ANOTHER HAPPY PARTY BY LADIES OF ORIENT.

Another successful party was held last night by the Ladies of the Orient at the home of Mrs. J. Johnston, who was assisted by Mrs. Geddes in the work of entertaining the guests. Ten games of euchre, were played, the first prize, being carried off by a very old-timer of Timmins' early days, Mrs. Ed. Lee, now of Haileybury, who is visiting her sister, Mrs. Fairbrother. The consolation prize was awarded to Mrs. Fairbrother. Mrs. Geddes played for the gentlemen and carried off the first prize. Mr. Johnston being considered the very worst player was cheerfully awarded the booby. A very pleasing lunch was served. Dancing was enjoyed during the latter part of the evening. The next event will be the masquerade on Friday, April 29th, and this by all accounts is going to be a genuine humdinger.

SPECIAL PROGRAMME FOR BAND CONCERT SUNDAY

Will include Talented Vocalists, and Selections by the Noted Croatian Orchestra in National Costume.

The band concert to be held in the Goldfields theatre on Sunday evening after the church services will be an unusually attractive one. Among the vocalists will be Mrs. G. Jenkin, who won such pronounced favour for her talent at a recent band concert. Another extra special will be selections by the Croatian Tamburica Orchestra, a musical organization of rare talent, under the direction of Mr. Peter Smaatlick, who was for years a member of the Croatian orchestra with the Chautauqua. There will be selections by the Timmins Citizens' Band and other numbers of special interest.

Arrangements have been completed by the Croatian Consul at Montreal, and at this end by Mr. John Krankovich. The orchestra will represent Jugo-Slavia in the musical contest, and all here will wish them all success.

"BEAU GESTE" ATTRACTS BIG CROWDS THIS WEEK

The Paramount picture, "Beau Geste," shown at the Goldfields theatre on Monday and Tuesday, proved a big drawing card. It may be noted, too, that this picture fully deserved the big attendance at each showing and the interest given to this now-famous film. It is undoubtedly one of the best pictures of recent years, having all the qualities that make such a work of art truly great. The cast is equal in excellence to the play and the wonderful photography. Every member on the unusually large cast takes his or her part in very clever way. The cast includes:—Ronald Colman, Alice Joyce, Noah Beery, Mary Brian, Neil Hamilton, Ralph Forbes, Wm. Powell, Norman Trevor, and literally thousands of others. It is a stirring story of the French Foreign Legion and the love of three brothers—a picture that will linger in the memory. Its theme is rather sad, but there are flashes of wit and humour to give the story the touch of life. Those who missed this picture missed a treat. An added attraction was the special "Beau Geste" orchestra travelling with the picture. The music was one of the extra items much appreciated.

UNUSUALLY FINE SCHOOL CONCERT AT KIRKLAND LAKE

The South Porcupine correspondent of The Advance visited Kirkland Lake last week and sends in the following interesting account of a school concert, in which several children formerly residents in this camp took part:—

A most varied and entertaining programme was given by the pupils of the public and continuation schools in the Strand theatre, Kirkland Lake, on Wednesday, April 13th. The theatre was filled to capacity for the performance and from the opening chorus until the curtain dropped each number showed thorough preparation, was well performed by the pupils and much appreciated by the parents and friends. A flag drill by several small boys was given with military precision. The little Trades Ladies were gracefully led by Ruth Sullivan, daughter of Mr. and Mrs. Ralph Sullivan. A Rose Drill by 16 little girls was one of the prettiest things we ever saw on the stage. The Highland Fling by Thelma Parker was to the accompaniment of the bagpipes played by Chief Johnson. Mr. Tommy Church's oration would have done credit to his illustrious namesake. He is the winner of the Oratorical Contest, and will represent Kirkland Lake at North Bay. A violin duet by the Hayes Bros., of the Teck-Hughes, was especially clever. It was noticeable the number of children of former Porcupine residents taking part. Among those whom we recognized were:—the son and daughter of the late chief J. Wilson of Timmins; Miss Mary Allen, daughter of M. Allen took a prominent part in the play, as did also Ted Grierson, son of Mr. A. Grierson; Little Nesta Hastie, daughter of Mr. Morris Hastie, formerly of the Dome, was one of the stars of the evening, both in her duet with James Groom and in the play given at the close.

Schumacher Mothers Given Banquet by Girls of C.G.I.T.

Special Easter Services at Schumacher United Church. Visit for "Distinguished Party" on Tuesday. Mr. and Mrs. H. J. Cain Leaving for Pacific Coast. Other Schumacher News.

