SCOTTISH FOOTBALL TEAM TO VISIT TIMMINS

WILLIAM McSTEY (Celtic), right back. 5 ft. 9ins., 168 lbs. A two-footed player who has represented Scotland against England at left back. The optimist who can never see defeat coming. A master of strategy whose positional skill has confounded the cleverest forwards in the United Kingdom. A great man to have on your side. Nervous youngsters in Internationals have been made brave by watching him smile all over his face when the foe was putting up the danger signal. As safe as a house with head or feet. The right man to captain a team, as he has done often for Scotland. Made a quick trip to the United States and a quick one back. Born in Netherburn, Lanarkshire.

YOUNGEST SENATOR IS NEPHEW OF TIMMINS MAN

The Milwaukee Journal of recent date published a picture and article relative to Senator H. H. Smith, aged 28 years, the youngest member of the Wisconsin senate. Senator Smith is a nephew of Mr. Mansen Smith, of the Timmins Fire Department. In the article, the Milwaukee paper says:—The youngest member of the Wisconsin senate in Herbert H. Smith, 28-year-old attorney of Milwaukee. Mr. Smith is serving his first term in the upper house and his second in the legislature. At the last session he was a member of the Assembly, winning his seat by a 300-vote margin over George Gaver, his socialist opponent. Election to the legislature was Mr. Smith's first public office. He is a graduate of the University of Wisconsin law school, class of 1922, and received his early schooling at North Division high school, Milwaukee. He was born at Kingston, Ontario, Canada, July 18th, 1898. He is a republican and represents the 14th district, Milwaukee's 17th ward. Unlike many of his colleagues, Mr. Smith is quiet and unassuming, preferring to remain in the background and leave the oratory to the other members. He has but two speeches, "yes" and "no."

All Urged to Make Football the Cleanest Game on Earth

Committee Appointed by the P.D.F.L. Issue Letter Asking for the Best Sportsmanship, No Rowdiness from Players or Spectators, and a Fair Deal for the Referees.

At the annual meeting of the P.D.F.L., considerable discussion took place regarding the rough play and ungentlemanly conduct of players and spectators at different games last season, resulting in several players being sent off the field by the referees. Reference was also made at the meeting to rowdiness among the spectators and officials on and off the field.

There was unanimity of opinion that this sort of thing must be stopped in order to keep the game clean. Messrs Duxfield, Pond and Field were appointed an emergency committee to deal with such matters, and these three gentlemen pledged themselves to carry out their duties without fear or favour.

The first offence to come before this committee was the case of a player being ordered off the field by the referee for violent conduct. The committee considered the case of this player and suspended him until May 30th. In this connection the committee has issued the following letter:

"The committee wish it to be distinctly understood that though they might have been a little lenient in this case, the next offender will be more severely dealt with as the committee intends, as long as in office, to have the players play the game with only the referee handling same.

"Spectators and officials are also asked to take the decisions given against them as sportsmen, and refrain from using obscene language and ungentlemanly conduct on the field.

"Any further incidents like that which happened on Saturday, May 21, during and after the game between the Hollinger Recreation and the Lancastrians will not be tolerated. Boxing and fighting is a sport in itself and cannot be allowed to mix up with football.

"Always bear in mind that the referee has only two eyes and one mind, and is on the field to oblige and control twenty-two players and hundreds of

spectators, who sometimes see what he cannot see from the position he is in. Admit that he cannot be perfect, and let him do his duty without hindrance. As long as he does his duty firmly and fairly do not criticize for what he does not see. Remember that there are others who see different from you.

"The referee is the only man in charge of the game, and his decision at all times as regards the game is final. If he does not do his duty fearlessly and fairly, he will be removed from the official list.

"The game is what the players and spectators make it. Therefore, let your first concern be the love of the game, and your desire to see it played in the proper spirit. Spectators have a large say in the success or failure of the game. Let us, therefore, make a few suggestions:—

(1) Support your team wholeheartedly, but in a gentlemanly way. Remember, the games are attended by ladies and children.

(2) Never instruct players what to do. Every player has his course mapped out the moment he gets the ball. Your instructions may spoil what otherwise might be beneficial to your team.

(3) Never abuse your opponents. It is not good sport to do so. Just extend to them the same consideration you would expect them to extend to you.

(4) Above all, never abuse the referee. He is in charge of the game, because the committee considers him capable of handling it. If there are any complaints to make let them be made by the captain of the team. That is one of his duties. He has been made captain because those who appointed him considered him capable of fulfilling the duties of the office.

"Finally, let us all by our co-operation, good sportsmanship and friendly rivalry, make Association Football what is aimed for—the cleanest game on earth."
—T. Duxfield, Geo. Pond, W. A. Field.

SCOTTISH FOOTBALL TEAM TO VISIT TIMMINS

DANIEL BLAIR (Clyde), left back. 5 ft. 6 ins., 159 lbs. A dapper little defender, who may be described as the stylist of the party. Has a quick incisive manner of going in to tackle the man with the ball. Graceful in his methods of clearing his lines, he seldom errs in over-kicking his forwards. His speed gives him an advantage in recovery, and in heading a high ball his judgment is usually correct. Virile as a young colt, he revels in grappling with forwards who play right up to him. Regarded as a coming International back. Born in Glasgow.

RELIGIOUS SERVICES AT SANDY FALLS ON SUNDAY

Sandy Falls, May 24th, 1927. Special to The Advance.

The village of Sandy Falls had the pleasure of entertaining two visitors on Sunday, May 22, in the persons of Mr. R. J. Prince, and Mr. E. A. Cheshire, of the Shantyman's Christian Association, who held a religious service in the Sandy Falls public school.

Mr. Prince and Mr. Cheshire came up from Toronto and are travelling the North Country, seeking out the lumber and mining camps in the bush, and carrying to these distant places the Word of God.

The service opened at 7.30 p.m. and the congregation numbered a score. Both speakers delivered wonderful and consoling words.—Mr. Cheshire saying, he had nothing new to tell, just the old, old story, that "God so loved the world that He gave His only Begotten Son." Mr. Prince told his own story which touched all, of how when everything seemed lost, he was miraculously "Saved by grace." Several hymns were sung, and every one in general spent a wonderful, peaceful and enjoyable evening.

The inhabitants of Sandy Falls are earnestly looking forward to a repetition of such meetings as these, and only wish Sunday evenings such as the above could be made permanent in Sandy Falls.

BIRRELL BELL'S CONCERT PARTY SUNDAY EVENING

Birrell Bell's Concert Party will be at the Goldfields theatre, Timmins, on Sunday evening, May 29th, at 8.30 p.m. This concert party has gained a creditable reputation as a most attractive and capable musical organization. The programme on Sunday evening after the church services will be a pleasing one. There will be a 30-piece orchestra and special attractions. Proceeds in aid of the Moose Relief Fund. Silver collection taken.

Mr. T. Fellows, of The Advance staff, is spending a two weeks' vacation in Toronto and other points south.
