# Interesting War Souvenirs On View in Sauve's Window

In Connection With the Splendid Prizes Offered by the Timmins Post of the Canadian Legion. Prizes will be Awarded at the Dance on May 6th. Some Memories of the War.

In connection with the display of prizes and war souvenirs on display in Sauve's window this week, a member of the Timmins branch of the Canadian Legion kindly contributes the following:—

"They shall not pass!" As one views the most interesting display of military trophies and battlefield relics now being shown in Sauve's Pharmacy, next to the Post Office, these famous words of Marshall Foch's, spoken in the dark days of April, 1918, are brought to mind again in these fortunately more pacific days of April, 1927.

The articles shown consist of a number of interesting war relics, and are put on to attract attention to the splendid prizes which the Timmins branch of the Canadian Legion are giving, and which will be awarded at the big dance to be held in the McIntyre Recreation Hall, Schumacher, on Friday, May 6th.

One of the most interesting souvenirs of the Great War is that of Mr. A. N. McKinley's, of the Canadian Bank of Commerce, an ex-gunner of the Canadian Field Artillery, with a good military record—a real "Jerry" helmet, issued in 1914 to the German army in anticipation of their victorious march through Paris. There is also the old familiar friend, the "tin hat" (a friend indeed to many of us), bearing the name and badge of a 10th Battery Canadian Artilleryman, a forage cap which once adorned (?) the head of a Fritz; rifle, grenades, Mills hand grenade, a magnificent tray, which is a reproduction of the first Service pin issued in 1916; and a much-travelled pillow, bearing the names in writing of very many places and battlefields of France, Flanders, etc., which is the property of Dr. A. S. Porter, M.C.,—a silent but nevertheless infallible witness to the good work accomplished by the medical profession in that last great struggle.

"Let us Forget" I would bring back to the memory of Canadians and Imperials alike, that it was in the month of April, nine years ago, that two of the most momentous orders of the day were issued by the commanders of the British and Canadian Armies, Sir Douglas Haig and Sir Arthur Currie:—

"There is no other course open to us but to fight it out. Every position must be held to the last man; there must be no retirement. With our backs to the wall and believing in the justice of our cause, each one of us must fight on to the end. The safety of our homes and the freedom of mankind alike depend on the conduct of each one of us at this critical moment."—Haig.

"Looking back with pride on the unbroken record of your glorious achievements, asking you to realize that to-day the fate of the British Empire hangs in the balance, I place my trust in the Canadian Corps, knowing that where Canadians are engaged there can be no giving away. Under the orders of your devoted officers in the coming battle, you will advance or fall where you stand, facing the enemy. To those who fall, I say, 'You will not die, but will step into immortality. Your mothers will not lament your fate, but will be proud to have borne such sons. Your names will be revered forever and ever by your grateful country, and God will take you unto himself.'—Currie.

No need now to stress the vital necessity of such orders, coming from men who were primarily soldiers, and

so more used to fighting than phrasing. And it is noteworthy also that in two months the British Army lost nearly 500,000 men, and the Canadian Army in proportion also.

But what we of the Legion do need to stress is that even yet there is need of sympathetic and understanding treatment of Canada's and the Empire's veterans on the part of the Dominion Government, whose moral duty it is to extend a helping hand to those of its veterans who through no fault of their own have "fallen by the way-side."—T. ### TEMISKAMING WOMEN'S MISSIONARY SOCIETY

The first annual meeting of the Temiskaming Presbyterian Women's Missionary Society of the United Church of Canada was held in the United church at Haileybury on Tuesday, April 19th. The president, Mrs. D. A. McKerracher, presided at both sessions. The reports of the various departments showed pleasing activity and progress. In referring to the reports, The New Liskeard Speaker last week says:—"The report of the corresponding secretary was indeed most gratifying showing as it did, increased interest in auxiliaries, associate societies, Mission Circle, G.I.T. groups and Mission Bands. In members and in the amounts raised the societies did most creditable work during 1926-27. The total amount raised was \$1535. Aside from this the supply department reported sales of clothing to the value of \$435, were sent to Hearst settlement and to Indian Reserve in the West."

