Death of Father of South Porcupine's Police Chief

Late Mr. Innis was Seventy-seven Years of Age. Dome Football Team Makes Another Nice Win. Plans for Re-Financing the Beaumont Mine. New Superintendent at Ankerite Mine. Other News from South Porcupine Correspondent.

South Porcupine, Ont., June 7, 1927
Special to The Advance.
Mrs. N. H. Lang, of Kirkland Lake, is the guest of Mrs. L. R. MacGregor.
On Saturday evening at the Dome Mines the Dome Football boys won another victory, this time over the

Lancashires of Timmins. It was a decidedly good game and was well handled by Steve Lynn, of Schumacher. The rain to some extent spoiled the attendance but those who were there thoroughly enjoyed the type of play shown. The Dome evidently still have an exceptionally good team. For Saturday they lined up as follows:—Goal; Jemmett; backs, Fell and Mitchell; half-backs, Jago, Harrower and Coeks; forwards, Hitt, Wallace, Richmond, Ford and Richmond. The score was 2-0 in favour of the Dome.
Messrs Roy and Gordon Bradshaw, of Kirkland Lake, were guests at the home of Mr. Henry Miller over the week-end. They were former residents here.

Mrs. Percy Clark and little daughter, Peggy, of Toronto, are visiting the former's parents, Mr. and Mrs. Jas. Boyle, Connaught Hill.
Mrs. Moffat and Mrs. Rody left for

their homes at Moose Jaw and Kam-sack, Sask., this week, after staying a while with their parents Mr. and Mrs. T. A. Strain.

Miss Crone, who was recently operated on at the Porcupine Presbyterian hospital for appendicitis, left for her home at Pembroke on Tuesday.

Miss Ida Percival returned on Wednesday last from a holiday at the parental home at Cobden.

The fire brigade had a run on Friday morning to a small blaze that had started among some boxes, etc., at the back of the Economy Store. Just what started the fire is not known, but if it had not been for the prompt action of the firemen this might have had very disastrous results as it was right in the central and business part of the town. We understand that citizens have been warned against letting boxes and inflammable material accumulate in their back yards to such an extent that they are a fire menace.

Mrs. John Dollaghan and three children, of Timmins, spent the week-end with Mrs. C. Kavanagh.

We hear from good authority that strong financial interests are taking over large blocks of the shares of the Beaumont Mine. Both English and American money, as soon as arrangements are completed, will be available for the further development of this promising property. We hope to

have more definite news in this regard within the next week or so. Mr. O. Knutson, the present manager of the property, is very hopeful of results when work is resumed. This property has been extensively diamond-drilled, the results of which have proven very satisfactory.

We are pleased to see Mr. Frank Sullivan around again after his protracted illness.

Mr. Ernest Mott, of London, Ont., is visiting his nephew and niece, Mr. and Mrs. Willie Farran.

Mr. Neely, formerly of the Steam-Winder Mine, British Columbia, is expected to arrive this (Tuesday) evening to take over his official position as superintendent at the Ankerite Mine.

Mr. and Mrs. W. D. Pearce, Mr. Allan Pearce, Sr., and Stan Pearce, left Tuesday morning for North Bay, where they had shipped their car, and intend motoring from there to Atlantic City and possibly Florida.
Mrs. W. G. Bowles left on Thurs-

day for a visit to Toronto, Galt and other southern points.

Mr. C. V. Gallagher is on a trip into Red Lake.

Mr. C. McInnis received word on Tuesday evening last of the death of his father at Sunderland, Ontario, and on Wednesday he left to be present at the funeral. The late Mr. McInnis had reached the venerable age of seventy-seven years, but death came very suddenly. He was laid to rest in the Scotch burying ground at Manilla, Ont. There were many beautiful floral tributes, among them being several remembrances from friends.

Tisdale and Timmins. Mr. McInnis and his brothers, Dan, of Timmins and Archibald, of Toronto, appreciate very much the kindness of their friends in the North. The sympathy of his many friends in this part of the camp is extended to Mr. McInnis in his loss.

Mr. Jas. Boyle has returned from a trip to McArthur township where he was doing some prospecting.

Motor Cycle Driver Hurt in Collision at Schumacher

Mr. John Driscoll Sustains Injuries in Accident on Tuesday. Farewell Party in Honour of Bride-to-be. Other News Items from Advance Correspondent at Schumacher.

Schumacher, Ont., June 8th, 1927.
Special to The Advance.

An accident which might have been accompanied by more serious results occurred on Tuesday about one o'clock at the corner of First avenue and Poplar street, when a motor cycle ridden by Mr. John Driscoll disputed the right of way with the heavier motor car of the Schumacher Bakery with Mr. Percy Shippam at the wheel. As it was the result was quite disastrous. The motor cycle was a complete wreck; the driver sustained severe injuries to the shoulder from his violent fall on the hard pavement, and the fenders of the new bakery vehicle were badly twisted. The injured man was taken to the Schumacher Hotel where he received prompt medical attention. Mr. Shippam and a passenger friend fortunately escaped without serious injury. Mr. Driscoll, the injured man, is employed at the Vipond and is well-known about town. His many friends hope for a quick recovery.

appeared in local playhouses during the week.

The home of Mr. and Mrs. Hicks, Fourth avenue, was the scene of a pleasant party on Friday evening when the many friends of Miss Ruth Nilson assembled to honour the prospective bride with a shower of linen. Music, dancing and a dainty luncheon were other attractions of the social event.

Mr. Lawrence Cooper, who has been attending McGill University, returned on Friday, and will spend the vacation at his home in this town.

Mrs. A. Hope, of Kirkland Lake, is the guest of Mr. and Mrs. H. Leng.

We are pleased to report the recovery of Mr. Ted Jones from his recent illness.

SEVERAL FIRE ALARMS DURING THE WEEK-END

Since the beginning of the year the Timmins fire brigade has responded to no less than 95 calls, or at the rate of 19 a month, or 4 calls a week.

During the week-end there were three calls. On Friday morning there was a call to Mr. Jack Archer's residence, 115 Maple street south. It was a chimney fire and no damage was done. On the same morning the firemen were called to Mrs. G. Dewar's, Third avenue, where chimney and stove-pipes were ablaze. Here also there was no damage resulting.

Sunday afternoon about 5.20 there was a call to the Goldale cafe. The fire was in a linen closet where a coat had taken fire, evidently from matches in the pockets, but whether through being brushed against or from a mouse nibbling at the matches will not be known. The coat was destroyed but the damage done was confined to that loss. In each case the firemen made their customary speedy response and handled the work with the unflinching efficiency and success for which the department is now justly noted.

The uniforms for the Timmins Sea Cadets are expected shortly. Members of the Sea Cadets are reminded that regular and punctual attendance at the drills will naturally be considered in allotting the uniforms.
