

ATTENTION HOUSEHOLDERS

Wrap all Garbage in paper. Keep your Garbage can covered. Use plenty of Chloride of Lime which can be procured at the Town Hall, free. Household users using well water must boil it for at least 20 minutes. All outside toilets must be made fly proof.

By Order of THE BOARD OF HEALTH

NOTICE

Notice is hereby given that Maretha Isabell Grose Leach, of the Town of Bruce Mines, in the district of Algoma, in the Province of Ontario, at present residing with her Mother at the Townsite of Schumacher, in the District of Cochrane, in the Province of Ontario, will apply to the Parliament of Canada, at the present session thereof, for a Bill of Divorce from her husband, Leonard Edward Leach, of the Town of North Bay, in the District of Nipissing, in the Province of Ontario, worker on the ground of adultery.

Dated at the Town of Timmins, in the District of Cochrane, in the Province of Ontario, this 27th day of December, 1926.

PLATUS & LEWIS, Timmins, Ont.

2-7. Solicitors for the Applicant.

NOTICE OF APPLICATION TO PARLIAMENT

Notice is hereby given that Application will be made by the Corporation of the Township of Tisdale to the Legislative Assembly of the Province of Ontario at its present session for a Special Act:

1.—To ratify and confirm a By-law of the Corporation dated the 19th day of June 1925 and numbered 308, being a By-law for the raising of \$200,000 by the issue of debentures on the instalment plan, bearing interest at five and one-half per cent. per annum to cover the cost of construction of the water and sewerage system and to meet the cost thereof, to levy a special rate for repayment of the aforesaid borrowing on all the assessable property of the Township of Tisdale lying within the limits of School Section No. 1 thereof as at present constituted.

2.—For authority to levy a special rate on all the assessable property and income on that part of the Township of Tisdale situate within the limits of School Section No. 1, as at present constituted thereof, for any further expenditure covering the installation, extensions or alterations of the water and sewerage system within the limits of that part of the Township of Tisdale hereinbefore described.

The existing debenture debt of the said Corporation is as follows:—
1—Debentures issued for Schools \$301,907.70
2—Debentures issued for Waterworks and Sewers, \$325,000.00
3—Debentures issued for Local Improvements, \$10,000.00

W. G. BOWLES, South Porcupine, Ont. Solicitor for the Township of Tisdale. Dated at South Porcupine, Ontario, this 7th day of February A.D. 1927

The Triplex Gold Mines Limited

Notice to Shareholders

Whereas by a Judgment of the Supreme Court of Ontario pronounced on the 3rd day of July 1924 in an action wherein The Triplex Gold Mines Limited and C. B. Post were Plaintiffs and Duncan B. Harrison and others were Defendants, it was ordered that the Master of the said Court do inter alia—

Ascertain and report the total number of shares of the capital stock of the Plaintiff Company which have been issued for a consideration other than cash, and in whose names the shares so issued are standing; Ascertain and report the total number of shares of the capital stock of the Plaintiff Company which have been issued for cash, and the names of the persons or firms entitled to the said shares, and the number to which the said persons or firms are respectively entitled.

Notice is hereby given that all persons or firms claiming to be shareholders in the said The Triplex Gold Mines Limited or entitled to be entered upon the share register of the said Company, are required to forward their claims duly proven specifying with date whether their shares were issued to them out of the Treasury of the Company or acquired by transfer and from whom so acquired, to the undersigned Master of the Supreme Court of Ontario at Toronto, Ontario, Canada, or to Millar and Hunter, 59 Yonge Street, Toronto, Ontario, Solicitors for the above named Plaintiffs, on or before the 1st day of March 1927.

And Notice is Further Given that after the said date the Master of the Supreme Court of Ontario will proceed to report to the said Court pursuant to the said Judgment, having regard only to such claims of which he shall then have had notice.

Dated at Toronto this 4th day of February 1927. CHARLES GARROW, Master of the Supreme Court of Ontario, Osgoode Hall, Toronto, Ont.

Noted Marlboros of Toronto, Playing South End To-night

Next Wednesday Evening Will be Men's Night at Home and School Association, with Special Programme including Address on C.A.S. Work. Big K. of C. Euchre Coming. Party to Miss Burns. Other South Porcupine News.

South Porcupine, Feb. 8th, 1926. Special to The Advance.

Mrs. J. Pillsworth, of Englehart, is a guest at the home of Mr. and Mrs. J. Alexander.

Mr. McJanet, of Kirkland Lake, spent the week-end with his family in town.

Mrs. A. Woods has returned from a visit to her daughter at New Liskeard.

