**HOME OF P.W. CURTIS
BURNED TO THE GROUND**

Dairyman Residing Out of Town Has Heavy Loss. Another Fire on Wednesday Morning.

The fire brigade had two calls on Wednesday morning this week. One call was at 3.30 a.m. On a vacant lot at the rear of Mr. C. Roach's residence, Mountjoy street, someone had had a fire going to burn up some rubbish. With the high wind blowing, the fire sprang into activity shortly after three in the morning. Mr. Roach noticed the fire from his residence and phoned the fire hall. With the wind that was on Wednesday morning, any kind of a fire outside anywhere was highly dangerous and a direct menace. The firemen made a very prompt response to the call and at once put the blaze out.

Another call Wednesday morning was sent in by two men on the way to work. It was for the residence of Mr. P. W. Curtis, milkman, Mountjoy township. The fire brigade went down to the town limits but were un-

F. M. BLACK, M.P.P.

and ex-Provincial Treasurer of the Province of Manitoba, who has been offered the position of Chairman of the Board of Control in B.C. under the Produce Marketing Act of that Province.

able to do anything, the fire being a considerable distance from town. It was two far to reach with hose from any of the town hydrants, and the roads were not in shape that the truck could be taken along them to get to the place. The house and contents were totally destroyed. The barn on the property escaped the fire. The loss will be a heavy one to Mr. Curtis, who has established a good dairy business and doing well. There will be very general sympathy with him in this misfortune. At the time of writing the cause of the fire is not known.

**CONFEDERATION PRIZE
FOR CANADIAN AUTHORS**

A Confederation Prize for literature, to be awarded annually to the author of the most outstanding Canadian book of the year, has been suggested by the Canadian Authors' Association in connection with the celebration of Canada's sixtieth birthday.

The National Executive of the Authors' Association by a unanimous vote has memorialized the Prime Minister, suggesting the setting aside of one-tenth of the \$250,000 Diamond Jubilee Fund to endow in perpetuity such an annual prize for the encouragement of Canadian literature.

Blessed is the man who has found his work.—Carlyle.

Daughter was admiring her beautiful new silk dress. "Isn't it wonderful that all this beautiful silk comes from one insignificant worm?" she said. "Daughter," inquired her mother, "is it necessary to refer to your father in that manner?"

**INTERESTING ADDRESSES
AT THE KIWANIS CLUB**

Rev. J. D. Parks Speaks on "Vestiges," and Mr. V. Woodbury Reviews Trip to California.

Dr. S. L. Honey presided at the Kiwanis Club luncheon at the Empire Hotel on Monday. The event was well attended and proved very interesting throughout.

The visitors for the day included:—Mr. Walter Kingsmill, of the Cobalt Kiwanis Club; Dr. Pearson, Toronto; Dr. J. E. I. Joyal, Timmins; and Rev. Mr. Baine, South Porcupine.

Mr. Vincent Woodbury gave a talk on a recent trip to California and his brief but pointed address pleased all as well as adding to the general information. One of the points of special interest was Mr. Woodbury's statement, based on an inside knowledge and experience, that the Canadian railways in equipment and service were equal to the very finest in the United States. While he had the C.P.R. and C.N.R. especially in view, he also did not forget the splendid service of our own T. & N.O.

Two violin solos by Rev. Mr. Baine delighted the gathering and were very heartily applauded. Rev. Mr. Baine is a violinist of outstanding merit and interprets his selections with unusual talent and effectiveness.

Dr. Hague reported that the lad for whom the Kiwanis Club had secured artificial limbs was now splendidly equipped and doing well indeed.

The speaker for the day was Rev. J. D. Parks who chose as his topic, "Vestiges." His address was full of interest and inspiration.

Mr. W. Pierce reported progress for the committee in charge of the proposed Midnight Revue to be presented in the near future.

**CHILD BADLY BURNED BY
SPARKS FLYING FROM STOVE**

An odd accident is recorded by The Haileyburian last week as follows:—

"The ten-months-old child of Mr. and Mrs. Ducharme, of Osseo, was badly burned on Saturday last, when it was left alone in the house while the parents were out at the barn doing the chores. The child was left in a rocker near the stove and a spark apparently was blown out and caught in its clothing. The baby's cries brought the parents rushing to the house and they were in time, it is believed, to rescue it, although the injuries are serious. Last accounts report hoos of its recovery."

**MEETING FRIDAY NIGHT
TO ORGANIZE SOFTBALL**

All softball fans,—and the town is full of them—are urged to remember the meeting called for tomorrow (Friday) evening, April 22nd, in the town hall, at 8 p.m., to organize for softball for the season. Last year softball took high place among the popular sports of the town, and this year its popularity should be even more pronounced. It is a game that makes special appeal to large numbers. To make the best and the most of the season, early organization is necessary, so all softball fans should be on hand for tomorrow night's meeting.

