

Gives Crunchiness and Flavour

Puffed Rice makes other foods taste good

Many ways suggest themselves for using Puffed Rice to make other foods more delightful. They add to the taste and attractiveness of many dishes.

Mothers know these whole grains are good for children because all the starch cells have been broken down by the puffing process.

In taffy, barley sugar and fudge, Puffed Rice gives crunchiness and nutlike flavour which children love.

And on ice cream or fruit, fresh or cooked, they give their flavour and receive the mastication which all foods need, but so many don't get from little people.

Quaker PUFFED RICE

match at this juncture was inclined to get a little rough, but Steve put his foot down and all through refereed a fine game.

The Cornish kept the ball well up the field, and the Rees, backs did well to keep them out. At the other end the Rees, were able to break through as the Cornish backs were weakened. Street going forward and Tonkin dropping back. Tucker made a fine save of McWhinnie's header, and McLatchie later booted the leather over. Another raid was staged by the Cornish, only to be checked by the Rees, halves who sent the leather back. McLatchie made a fine run and centred McWhinnie scoring off this one. The Cornish went up again, and Elrick was called on to save a hot one from Street. The match finished after McWhinnie went right through and ran the ball too far for a good shot.

Beige Fox Makes a Smart Border for Thin Black Crepe

There are several details about the coat sketched above which mark it as distinctly of the new season. The plain neckline with jabot is smart, the sleeves are new and unusual, and the combination of thin black crepe and beige fox is very good.

The fact that fur on the bottom of a coat is seldom seen this season makes it all the more unusual when it is applied with taste.

With this costume is worn a tiny beige ribbon hat and black kid slippers.

The following was among the Kirkland Lake Notes in The Northern News last week:—"Mrs. Cameron and children of the new townsite, left on Saturday for Timmins, where they will reside in future."

SOFTBALL GAMES DRAW BIG CROWDS AND INTEREST

SCHEDULE IS NOW AWAY TO A GOOD START. SOME OF THE CONTESTS VERY KEEN. BALANCE OF SCHEDULE

The following is the balance of the schedule for the Softball League:— All games start at 6.30 p.m.

Wednesday, June 1st, Canadiens vs. K. of C.

Friday, June 3rd, A.A.A.C. vs. Tuxis.

Monday, June 6th, Canadiens vs. Holly Rees.

Wednesday, June 8th, Holly Rees vs. Tuxis.

Friday, June 10th, K. of C. vs. A. S. D.

Monday, June 13th, Tuxis vs. K. of C.

Wednesday, June 15th, Holly Rees vs. A.A.A.C.

Friday, June 17, Canadiens vs. A. S. D.

Monday, June 20th, A.A.A.C. vs. K. of C.

Wednesday, June 22nd, A.S.D. vs. Tuxis.

Friday, June 24th, A.A.A.C. vs. Canadiens.

Monday, June 27th, A.S.D. vs. Holly Rees.

In the games played up until Tuesday night the K. of C. team had won from the Holly Rees. On Friday evening last the Tuxis won from the Canadiens. On Monday evening the A.A.A.C. won from the A.S.D. both teams having a big score. Last night the Canadiens and the K. of C. teams met.

EVEN THE TORONTO STAR TALKS SENSE SOMETIMES.

An editorial note in The Toronto Star on Monday says:—"If the Bolsheviks think they have a good form of government they should prove it in Russia, which they will find a handful in itself, without pestering other countries with their unproven theories."

It is a pity that The Star had not taken this attitude months ago, instead of giving the Soviet propaganda comfort and support by its usual stand whatever is British is likely wrong or mistaken and whatever is foreign especially if it is a little anti-British deserves special consideration. It is not likely that it is actual disloyalty that is the matter with The Star, but that paper does appear to have a perverted idea of patriotism.

Mr. McDonald, of Boston, Mass., is a guest at the Paymaster Mine this week.

SUCCESSFUL DANCE BY CALEDONIANS ON FRIDAY

The Caledonian Society held a very successful dance in the Hollinger Recreation hall on Friday evening of last week. The number of novelty dances proved to be very popular. Mr. J. Bridges's orchestra provided good music for the evening, and all who attended had a most enjoyable time. It is the intention of the society to hold one meeting each month during the summer. The next meeting will be held on Friday evening, June 10th.

