**LANCS. AND THISTLES
PLAY TO 3 3 DRAW TUESDAY**

Both Teams Evenly Matched and Game Interesting and Keen. Thistles Had Several Changes on Team

The Lanes, and the Thistles fought it to a draw, 3 to 3, on Tuesday. Both teams were evenly matched, and the Thistles were lucky to draw, for their last goal was off a penalty, and some thought the penalty should not have been awarded as the ball was handled twice by the Thistles before the Lanes handled it, but the referee's decision naturally goes, and no use for argument.

The Thistles had quite a changed team on the field owing to sickness of players. The teams lined up as follows:—

Thistles—D. Brown, goal; F. Rankin and H. Rankin, backs; Doyle, F. Cadman, Winder, half-backs; Roberts, Sr., Rudkin, Shaw, Hunter, Cooper, forwards.

Lancashires — Wilkinson, goal; Jackson and Studder, backs; Kitcher, Backhouse, Saigar, half-backs; Fincher, Tudor, Carroll, Daniels and Jones, forwards.

J. Buck, referee.

The first half was fast play and the Lanes pressed hard, Carril netting from a pass in five minutes. The ball travelled from end to end, there being no dull moments, and in twenty minutes Rudkin scored on a pass with

a nice shot. Five minutes later Tudor put the Lanes ahead with a close-in shot that Brown could not get at.

The Thistles went right out at the commencement of the second half and forced a corner. The flag kick was a nice one, but it was cleared. The Lanes came down on the left, but Rudkin cleared and the Thistles forced another corner, which however, was fruitless. Carroll got the ball, bringing it down and sending it to centre. F. Rankin kicked the ball to clear it; the ball struck Daniels and rebounded into the net. The Thistles pressed hard and got the leather up to the goalmouth; Cooper tried to head it in, and both he and Wilkinson fell and the ball hit the upright and rolled in. The Lanes came right back and Tudor had a good chance, but Fergy was too quick for him and cleared.

Fergy again cleared from a nice centre from a corner kick. The Lanes still pressed and Jones put in another nice centre which Tudor was about to boot in when F. Rankin cleared. The Thistles went right back and Shaw sent in a fine shot but Wilkinson cleared. Right after, Shaw and Hunter both missed a good chance by being in each other's way, and Studder cleared. Cooper on the left wing was getting in some good work, and Jackson was also doing well in holding the play down. Just before the close Roberts sent in a fine shot that was right in front of the goal. Everybody was heading the ball and it was hitting the crossbar, and fists also seemed to be used a couple of times in the scramble to get the ball in.

The Lanes thought they could use fists also to keep it out, but the referee caught them and awarded a penalty. Jackson appealed against this decision, but without change being made. G. Cooper took the spot kick and Wilkinson did not seem to make an attempt to stop it. The Lanes pressed for the last couple of minutes, but could not score.

**SCOTTISH FOOTBALL TEAM
TO VISIT TIMMINS**

JAMES McSTEY (Celtic), centre half-back. 5 ft. 7½ ins., 154 lbs. A player of the safe and calculating type. One of the bulwarks in Celtic's defence, and has helped them to win the Scottish Cup three times. Never becomes flurried and is dependable to the last minute. Puts his passes nicely along the ground and distributes them judiciously. Played for the Scottish League against the English League in 1926.

The Children's Aid Society received this week a cheque for \$200.00 from the Township of Calvert for the Shelter Fund.

**CALEDONIAN SOCIETY
MEETING FRIDAY NIGHT**

The Caledonian Society will hold a meeting in the Hollinger Recreation hall on Friday evening of this week, June 10th. There will be the usual programme of dancing, singing, etc. A special feature for this occasion will be the juvenile dancing. Members can obtain visitor's cards for their friends from the president or secretary. Refreshments will be served during the evening.

Miss Helen B. Manett, one of the Hollinger Mine office staff for the past five years, is seriously ill as a surgical patient at St. Joseph's hospital at Philadelphia, Pa. Her many friends in town and district will regret to hear of her illness, and all will wish her a speedy and complete recovery.

COVERED STANDS TO BE USED AT GAME ON JULY 1ST

It will be interesting to all to know that it is the intention to use the covered stands at the athletic grounds for the game with the Scottish Football team at Timmins on July 1st. The intention is to move the pitch slightly east and south, thus giving the spectators at both sides a much better view of the game, and also giving better ground for the play.

K. OF C. ATTEND 7.30 MASS ON SUNDAY MORNING LAST.

The Timmins Council of the Knights of Columbus attended the 7.30 mass at St. Anthony's church, Sunday morning and received the Holy Communion. The members assembled at the lodge rooms at 7.00 o'clock and marched in a body to the church. There were between 120 and 150 members of the K. of C. in the line of march to the church for the services, which were very impressive.

STRONG MEASURES BEING USED AGAINST ROUGH PLAY

The P.D.F.L. has gone right after the rough stuff in game here, with the idea of making football the cleanest and most orderly sport there is. At a recent meeting of the executive two players were on the carpet for rough stuff in a recent match between their two clubs. The offenders were N. Dougall of the Holly Rees., and F. Rankin, of the Thistles, who had gotten into a fight at the last match between their clubs. Dougall was suspended until July 5th, while no penalty was given Rankin. It is understood that Dougall resented what he considered a bad charge in the back given him by Rankin. Words were followed by blows, Dougall striking Rankin who hit back in self-defence. Both men were sent off the field by the referee and further action left to the P.D.F.L.

In the Temiskaming baseball league, Timmins plays at Iroquois Falls on Monday of next week. This should be a good game, as all the matches between the two old rivals in sport are interesting. There should be a good representation from this camp at the Paper Town for the big event next Monday.

Very literally are the Provinces of Canada bound together by bands of steel. As a matter of fact, British Columbia became a Province of the Dominion in 1871 under promise of railway connection, though the actual linking-up did not become a reality till 1885. The enormous development of railroading has been one of the outstanding features of the sixty years that have elapsed since Ontario, Quebec, New Brunswick and Nova Scotia united under one central government in 1867. At that time the new-born

Dominion boasted 2,278 miles of track, it has over 42,500 miles to-day. In equipment, too, the evolution has been great. The old wood-burner of 1867, though capable of very creditable speed, was a pigmy in size, weight and strength compared with the huge locomotives of to-day. Mr. C. W. Jefferys, Canada's foremost historical artist, here graphically depicts the changes that have taken place.
