist.

The other special number on the programme was an instrumental quartette from the band, including Bandsmen Williams, Burton, Philips and Wolno. This quartette also won general favour by their effective and pleasing work.

**MASQUERADE DANCE FOR
THE AMBULANCE BRIGADE**
