FIREMEN EXTINGUISH HOCKEY AMBITIONS, TOO

The Marshall-Ecclestone hockey team feels like a fire this week, having been completely extinguished by the Fire Brigade's hockey stars. The game took place during the week-end and the hardware men were on the weak end of a 6 by 3 score. Lloyd Harris, who is the manager of the Fire brigade team, says the hardware men are soft for the tough fire laddies. The firemen had no spares, being all 60-minute men. J. D. Brady subbed for the Marshall-Ecclestone team. Bill Stanley, who age is figured at 115, was one of the stars for the firemen. Joe Finlay was another. These two put up a wonderful game for little fellows. Jack Marshall was the third star, though he is accused of mooning when sent off for boarding Bill Smith. Jack had heard what a bad man Bill was and decided to take a fall out of him. He did, and Bill got up, found his teeth again, and threw Jack half across the ice. The referee ordered both men off the ice. Jack was going to go off until he found Bill wasn't. They both stayed. "Oh, well, it doesn't make any difference anyway," the referee said. For the Marshall-Ecclestone team Pete Taylor saw stars. Pete commented two or three times on the fine music given by the Panatropé, though it did not play at all. On another occasion during the game he didn't get out of Bill Stanley's way, and he thought he heard the birds singing. But anyway it was a great game, and everybody had heaps of fun. The line-up and fall-down was as follows:—
 Fire Brigade—Slim Fraser, goal; Daher and Leblanc, defence; Stanley, Finlay and Marshall, forwards.
 The Marshall-Ecclestone—Belanger, goal; Fulton and Pete Taylor, defence and offence; Charlebois, Smith and Quesnell, forwards, Bill being especially forward; Brady, spare, though he didn't spare anybody when he got a chance.
 There will be a return match, and the Marshall-Ecclestone team intend to turn the hose on the fire brigade in that match.

KIWANIS ARRANGE VISIT HERE OF CHAMPION SKATER

Event at Rink Saturday Evening of This Week Discussed at Luncheon on Monday.
 The president, Dr. Lee S. Honey presided at the weekly luncheon of the Kiwanis Club in the Empire Hotel grill room on Monday. The chief business before the meeting was the arrangements in connection with the visit to Timmins on Saturday of this week of Leila Brooks-Potter, the famous champion lady skater, and Mr. Arthur Flack, Canadian champion barrel jumper. The programme for the event Saturday night will be found elsewhere in this issue, and will prove that the Club has made excellent arrangements to provide a programme of unique interest.

Among the visitors welcomed to the Kiwanis Club on Monday were Mr. W. K. Laflamme, of the Metropolitan Life Co., Timmins, and Mr. Schmuck, of the Toronto Kiwanis Club. Mr. Schmuck thanked the local club for the wonderful time enjoyed by the Toronto Kiwanis Club members on their visit to Timmins last year, and he also extended to the club here the heartiest greetings from the Kiwanis in Toronto. He gave again the invitation to Timmins Kiwanis to visit their Toronto brothers when in the Queen City, saying that the Kiwanis of Toronto were always pleased to see members from Timmins and would be glad to meet more of them and on more occasions.

CHAMPION SLUGGER'S DEMANDS
 "Babe" Ruth, the champion baseball slugger of the New York American team, has returned his contract unsigned, with the demand that his contract be increased to \$100,000 per year. Ruth is perhaps still the greatest drawing card in baseball, and it is quite likely they will concede his wishes.

Expert advice?
 Who knows more about the value of life insurance than a bereaved wife?
 Ask her what life insurance means!
 All too often husbands and wives in the heyday of life become blinded to the future by present favorable circumstances and good health.
 This frequently results in one of life's greatest tragedies—mothers and children left alone to face a world they never knew.
 It's all the more pitiable since life insurance protection can be secured so easily and at such low cost from The London Life.

Example of "Earning Power" Series, 20 Year Term with special Interchange Privilege.

\$19,000 Insurance	
Age 25	\$ 94.50
Age 35	\$122.00
Age 45	\$208.00

These extremely low premiums are subject to substantial reduction by annual dividends.

If you are tempted to postpone the taking of adequate life insurance protection think twice and consult an expert

White Crepe de Chine and Georgette is the Ideal Spring Undergarment.
 For those who enjoy sewing on dainty underthings the new combination undergarment shown above will be of special interest.
 White is chosen as being especially suited to the undergarment needs of the filmy Spring frock. It is made all in one piece and consists of a slim crepe de chene bodice joined to crepe de chene bloomers over which is an attached petticoat of chiffon. This is finished by picotting around the deep U-shaped scallops.
 One might also make separate bloomers with attached petticoat, to be worn with dance frocks.