Mr. R. Atcheson, of Kapuskasing, spent a few days in town this week.

Mr. S. Sky left Sunday on a three weeks' buying trip in the South. He will be joined in Toronto by Mrs. Sky who has been in Rochester, Minn.

We are glad to see Mrs. W. Brooks around again after her long confinement to the house through illness.

Mrs. Rule, of Timmins, was the guest of Mrs. J. Huot, Commercial avenue, this week.

We are pleased to report Miss Ivy Starling as progressing very favourably at the Mayo Institute in Rochester.

Little Jimmie Jamieson, second son of E. J. Jamieson, has developed scarlet fever. It is a mild case, we understand. The plaecards went on the residence to-day.

There are a great many sick with la grippe at present. Mrs. T. J. Wright has been quite seriously ill but is now on the road to recovery.

Don't forget the big Euchre and Dance under the auspices of the Knights of Columbus on Friday, February 18th. This promises to be one of the biggest of its kind.

On Saturday, February 6th, forty-two of the little friends of Miss Wonneta Blood were entertained at her home in honour of her ninth birthday. Misses Leta Owens and Kathleen Gooding poured tea, while Misses Margaret Richardson, Eleanor Cunningham, Edgardine Owens and Margorie Jamieson assisted in looking after the guests.

Mr. Milas Clark expects to have one of the travel films of the Cunard Line for presentation to the public next week, possibly on the 17th inst., in the High School Hall. These films are educational and interesting as well.

On Thursday evening last Miss Irene Wilson entertained at a Miscellaneous Shower for the young bride-to-be, Miss Rose Burns. The bride was completely taken by surprise, just thinking she was calling for her friend to go out for a walk, when out of a darkened room came the voices of her girl friends singing "For She's a Jolly Good Fellow." Lights were switched on and the merriment started. The bride-to-be was given a basket of old clothes and told she had to learn how to mend. However, in each old garment was wrapped a dainty gift. A buffet luncheon was served and the hostess, Miss Wilson, proposed the toast to the bride-to-be, to which Miss Burns feelingly replied, saying how she would miss her many friends here. Miss Burns has been a very general favourite among the younger set. She has this week severed her connection with the firm of Simms, Hooker and Drew, having been very efficient in the charge of their office here for the past few years.

All interested in children or their welfare are invited to the Home and School meeting next Wednesday, February 16th, in the public school, at 8 p.m. Mr. R. LeHeup, superintendent of the Cochrane District Children's Aid, will give a talk on the work that is being done for children throughout the North Land. Mr. G. A. Macdonald, president of the Cochrane District Children's Aid, will also speak of the work being done here. This is the annual Men's Night under the auspices of the Home and School. Several of our local townsmen will favour us with solos, and Mr. H. M. Martin will take charge of community singing and music.

The Oddfellows and Rebekahs of South Porcupine are uniting in a big benefit euchre, bridge and dance to be given on Feb. 25th. Tickets are now selling fast for this so keep the date in mind. Posters will be out later.

The Marlboros of Toronto, one of the strongest hockey organizations of the province are going to try their luck against Porcupine Hockey Club on Thursday, February 10th, at South Porcupine arena. This promises to be the strongest opposition the hockey club here have encountered, as the Marlboros are noted all over Ontario for the speed of their forward line. The price charged here for these special hockey matches is very reasonable, compared with what is charged in other towns. The Goldfields Band has very kindly volunteered their services for them all. A monster masquerade and carnival for the Band is being talked of later at the rink.

We understand that the Furness Mine has bought the machinery of the Hayden Mine, near Timmins, and that this is now being drawn into the property.

The Explorers' Club had a hockey match last Saturday morning, with another small boys' club in town. They expect to have a series of match-

es with the Dome and Schumacher Explorers

A special meeting of the council was held on Friday, Feb. 4th, at which the following resolutions were passed. "Moved by J. J. St. Paul seconded by J. Robertson, that Reeve Thomas, Councillors Robertson and Harris and Clerk Evans be authorized to go to Toronto to take up with the Government the passing of an Act, validating By-law No. 308 re South Porcupine water works, and that \$200 each be allowed for their expenses and a cheque be issued, also, for \$100 on account of legislation fee for the Act." "That a grant of \$500 be made to Porcupine Hockey Club, cheque to be made out to P. Richards, treasurer." As to the former resolution we do not understand why it is necessary to send so many representatives to Toronto, the clerk and one representative usually having been sufficient in the past. In regard to the second, everybody knows that the Porcupine Hockey Club are now in line to play off with the Southern group of the N.O.H.A., and if successful in this will then go to Toronto for the Allan Cup. The travelling that these games will incur is going to take money but if the boys are successful it will be a great boost towards putting South Porcupine fairly and squarely on the map. The publicity which the Porcupine is getting at present through the prowess of these boys is worth something.