THISTLES AND HOLLY REES. WIN IN THE P.D.F.L. SERIES

McIntyre and Lanes. Play to a Draw at Schumacher on Friday Last

All matches last week-end were played according to schedule in the P.D.F.L.

On Thursday last the Thistles won from the Hollinger by a score of 2 to 1, after a poor match, the wind being so high that the ball could not be kept under control in the long-passing. Most of the play was in the Hollinger quarters during the first half, but no one seemed able to boot the ball in. The Hollinger were awarded a penalty and Shaw shot the ball straight at Erickson, who saved. The half was well along before Truscott landed theudrRohngAA.ai. .te owl from a corner. This spurred the Hollinger on, and just before the half closed Pedderson got a beautiful goal, having Winder outguessed.

During the second half the Hollinger transferred the play to the Thistles' quarters and had as much of the play there as the Thistles had during the first half, but they could not send the leather home. The half had gone twenty-five minutes when the Thistles came down, keeping the ball down and combining well. Rankin scored from close in from the play. The Hollinger tried hard to equalize, but could not direct the ball into the goal, and the match ended in favour of the Thistles.

Hollinger—Erickson, goal; Strong and Snersrud, backs; Justavson, Petwick and Kjensted, half-backs; Dunbar, Pedderson, Collings, Spanton and Landers, forwards.

Thistles—Winder, goal; Roberts, Jr., and A. Cadman, backs; Leach, F. Cadman and Rankin, half-backs; Rudkin, Dunsmore, Shaw, Truscott and Roberts, Sr., forwards.

J. Moore, referee.

At the second match on Friday at Schumacher, the Lanes, made a draw, 1 to 1, with the McIntyre. This match seemed to be marred by poor refereeing, too much rough play being allowed. Pushing and tripping by both sides was allowed to go on. The awarding of a free kick to the McIntyre, instead of a penalty for the Lanes, when Goodman was lying on the ball and Carroll and Kitcher were trying to kick it from under him, seemed to be a particularly poor decision. The Lanes, were the first to score by a neat combination by the

forward line, Saiger finishing with a nice goal. McIntyre came right back and scored. The match was lively and both goals had several narrow escapes. Mr. Bellany was the referee.

The last match of last week was played Saturday between the Holly Rees, and the Cornish. There was a record gate and ideal weather. This match ended 3-0 in favour of the Holly Rees. The Rees, had their line-up changed by putting on the Dougall boys who returned from Scotland on Thursday. This strengthened the line-up. The Cornish line-up was much the same as before.

Holly Rees—Elrick, goal; Liddell and Ewart, backs; Jenkins, E. Dougall and Trenouth, half-backs; McLatchie, Robson, McWhinnie, McKenzie, N. Dougall, forwards.

Cornish—Tucker, goal; Hooper and Street, backs; Coeks, Rice and Harris, half-backs; Tonkin, Higman, Chalmers, Doddridge and Taylor, forwards.

S. Lynn, referee.

Good football was witnessed during the first half, and the ball was kept going from end to end. The backs of both teams were doing some nice clearing. The first goal was good work on the part of N. Dougall, who dribbled the ball down and instead of centering, gave it to McKenzie who took a wing shot and it went sailing into the net. It was a fine shot. The Cornish tried in vain to equalize and before the half-ended N. Dougall went down again and centred, and McWhinnie scored. This ended the scoring for the half.

There was lots doing the second half and it looked as if the Cornish might strengthen things out. They started with a fine raid and Elrick was called upon to fist Chalmers' shot over for a corner. Street headed the flag kick to Higman, the latter putting it over the bar. The Rees, then went on a raid and McKenzie tried another from the wing but it went wide. The

The Mining Hand Book of Canada 1927

This "Blue Book" of the Canadian Mines is published once each year. Its 192 pages (5 x 7 1/2") contain complete statistics on the various mining companies in Northern Ontario and Quebec, in addition to other comprehensive information of value to investors, such as the High and Low of mining stocks for the year, mineral production by Provinces, dividends paid, etc.

If you are interest in mining stocks, you should have a copy.
