**Timmins Oddfellows Attend
Schumacher Church Sunday**

About 120 Members of Order in Annual Parade. Birrell Bell's Concert Party Delights Crowded House at Schumacher on May 1st. Other Items of News from Schumacher Correspondent.

Schumacher, Ont., May 4th. Special to The Advance.

The musical concert on the evening of May 1st, rendered by the pupils of Mr. Birrell Bell, our capable and popular violin instructor, attracted an assembly of music lovers that filled to its utmost capacity the large auditorium of the Maple Leaf theatre.

There were about thirty entertainers in the company, and for two hours the vast audience was delighted with the programme of orchestral selections and individual numbers.

Many of the artists were of very tender age and astonished the listeners by their skill on the different stringed instruments.

The following in the programme:—
Overture—By the Orchestra.
Violin Solo—"Tyrolienne," from "La Fille de Regiment"; Donizetti; by Miss Gracie Murray. This selection was excellent. The tone and precision of movement were wonderful for an eight-year-old girl.

Selection by Orchestra—"Petite Suite de Ballet."
A vocal solo by Mr. Kee entitled "Danny Boy," was well received.

Violin Solo—"Faust," by Master Willie Shub, an advanced pupil, was especially well played. Willie has the appearance of a music master and will be a real one.

Orchestra—"Flag Day."
Violin Solo—"Flower Song," by Master Walter Finkelman. Walter is one of our local boys and was enthusiastically applauded but as there were no encores permitted the audience had to be satisfied with a graceful bow as the recognition of their appreciation.

"Innocence," a classical dance by Miss Helen Chisholm, was very cleverly executed; such charm, beauty and gracefulness of movement could not be excelled. Some one said, "just like a creature from Fairyland."

Selection by Orchestra—"Spring Time."
String Quartette—"Air Varie," by Mr. and Mrs. Birrell Bell and Masters Katz and Shub. This number was specially well rendered and was highly appreciated by the entire audience.

The next on the programme was a violin solo by Mr. Birrell Bell, the leader of the orchestra. The selection was "Fantasie," de Beriot (of 100). Mr. Bell's performance cannot be adequately described. His distinction of style, mastery of the instrument and clever interpretation of the selections place him in the front rank with our Canadian violinists.

Orchestra—"The Patriot."
Messrs Birrell Bell and Languesse appeared in duets mandolin and gui-

tar, both of which appealed to the audience.

A violin solo—"Theme With Variations," was rendered very cleverly by Master Sam Katz, an advanced pupil who promises to make a name for himself in the world of music.

The final number was an orchestra selection entitled, "Our Boys."

Mr. J. McFadden was the clever accompanist on the piano during the evening.

Mr. James Shewan, in his usual genial manner, very ably presided.

The orchestra selections, solos and dances were of a high class and well rendered. Teacher and pupils cannot be too highly commended for the good work.

Proceeds were in aid of the South Porcupine Hospital.

A reunion with her father, Mr. Gardner, after an absence of thirty-five years, is the happy experience of Mrs. S. Denison, Second avenue. Owing to death in the family, the members became separated more than a quarter of a century ago. Mr. Gardner, who is now a resident of Toronto, arrived in town on Tuesday evening and will remain for some time with his long-lost relatives.

Timmins Lodge I.O.O.F. to the number of one hundred and twenty attended divine service in the United Church on Sunday evening. A very appropriate sermon was delivered by Rev. I. Kennedy to the visiting brethren. During his discourse the minister commended the charitable work of the Order and all such societies and organizations that are labouring so faithfully for the uplift of humanity. Rev. Kennedy expressed the hope that the golden era will come soon when all men will recognize the fatherhood of God and the brotherhood of man. Special music by the choir and a solo by Miss Cotcher were pleasing features of the service.

Don't forget the sale of aprons, home-made baking and afternoon tea by the Ladies' Auxiliary on Wednesday, May 11th, in Mr. Todd's vacant store. Tea from three to six.

