**Birrell Bell Concert Party Pleases South Porcupine**

**Event on Tuesday Night Enjoyed by all Present. Hockey Match on Monday Evening Proved an Exciting One. Other News from South Porcupine.**

South Porcupine, March 30th, 1927. Special to The Advance.  
 Mr. Vernon Eller is holidaying with friends at Kingston.  
 Mr. C. V. Gallagher is in Toronto on township business.  
 The following clipping from the Ottawa Morning Journal was forwarded to us too late for earlier publication but as the late Mr. McCaffrey was a visitor here frequently in the earlier days of the Camp it will be read with interest by those who remember him. Masters Kenneth and Clarence McCaffrey, two live Advance newboys of the Dome, are grandsons. The Journal says: "A highly respected citizen of Manotick, in the person of Mr. John McCaffrey, passed away at his home on Tuesday, March 8th. The funeral was held on Thursday when there was a large turn-out of Masons and other townspeople to pay their last tribute of respect. The Masons held a brief service at the house and the church service was held in the Anglican Church, of which he was a member, Rev. Mr. Gardener officiating."  
 The Encampment Lodge, South Porcupine, held a social evening last Wednesday when their wives and daughters were invited. Euchre was much enjoyed, the prize winners being:—lady's first, Mrs. Cody (Timmins); second Mrs. Keene (Timmins); consolation, Miss Isabel McWilliams; gent's first, T. Gibbons; second, A. Ewing; consolation, H. Boyle. A very tasty luncheon was afterwards served.  
 On Friday evening last the Explorers' Club, under the supervision of Mr. Vic Evans, journeyed to Timmins, took in a good show and supper, then returned by special bus to town. This was to have been a sleigh-ride but the break-up came to quickly so one of the buses was chartered to convey the happy group to and from Timmins.  
 Mrs. G. Knutson and baby, of the Beamont Mines, are visiting at the home of Mr. and Mrs. B. Walton in town.  
 At the curling rink in the Lang Shield play-off, Mr. H. Boyle's rink was victorious. It consisted of Dr. McLaren, lead; R. Moore, second; A. Pearce, vice-skip, and H. Boyle, skip. They defeated a rink composed of Jas. Alexander, lead; H. Grewece, second; Geo. Cole, vice-skip, and Geo. Rowe, skip, by twelve points to nine.  
 The elimination games for the Pillsworth trophy are now being played and by next week we expect will be completed.  
 Mr. Enrico Franceschini has left camp for sunny Italy and expects to sail on the Majestic on April 2nd.  
 Mrs. I. P. Wilson of Golden City is expected home this week after a month's visit to Sault Ste Marie, Ont.  
 Mr. and Mrs. Walter Honer and Master Billy, of the Dome, are on a trip to New York.  
 Little Marjorie Spiers, of the Dome, has taken a turn for the better and strong hopes are now held out for her recovery.  
 Mr. and Mrs. Don Eames and little daughter left on Tuesday for Toronto.  
 Mrs. MacGregor and two children of Iroquois Falls, have come to join Mr. MacGregor (of Legate's Drug Store) and will become residents here. At present they are the guests of Mr. and Mrs. R. Cameron.  
 Mrs. (Dr.) Barry is being welcomed back to camp and will be resident in the McIntosh block, South Porcupine until such time as her apartment in Schumacher is finished.  
 Miss Irene Wilson is on the sick list this week.  
 Mr. Childs is in the Porcupine hospital suffering from an injury to his foot which he received at the Paymaster when some timber fell on it.  
 On Wednesday afternoon a tea is being held at the home of Mrs. F. C. Evans, Connaught Hill, as a farewell for Miss Chambers, also Nurses Adams and Cuddy, who are leaving the Porcupine Hospital. The fifty members of the Auxiliary have been invited. A presentation of a hand bag is to be made to Miss Chambers along with the following illuminated address: "Dear Miss Chambers,—we hope you will accept this token of our appreciation in the spirit in which it is given, knowing that we realize the efforts you have put forth to make the first-year of the Porcupine Hospital a success. Under your management it has built up a reputation for thoroughness, not only in this vicinity but has attracted people from Timmins

and other districts. It has been a pleasure to work with you for the best interests of this hospital, and we wish you success in your future efforts wherever they may be." Silver toilet articles are being given to the nurses who are resigning. The tea is being held by the Women's Hospital Auxiliary. Mrs. Herman and Mrs. Deacon will pour tea. Mrs. Wright will assist Mrs. Evans to receive the guests while others of the Auxiliary staff will assist in looking after their comfort.  
 On Monday evening there was a pleasant gathering of young people at the home of Mr. and Mrs. E. J. Mason, Dome Mines, in honour of their son, George. Many of the young people from town were out. Music, cards and dancing made a very enjoyable affair for the fifty or so guests present.  
 Mrs. Sullivan and child, of Nakina, is the guest of her sister, Mrs. C. Kavanagh.  
 Mr. T. Reddy is around again after having been in the hospital.  
 Mrs. E. J. Rapsey and baby Isabelle will be out of quarantine on Thursday after their long imprisonment.