The wise ones tell us we must be prepared to start in at the bottom, and work up. How about digging a well?

**LARGE MOOSE KILLED BY
T. & N. O. TRAIN NEAR DANE**

Last Thursday afternoon a passenger train killed a large moose on the track a few hundred yards from Dane Station on the T. & N. O. main line, five miles south of Swastika. The moose was passing through a rock cut and on account of the steep sides could not escape from the oncoming train. The engineer, on the other hand, did not see the animal's predicament in time to stop the train before the moose was hit.

**SAM COOK APPEARS TO BE
A READY LETTER WRITER**

The following letter is from The Pas, Manitoba, Herald:—
The Pas, Big Eddy, Man.
April 9, 1927

To Editor,
Dear Sir:

I here acknowledge that I am resigning by running the stopping place of mine at Rocky Lake this time of the year until for next year. I came to town on the date April 8th, 1927 and will go back again to Root Lake for camp this spring this year. I am entirely interested about teamsters for R. N. Co.'s are most fairly good head men for him. There is one man in the best of the bunch that is Harry White and I think Harry is getting stout this year. And I am indeed very glad with thanksgiving what they have done with me all through this winter.

Stop here 1500 team, 65 dog team, 1800 men, fish 50 for dogs. This spring lots of fire big grass. Lots of hay next winter 100 tons. Bunk house 25 or 30 lots of dance next winter, this spring lots of potatoes big land maybe clear. Next winter mabie cold warm house Sam Cook's lots of snows water this spring for men to buisy to work can't catch rats this spring leaving for Big Eddy to-day but can't go to many men here maby go tomorrow much men here last night. Fred from Camp 2 here a long time I don't see him. Bob Hassett I see in the war here to night. So goodbye with best love for all.

yours truly friend,
SAM COOK.

**INCOME TAX RETURNS
DUE BEFORE APRIL 30TH**

Federal income tax returns must be made by April 30th, and although the demand for forms at the local post-office so far has been light, it is expected that a rush will be made within the next few days. Four new types of form used last year is unchanged, various tax conditions, but the general form used last year is unchanged. This year, married persons with income below \$3,000 are being exempted and need not file returns unless requested to do so by the Department. That persons claiming exemption of incomes over \$3,000 must file one of the supplementary forms whether the party is married or single.

Married men in "A" class, claiming \$3,000 exemption must file the supplementary forms known as T.I.D. in which he makes the statement of his

**FIRST FOOTBALL GAME
ON SATURDAY, APRIL 30**

Last Year's Winners to Play the Pick of the League in Exhibition Game. Other Items from P.D.F.L. Meeting.

The Porcupine District Football League met on Saturday last in the town hall. Some very important business was transacted, with promptness and with the most friendly co-operation of the delegates present. This augurs well for the coming season, which is confidently expected to be the very best yet. One of the reasons for expecting a specially good season is the fact that it is intended this year to strictly enforce the rule that every player in any of the clubs shall be duly registered with the Dominion Football Association. This gives every man and every team in the league the right to enter into the various cup competitions, and will make for a higher class of football. The new D.F.A. forms were explained by Secretary W. Field, and each team was allotted fourteen forms. The schedule for the coming season was left in the hands of the secretary to be prepared.

It was decided to hold the opening game on April 30th, between the last year's winners, the Holly Rees, and the Pick-of-the-League, the proceeds to be placed to the funds of the P.D.F.L. At a later date other benefit games will be played for various other organizations.

The League decided also that the team winning the Ontario Cup preliminary round be the team to represent the Porcupine Camp in other provincial or Dominion honours.

The next meeting will be held in the near future, the date to be arranged by the secretary.

income and that of his wife's, if the wife's income is over \$1,500 each is given an exemption of \$1,500, making the \$3,000.

Section "B" makes it necessary for single persons, widowers, or widows who have dependents to file a form T. 1E., which sets out the claims for the dependent persons.

Section "C" deals with single persons, widows or widowers, who have no dependents and who have claims for exemption as householders. These persons must file the form known as T. 1C. in order to get exemption of \$3,000.

The amendments to the law, which received assent in April are now law. Under these amendments the age of dependent children is increased to 21 years.

The Cynic says: Many people keep their reputations spotless, but they seem to have mislaid their souls.

**GOOD EYESIGHT FOR
MOTORISTS**

Four States and the District of Columbia are now trying to reduce their yearly quota of motor accidents by refusing to license drivers who might prove to be dangerous drivers because they cannot see as they should. The motorist whose vision is below normal is risking his life and the lives of others by neglecting to have it corrected. It is unwise to take such a risk. Have your eyes examined.