Schumacher, April 20th, 1927. Special to The Advance.

A very distinguished party paid us the honour of a visit on Tuesday, and left in the early afternoon by the aerial route for more remote regions in the North. This time it was not a delegation of capitalists, anxious to obtain a closer view of the great mineral resources of Ontario, but a flock of fifty beautiful specimens of the well-known Canada goose. The travellers were comparatively tame, and presented an interesting sight as they stood with heads erect in military array, gazing with astonishment at the signs of industry and civilization in one of their recent favourite haunts. At the signal honk of their commander, they spread their mighty pinions, and rose from our tiny planet to the immeasurable space above. After taking farewell looks upon the terminus of the Temiskaming Railway, the great gold mines of Hollinger and McIntyre, and a trembling glance where the schoolboys wait with dynamite, the V-shaped contingent hurried away to their summer homes near the land of the Eskimo.

Mr. James Kennedy left, on Wednesday in response to a message announcing the dangerous illness of his aged mother at Eganville, Ont.

Mr. and Mrs. Allan Costain and family left last week for Timmins where they will reside. Their numerous friends regret the departure and hope to see them dwelling again at an early date in the old home town.

Mrs. J. J. Denny and sons, Ronald and Gordon, are spending the Easter season in Toronto.

Mr. and Mrs. H. J. Cain have disposed of their comfortable home on Second avenue, and intend leaving in the immediate future for British Columbia where Mr. Cain has secured an important position as mill superintendent in a large mining centre. Mr. and Mrs. Cain are among the earliest and most respected residents, and a wide circle of friends regret their departure to the far Pacific province.

The basement of the United Church was the scene of a very happy social event on Tuesday evening when the mothers of the community were banqueted by the Canadian Girls in Training. In addition to the usual toasts to the Church organizations, and responses, there was an excellent programme of readings and musical numbers. The tables were artistically arranged and laden with the choicest delicacies, one of the chief items on

the menu being "chicken" in abundance. The girls deserve credit for the success of the banquet, and also for the idea of trying to unite still stronger the bonds of love, and sympathy between themselves and the mothers, who have lavished unselfish care and affection since the days of babyhood.

Mr. J. Smith and family, of Fourth avenue, have the heartfelt sympathy of the whole community in the death of the wife and mother at the hospital in Rochester, Minn., whither she had been taken for treatment about one week ago. A telegram on Monday conveyed the sad tidings to the bereaved husband and children.

Schumacher school will re-open on Monday, April 25. New pupils who are six years of age will be admitted. Miss Ida V. Cole is spending the Easter vacation with her friend, Miss Robertson, principal of the public school, Smooth Rock Falls, Ont.

Mrs. James Hawkins and daughter, Gertrude, are visiting friends at Orillia.

Miss Jacqueline Belanger, of the public school staff, left on Friday to spend the Easter holidays at her home in Elk Lake.

Mr. Norman Radburn has accepted a position with the Canadian Explosives, Timmins. During the past few months, Norman has been taking a course at the Business College and is now well-equipped to enter upon a successful commercial career. Congratulations and success.

Miss Irene Murphy, a former teacher in the public school at Kirkland Lake, is renewing acquaintances in that town.

Mr. Morris Bucovsky who has been absent several weeks in Kapuskasing, returned to town on Friday. Bucovsky Bros. have opened a new place of business in the northern town and predict a marvellous growth and development in the near future. The Easter services in the United Church were very largely attended, the capacious auditorium being filled in the morning and evening. Rev. Mr. Kennedy occupied the pulpit and delivered two excellent sermons. Beautiful lilies and roses were seen in profusion and these emblems of purity and innocence spoke eloquently of life's reawakening, and the resurrection morn. Special music by the Junior and Senior Choir and an Easter solo by Mr. W. Trollope in the evening made the services more impressive.

Piles Disappear

No Cutting or Salves Needed. External treatments seldom banish Piles and for the very good reason that the cause is inside—bad circulation in affected parts, veins are flabby and bowel walls weakened.

To quickly and safely rid yourself of piles you must free the circulation—send fresh, healthy blood to the raw, sensitive membranes. Internal treatment is one safe method. Ointments and other external treatments can't give lasting relief.

J. S. Leonhardt, M.D., a specialist, set at work some years ago to find a real internal remedy for piles. He succeeded. He named his prescription HEM-ROID, and it has proven successful in thousands of cases—so successful that now HEM-ROID is sold by druggists under a money back guarantee. It is a harmless tablet, easy to take, and can always be found at all druggists, who will promptly refund the purchase price if you are dissatisfied.