The hockey match between Porcupine Hockey Club and McIntyre on Monday night at South Porcupine Arena was very closely contested. The ice was rather soft and going seemed slower than usual, especially in the first period. The first goal was scored by Kelly for the Maes, three and a half minutes after the face-off, and was cleverly done by flipping the puck over Bingham who was stretched across the goal. With eleven minutes gone McIntyre scored another by Rothwell. There was some dispute over this as the goal empire did not see it but the judge of play claimed a goal and the referee allowed it. When there was only two minutes more to go Gagnon, Spence and Quinn staged some of the best combination that had been shown, Quinn making the counter. McIntyre, 2; Porcupine Hockey Club, 1. The second period started out with the Porcupines showing decidedly more pep. The play at this stage developed too often into a mere scramble for the puck, rather than any real hockey. The redeeming points in the fiasco were some splendid combination work put on by Duval and Rothwell which looked like a sure goal for the Maes, but was spectacularly stopped by Bingham, also a splendid lone rush by Spence that netted the second for the Porcupines and for the Maes a third goal was skillfully made by Valentine who was one of the cleanest, fastest players on the ice and at all times dangerous. Fell and Palangio both made strong rushes but the Maes put up a great defence, Gray in goal playing the best game we have seen him in on Porcupine ice. McIntyre, 3; Porcupine, 2. The remainder of the game was largely taken up with disputes over goals which the Porcupine Club persistently claimed and which the referee just as persistently disallowed. Out of a possible six goals Porcupine was allowed two; out of a possible three goals McIntyre was allowed three; so the game was given to McIntyre on a score of 3-2. Line-up—Porcupine Hockey Club—Goal, Bingham; defence, Fell and Palangio; centre, Quinn; wings, Gagnon and Spence; subs., Briden and Hamilton. McIntyre—Goal, Gray; defence, MacPherson and Valentine; centre, Kelly; wings, Duval and Tetreault; subs., Cameron, Rothwell, Davidson. W. Burns was referee, and South Porcupine was greatly dissatisfied with his decisions and handling of the game. The feeling here is that the McIntyres are worthy opponents that could quite likely put over a win by their own efforts, instead of by such decisions as seemed to be handed out on Monday night.

Mr. Harry Wilson is in Toronto on business.

On Tuesday evening the splendid concert put on by Birrell Bell's Concert Party was much enjoyed by a South Porcupine audience. The quality of the music, the rhythm and time so perfectly kept by such a number of instruments played largely by juveniles was a revelation to the listeners. Dr. S. L. Honey, of Timmins, very ably and pleasantly filled the chairman's place, speaking of the great work Mr. and Mrs. Bell have done during their three years in camp. After the overture by the orchestra, Meta Melville, looking sweet and diffident for her first appearance on the stage, showed her ability in the violin solo, "Evening Bells." Then the orchestra selection was "Golden Moments," after which the star of the evening came on the stage in the person of tiny Dulcie Bell, Mr. Bell's baby daughter, who danced the Charleston with a rhythm and sweetness that brought forth rounds of applause. Helen Chisholm, of Timmins, with her aesthetic and graceful dancing charmed everyone as she always does. Then after "America's Finest" by the orchestra, little Grace Murray, of the Dome, who is a child wonder on the violin, played "Blue Bells of Scotland," accompanied at the piano by her young sister, Lena. We predict great things in music for this little eight-year-old violinist. Miss Coteher, of Timmins, pleased all with her solo and after a very fine violin selection, cleverly executed by Willie Shubb, the chairman urged all parents to keep their children at their practice quoting Willie as an example of what can be done. After "Dancing Moonbeams" by the orchestra, a trio "Caliph of Bagdad," (overture), was given by Mrs. Bell and Willie Shubb. Then as the chairman remarked, some of us might wonder if Mr. Bell could play as well as teach, but no doubt was left in the mind even of the fastidious after the real treat his "Scene de Ballet" by De Beriot, was to all. "The Patriot" was especially good by the orchestra. The mandolin duet and also the guitar duet by Messrs Bell and Lorenza Lajeunesse were pleasing innovations. Then Little Misses Margaret Easton and Helen Chisholm gave a delightful exhibition of the "Sailors Hornpipe." Encores were not so supposed to be given but the demand was so insistent that the two little girls were brought back. They and wee Dulcie Bell were each presented with a nice box of bon-bons. The "Angel's Serenade" on the violin by Henry Hnot, one of our own townboys was thoroughly enjoyed and we were all proud of Henry's rendition. The orchestra selection, "Our Boys" closed a programme that for excellence and real musical value has seldom been equalled here, and any who were not fortunate enough to be present missed one of the best things going in this burg.

**ERROR MADE IN GIVING NAME OF BRIDE LAST WEEK**

In a brief reference last week to the marriage of Mr. Len Towers, an error was made through confusion of names, the bride's name being given as Miss A. Kinnari, instead of Miss N. Endly. A correct report of the marriage of Mr. Towers and Miss Endly is given elsewhere in this issue.
