BIG FIND OF VISIBLE GOLD IN McARTHUR TOWNSHIP

A noteworthy find of visible gold is reported in a vein on which the Hewitt Mines is sinking on their property in McArthur and Bartlett townships. The shaft at a depth of 35 feet has encountered what appears to be very rich stuff, and there is consequently much interest. Those who have worked in McArthur and Bartlett townships hold great faith in the prospects there, and many old-timers believe that the next big mine in the Porcupine area will be in that district.

A moment's excitement was caused Saturday evening in front of the Goldfields theatre by the loud sound of the breaking of glass. The noise sounded like the smashing of a big plate glass window. It proved however to be something else. Two boys had a bag full of bottles and accidentally dropped this bag on the cement walk. There was a rush to "the scene of the sound," but on finding out that the break was of bottles, and the bottles were empty, everybody went about their affairs again with a passing sympathy for the two lads who had lost some pocket money through the accident.

ILLUMINATING ADDRESS ON TWO CANADIAN POETS

Mr. W. Douglas Burden, of Ottawa, Delights Kiwanis Club with his Elocutionary Talents.

At the weekly luncheon of the Kiwanis Club on Monday at the Empire Hotel, the speaker of the day was Mr. W. Douglas Burden, of Ottawa, assistant manager Eastern Ontario branch, Canada Life Assurance Co. Mr. Burden spoke on the lines and works of two Canadian poets, Dr. Drummond and Miss Pauline Johnston. Mr. Burden's address was intensely interesting to all and was much appreciated. He gave several anecdotes that proved most interesting and at the same time his address gave a new interest and appreciation for the poets dealt with. Mr. Burden is an elocutionist of very unusual talent and his presentation of poems by Mr. Drummond and Pauline Johnston were remarkably interesting and well given. The address was one of the most interesting enjoyed by the Kiwanis Club for some time.

During the luncheon special music, under the capable direction of Mr. Wils. Lang, was an appreciated feature.

Reports of several committees were received. Among the reports was a very encouraging one from the chairman of the committee in charge of the Graveyard Shift Revue on Friday of this week, May 20th. The programme for the event is in the best of shape and the event promises to be one of the biggest successes in the history of the district.

DON'T IMPOSE ON THE BOYS WHO BRING YOUR PAPER.

"That piece you put in the paper some weeks ago about people not paying the newsboys helped a lot, and I wish you would put in another just like it." This is what one of the lads who deliver The Advance to customers each week said a few days ago. The little fellow proceeded to explain again some of the troubles encountered. He said that he would call on a customer with the week's copy of the paper and would be told that they had no change. Next week it might be the same, and at several places the "no change" idea would obtain, and so he would find that in his desire to accommodate people he had given quite a bit of credit. This credit means a considerable hardship to the boys, and when someone moves away or something else happens that they do not pay it is a serious matter indeed for the lads. There are a few such cases. There shouldn't be any. If people would stop and think for a moment, The Advance is sure that the paper carriers would always be used right. Therefore, again, The Advance would say:—Have your nickel ready for the newsboy when he calls with the paper, and if on occasion this should not be possible than see that you have the dime the next time. Don't put the lad to unnecessary trouble or loss. The best way is just to remember and have the nickel for the paper ready each week.

PRESENTATION SILVER WAR MEDAL FOUND HERE

Last week Mr. W. S. Johns' little lad while at play found a silver medal which he took home where it was cleaned up and proved to be a presentation medal that the owner no doubt will value greatly. The medal is of sterling silver, made by Birks, and on one side is the inscription:—"Presented to Pierre Millard, for gallant service in the Great War, 1914-1918. Keewatin, Aug. 4th, 1919." On the reverse side is a symbolic design, with the words, "They fought for Freedom and Honour." After cleaning the medal, Mr. Johns brought it to The Advance Office where the owner may secure it again.

TWO INTERESTING GAMES IN P.O.F.L. LAST WEEK

Both McIntyre and Dome Show Classy Teams. Hollinger and Lanes. Have Good Match.

The match on Friday last played at Schumacher between the McIntyre and the Dome was of the very best of football. It resulted in a win for the McIntyre by a score of 3 to 2. The Dome have had a struggle to get up a team this year, but they have evidently struggled to some purpose for the team they turned out on Friday was a credit, and it is generally recognized that the Dome team is going to be a hard one to beat. The McIntyre also have a good team, and will have to be watched carefully during the season. There was a good turnout at the match on Friday and everybody there surely got their money's worth.

Two of the goals scored were from penalties, one each, the spot kicks being taken by Morris and Richmond. The others came by Drew and Cooper for the Maes, and Wallace for the Dome.

McIntyre—Parker, goal; Goodman and Johnston, backs; Moore, Woods and Morris, half-backs; Drew, Cooper, McDonald, Barron and Bratby, forwards.

Dome—Jemmett, goal; Mitchell and Ella, backs; Wallace, E. Harrower and Jago, half-backs; F. Hitt, Tudor, Richmond, Miner and Andrews, forwards.

G. Ritchie, referee.

On Saturday the Hollinger were at home to the Lanes, at Timmins, the Hollinger winning by a score of 3 to 1.

The Hollinger pressed at the start, but did not get dangerous. After a short pay in the Lanes' half, the ball went to the other end where Carrol sent a low pass across the goal-mouth, but there was no one there to kick it in. The play was followed by a lot of mid-field work, neither team making much headway, and both teams missing chances. The Hollinger were pressing hard on the Lanes, who were not playing the game that they put up the previous Saturday. During the first half the Hollinger were awarded a free kick just outside the penalty area, and Gustavsen netted the leather with one of his terrific drives. The change-over was made with the Hollinger one up.