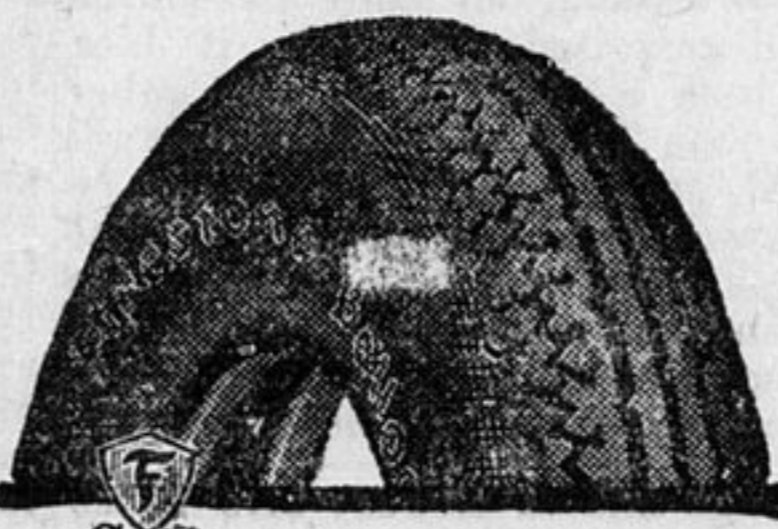

Several musical numbers added to the interest and pleasure of the event, and there were very interesting and helpful papers and addresses. In connection with the addresses, The Speaker says:—"Miss E. M. Quick, the W.M.S. Deaconess, located in the Timmins District, gave a most interesting address telling of her work during the past year and the progress made in the work among the foreigners."

Another special feature of the occasion was an address by Miss Harrison from West China, who gave a graphic explanation of the causes of the present trouble in China.

Mr. D. A. McKerracher, Haileybury, was re-elected president; Mrs. N. Rawson is the recording secretary; and Mrs. F. W. Hutt, the corresponding secretary.

### SOME OF THE RESULTS OF A 24-HOUR POKER SESSION

At Cobalt police court last week the results of a 24-hour session of poker at the poolroom of T. Kallies at Gowanda were marshalled in review, and proved good or bad or indifferent, according to the viewpoint. Thomas Skinty, who said that he formerly had been a moulder in Guelph, but who was described by Magistrate Atkinson, as "a professional crook," was sent to jail for three months on being found guilty of the theft of \$350 from Isaac Hall, his opponent at cards. Hall and Skinty were the survivors of the long session, and the former alleged that Skinty had picked up his money and walked out of the door. Skinty denied this and said he left with only his own money after Hall had announced he (Hall) was "The shark of Gowanda" and had laughed at accused, who had lost the previous hand. Skinty was ordered to refund \$300 to Hall.

### MR. AND MRS. C. TONER FIFTY YEARS MARRIED ON APRIL 22

The Standard-Observer of Pembroke, Ontario, last week published a picture of Mr. and Mrs. Charles Toner, of Allumette Island, who celebrate their golden wedding anniversary on Friday of last week. They were married at Chateau on April 22nd, 1877, and have lived on the Island all these years. There were fourteen children, nine of whom are living, some of them being respected residents of Timmins. Mr. Chas. Toner is 82 years of age, and Mrs. Toner is 67. The Pembroke Standard-Observer makes the following reference to the golden wedding anniversary of the couple:—

"Mr. and Mrs. Charles Toner, of Allumette Island, will celebrate the anniversary of their Golden Wedding on Friday, April 22nd. On account of their advanced age the celebration will be rather quiet. Mrs. Toner formerly Miss Mary Ann Tierney, is a life long resident of Allumette Island, and was born their 67 years ago. Charles Toner is 82 years of age, was born in Ireland and came to Canada with his parents when only seven years old. His home was in Portage du Fort, until shortly before his marriage. Fifty years ago they were married in Chateau, Que., and have since made Allumette Island their home. They were pioneer farmers of the Island, and are one of the oldest and most highly esteemed couples of the Island. Their union was blessed with 14 children, and there are 25 grandchildren, and 2 great grand children. Mr. and Mrs. Toner are in good health, and it is the wish of their many friends that they will live to enjoy their sixtieth anniversary. Of the family there are nine children living. They are Dominic, of Detroit, Thomas, of Timmins, John, on the homestead, Mrs. James Dunn and Mrs. C. B. McGuire, of Demers Centre, Que., Mrs. Herbert Ryan, Timmins, Mrs. A. McLaughlin, Mrs. Kritsche and Miss Anna Toner, all of Kitchener."

"As Kipling says, my dear: 'Woman is a rag a bone and a hank of hair!'"  
"And man," she answered and smiled sweetly, "is a jag, a drone and a tank of air."—Ex.