Miss Theresa St. Denis, of Montreal, is spending a few weeks with her sister, Mrs. Thos. McNamee, Second avenue.

Mrs. Richard Davis and babe left on Thursday to join relatives in the State of New Hampshire. Mr. Davis will follow at a later date.

Mrs. George Elliott, who was in Matheson and Iroquois Falls on official business in connection with the Rebekah Lodge, has returned.

Mr. and Mrs. H. J. Cain left on Sunday for Toronto, where they will spend several weeks before proceed-

ing to their new home in British Columbia. A host of friends regret the departure of such esteemed citizens and all join in extending good wishes for health and prosperity.

Mr. H. A. Kee is on an extended business and pleasure trip through United States. During his absence Mr. Kee will visit his mother and other relatives in California.

Dr. and Mrs. Honey have moved from their former place of residence on Fourth avenue to the dwelling on Second avenue, recently vacated by Mr. and Mrs. Cain.

Miss I Gilbert, of Peterboro, England, sister of Mr. Fred Gilbert, is a visitor at the home of Mr. and Mrs. Gilbert, First avenue.

Mrs. S. Wookey and daughter, Joy, left recently for Toronto where they will spend the summer months.

Mr. Charles Macdonald, of Gold Centre, was stricken with pneumonia on Sunday and removed at once to the Timmins hospital. His many friends will be glad to hear of an early improvement.

We regret to report the illness of Mrs. D. Craig. To hear of a quick recovery will be good news for many friends.

Misses Frances and Muriel Olton, nurses-in-training at the St. Catharines General hospital, are spending some holidays at the home of their parents, Mr. and Mrs. W. P. Olton, Ankerite Mine.

We extend our congratulations to the Croatian Tamburica Orchestra for winning such high honour in the recent musical contest held in Montreal under the auspices of the I.O.D.E. There were twenty-six orchestras in the contest.

Banff's Big Indian Pow Wow a Colorful Spectacle

The Stoney Indians, who live near Banff, Alberta, in the Canadian Rockies, believe in the old adage: "All work and no play makes Chief Jack a dull boy," or words to that effect. Consequently, when they leave their Morley Reserve in July for their annual Pow Wow, at Banff, they put on for two or three days one of the most colorful and unique spectacles seen in North America. Headed by such noted chiefs as Moose-killer, otherwise Peter Wesley, who still has Queen Victoria's treaty flag; Horsefoot, Hector Crawler, medicine man; Walking Buffalo, Johnnie Bearspaw, David Bearspaw, Green Hills and Spotted Eagle, they parade each morning through the streets of Banff and to the courtyard of the Banff Springs Hotel, resplendant in gorgeous trappings of bead-work, ermine tails and eagle feathers. The squaws and bucks have on more war

paint than a Broadway flapper, and even the horses are painted.
Tiny papooses are carried in moss bags on their mother's backs, or on the old travoise, and their little, shining faces seem to reflect the happiness of all these "people of the woods" in being back again in the mountains which they loved to roam. These Indians are thrifty. Some of them have ranches in the foothills of the Canadian Rockies; they out and export wood; the squaws do beautiful bead-work, which they sell; the trap-lines yield valuable furs; and, on the whole, the Stoney are the most capable and business-like of the Western Canadian Indians.

Tribal sports, bow and arrow contests, pony races, tepee pitching in the shortest time, squaw races, wrestling on horseback by bucks, horse racing contests by young Indians and many other events, equally interesting, are staged daily in the Elk Pasture near Buffalo Park, in a lovely meadow surrounded by mile-high mountains. The tepees are pitched along the sides of a vast rectangle and many are painted in fantastic designs, lending a dash of color to the scene. Meals are cooked in the open, squaws carry wood and water while little children romp and play around the tepees. In the evenings, the Indians dance in a circle to the music of tom-toms and sing the weird songs which their ancestors have sung for centuries on the shores of near-by Lake Minnewanka the "Spirit Water" of the Stoney.