The second half was much the same as the first, many opportunities being missed. Soon after the start, the Lanes were awarded a penalty, and Backhouse scored off the spot kick. The match livened up a bit for a while, when the Hollinger pressed, and Pethick netted on a long shot. The Lanes came back on the left. Jones sent in a centre, and Kitcher just missed the goal by inches. Again Jones passed but the Hollinger backs were good in clearing. The Hollinger again went down, and were awarded a penalty for hands. Gustavsen took the spot kick, and Wilkinson made a very fine save from the heavy-weight's foot. The Lanes tried again, but could not find the net. Near the finish Pethick again found the net with another long shot.

Hollinger—Olsen, goal; Collings and Snersrud, backs; Pethick, Anderson and Kjensted, half-backs; Erickson, Peddersen, Gustavsen, Spanton and Landers forwards.

Lanes—Wilkinson, goal; Studden and Jackson, backs; Smith, Backhouse and Higgins, half-backs; Jones, Carrol, Saiger, Kitcher and Cox, forwards.

H. Buck, referee.

This is worthy of a special note! Recently a prominent Englehart man loaned a gentleman who appeared to be a hobo the sum of one dollar to secure a night's lodging for the aforesaid alleged hobo. A week or so ago the Englehart man received the dollar back, the money being remitted from Welland where the supposed had secured employment.

OFFICIAL OPENING OF GOLF CLUB ON SATURDAY

President vs. Vice-President Match This Week. Course in Excellent Condition. Long Season Expected.

The Timmins Golf Club opens officially for the season this Saturday afternoon when the first match will be held, the President versus the Vice-President. The members' names will be drawn and the list posted in the Club House where any of the members can see for themselves who they are drawn with for the first game of the season.

The course is in excellent condition, with the greens in fine shape, and, weather permitting, the official opening should be an outstanding success.

Mr. J. A. MacDonald, the professional for the Club, started on his duties on Monday morning, and is now at the Club House, ready to give lessons, or repair clubs.

This is probably the earliest the Golf Club has ever opened for the season, and members are assured through this of a long season, this year, to make up for the short playing season last year.

THE EXAMINER OUGHT TO KNOW. IT'S GOOD ITSELF

The following is from the last issue of The Barrie Examiner:—

"One of the newest weeklies of the North Country is the Porcupine Advance published at Timmins, by George Lake, a former member of The Examiner staff. It is evidently appreciated, for its circulation has increased over 2200 in the last ten years."

REXALL ONE-CENT SALE AT SAUVE'S PHARMACY

Sauve's Pharmacy, in the Goldfields Hotel block, is now the official Rexall store for Timmins, having secured the exclusive agency for this town formerly held by E. J. Meyers. This week one of the noted One-Cent Rexall sales is in progress at Sauve's Pharmacy. More complete announcement of this event is made in the page advertisement elsewhere in this issue. Under this One-Cent plan Rexall goods are quoted at regular prices and an added cent two articles may be bought. For instance, one of the Rexall preparations costing a dollar regularly will be sold at the One-Cent sale at the rate of two for \$1.01. The plan offers unusual opportunity for purchasing supplies of Rexall goods.

ELECTRICAL PLANT FOR THE NEW YORK PORCUPINE

Transformers on the Ground. Expect All Installed in Six Weeks. Good Progress at the Property.

Over 1200 feet of lateral work has been done on the 250-ft. level at the New York Porcupine Mines, and the good results obtained may be measured to some extent by the fact that a complete electrical plant is now being installed. This installation indicates that the mine is well pleased with the results of the work done so far and looks for even better returns from the work in the immediate future.

The transformers for the electrical plant are now on the ground, and the work of installation of the equipment is under way. The equipment is being taken in to the property, and it is expected that installation will be completed and the electrical plant in full operation inside of six weeks.

|--|--|
| TOMATO CHOWDER | BRAN MUFFINS |
| 2 cupful Borden's St. Charles Milk | ¼ cupful Borden's St. Charles Milk |
| 1 pint hot water | 1 egg |
| 2½ cupfuls canned tomatoes | 2 cupfuls flour |
| 1 medium sized onion, sliced thin | 1 cupful bran |
| 1 tablespoonful butter | 4 teaspoonfuls baking powder |
| 6 water crackers, split | |
| Melt the butter in the top part of the double boiler, add the onion, and cook it gently till yellowed, about five to eight minutes. Pour in the milk and water, set over the lower part of the double boiler and scald. Mix the flour, salt and pepper with enough cold water to make a smooth cream; stir it into the milk and cook about fifteen minutes, stirring occasionally. Heat the tomato with the sugar; when boiling, add the soda and combine it with the thickened milk. For serving, put a split cracker which has been dipped in warm water, in each plate. | Beat the egg and add the other ingredients in the order given. Beat well and transfer to well oiled muffin pans and bake thirty-five minutes in a moderate oven. |
| ONE EGG CAKE | |
| ¼ cupful Borden's St. Charles Milk | ½ teaspoonful salt |
| 1 pint hot water | 1½ teaspoonfuls baking powder |
| ¼ cupful vegetable cooking oil, scant | 1½ cupfuls sifted flour |
| ¼ cupful sugar | ½ teaspoonful vanilla |
| egg | ½ teaspoonful lemon extract |
| Beat the egg light and cream it with the sugar, salt, and flavoring. Combine the milk, diluted, with the cooking oil. Sift together the dry ingredients and add them alternately to the first mixture with the milk. Beat thoroughly, turn into a lined, medium-sized pan and sprinkle nut meats, chopped raisins or coconut over the top. Bake in a moderate oven, for thirty minutes. | |