TENTH ANNIVERSARY OF CHURCH, SUNDAY FEB. 20

Special Services at United Church. Rev. Dr. Laird to Preach at Both Services

Timmins United Church will observe its tenth anniversary here on Sunday, Feb. 20th. There will be special services on the Sunday. Rev. Robt. Laird, D.D., the treasurer of the United Church of Canada, will preach at both services on Sunday, Feb. 20th. Rev. Dr. Laird is a talented preacher, as well as occupying high place in the affairs of the church.

On Monday evening, Feb. 21st, the annual business meeting of the congregation and a congregational social will be held in the church.

The anniversary services in connection with the Timmins United Church have always been of special interest and have each year attracted large attendances.

FUNERAL OF THE LATE MRS. HAKALA ON SUNDAY

The funeral of the late Mrs. Lydia Hakala took place from the family residence, 60 Fifth avenue, Timmins, on Sunday afternoon, Feb. 6th, interment being made in the Timmins cemetery. Services were conducted at the house and grave. The funeral was very largely attended and there were many beautiful floral tokens, indicating the high esteem in which the late Mrs. Hakala was held, and the sympathy felt for the bereaved family. The Finlander band marched before the cortege, playing selections as the body was taken to its last earthly resting place in the Timmins cemetery.

BARRY-HOLLINGER MINE IN BEST SHAPE SAYS PRES.

In a public statement in reference to the resignation of the mine manager, Mr. L. B. Smith, the president of the Barry-Hollinger, Mr. H. C. Crow, this week says:—"The resignation of the mine manager at Barry-Hollinger is simply personal and has nothing to do with conditions at the property. "Physical conditions at the mine were never better. The last report said broken ore in stopes can go to mill with the average better than \$10. Opening of the 1,000-foot level is proceeding. Geological conditions on the 800-ft. level give every indication that the same improvement experienced on upper levels may, with confidence, be looked for on the 1,000-foot level."

NOTES FOR MEMBERS OF THE Y.P.S. OF UNITED CHURCH.

The Y.P.S. meeting on Tuesday, February 15th, will take the form of a snow-shoe, ski and toboggan party, weather permitting. Members are to meet at the United Church at 7.30 p.m. sharp. After the event, they are to return to the church for luncheon.

After the church service on Sunday evening, February 13th, there will be a social and tea, with musical numbers, for the young people of the congregation of the United Church. All young people of the congregation are invited to attend.

Mr. W. Rinn is on a business trip to Toronto and other southern points this week.

TIMMINS BOWLERS WIN FROM No. 11 McINTYRE

Shops the Winners in the First Half of the McIntyre Bowling League Series

Timmins Bowling team won from McIntyre No. 11 Shaft by 77 pins on Schumacher Alleys. G. Heggart rolled high, 664, for the losers, Webb, for Timmins, rolled high with 610 pin fall.

Teacher—"I have went. That's wrong, isn't it?"
Pupil—"Yes, ma'am."
Teacher—"Why is it wrong?"
Pupil—"Because you ain't went yet."

Just a Word of Warning

The overwhelming public desire and demand for Radio without Batteries, coupled with the outstanding success of the Rogers Batteryless Radio, has inspired many dealers to advertise so-called "Light-Socket" operation for nearly every other make of radio.

This "Light-Socket" operation claimed by dealers for radios other than Rogers is **not** elimination of batteries, but a combination of batteries and a charger, which charger operates from your light socket.

—You still have batteries
—You still have chemicals
—You still have wires

It is not your radio but the charger that operates from the light socket. The current operates the charger, which charges your batteries. The batteries operate the radio set. Instead of eliminating anything, you have added one more part and expense.

These devices certainly have merit and are a real convenience to those who have radios and cannot afford to sacrifice them for a Rogers, but when you are buying a new radio and are led to believe it is "Batteryless" or so-called "Light-Socket" operation, just ask one question:

"Has it got batteries or chemicals or a charger?" Insist upon a straight answer—then insist on Rogers—with the A-C Tube!

Marshall - Ecclestone Ltd.
Timmins Schumacher
Ex-Service men should note that there is a meeting of the Porcupine Branch of the Canadian Legion called for Sunday afternoon, Feb. 13th, at 2.30, in the town hall.
The Lancashire Football Club held their annual meeting on Sunday last, and they decided to enter a team in the P.D.F.L. again for the coming season.
