They motored as far as North Bay and had intended coming as far as Swastika, but the authorities would not let them come over the new trunk road until the official opening on Saturday, July 2nd. They were accompanied by Mrs. Thos. Tees, of Windsor, who came on to South Porcupine also to visit her sister, Mrs. Hugh Boyle, Connaught Hill.
Miss Hogg, who has been a kindergarten teacher at New Liskeard, has been engaged to take the kindergarten department here, in Miss Hodgins' place. She comes very highly recommended.
Mr. Claire Severt, of Timmins is in charge of M. Legate's Drug Store. As it is going to be necessary for Mr. Legate to spend the following winter in the South owing to his health, we understand efforts are being made to sell this business.

SPECIALLY BUSY POLICE COURT HERE THIS WEEK

Police court at Timmins this week was unusually busy. In addition to the high-grading cases referred to elsewhere, and the charge of perjury following the enquiry into the fire at the Reed block, there were several important cases.
One very unsavoury case was where two women living on adjacent properties aired charges and counter charges before the court. Some of the language used was most objectionable, and altogether the cases were of the kind to be deplored. One woman was fined \$10.00 and costs, together with damage done to windows, and the other was assessed \$10.00 and costs for damage done to pure language and good feelings.
Two drunks were required to pay \$10.00 and costs, which seemed a pity at this time of Canada's diamond jubilee, as the one bore the name in full of one of the foremost fathers of confederation and the other might easily have claimed descent from some of the representatives from Quebec at the Confederation conferences.
A gentleman from South Porcupine was assessed \$10 and costs for speeding. A local business man charged with being intoxicated while in charge of a motor car was granted a week's remand, his solicitor not being in town. Mrs. Menheden, on a liquor charge, was also given a week's remand so that she might have her wish to secure eminent counsel. There was also remand allowed in the case of Vasyil Chornier, accused of brewing beer without the necessary application for permission as required by law. His solicitor claimed that the required notice had been given but the Inland Revenue department from Timmins to Ottawa denied the soft impeachment.
Steve Vichtacz, on a charge of brewing beer illegally, produced a copy of a letter asking for the necessary permission, but as this letter was dated after the alleged offence, the fine was \$50.00 and costs.
Walter Nelson, brought back from Windsor on a charge of non-support of his family, promised to pay them enough for their support and was allowed to go on suspended sentence.
The theft charge against a young man formerly employed at one of the liveries was dismissed, the money in question being returned to the complainant.
Three charges of theft were remanded to next week's court.

Timmins and District Notes

Mr. J. Ormston was operated on at the South Porcupine hospital on Saturday for appendicitis. The operation was fully successful, and his innumerable friends will be delighted to know that he is making the best of progress to recovery.
Mr. J. Jardine received a wire this (Thursday) morning that Messrs Grant and Taylor, the noted boxers expected here from Toronto for the big tournament at Timmins to-morrow evening, July 1st, at the skating rink, had left for here on last night's train and would arrive here this evening for the event.
The window displays in honour of the Diamond Jubilee of Confederation as usual on any special occasion in Timmins are noteworthy for their originality and artistic touch, some of them being especially clever and creditable. There are dozens of window displays well worth a special visit to view.
Timmins has on several occasions suffered from the senseless vandalism of a sort of half-wit species through a damage done to public or private property. One bad case here was the deliberate slashing of some nice trees around the Ukrainian hall last year. Sudbury has had a somewhat similar curse this year, trees surrounding two of the public schools being destroyed. The Sudbury school board has offered a reward of \$25.00 for information leading to the conviction of those responsible. It is to be hoped that the poor sports who would do such a mean injury to the community in which they live will be caught and properly punished.

AMBULANCE BRIGADE AT CHURCH SUNDAY EVENING
The local St. John Ambulance Brigade attended divine service in a body at the United Church, Timmins, on Sunday evening. The members were in the uniform of the Brigade, blue suits with the leather belts carrying the first aid kits, and looked especially well. An inspiring address very suitable to the occasion was given by Rev. J. D. Parks. A solo by Mrs. Wightman was another specially attractive feature of the service.
MRS. O. SEGUIN'S STORE ENTERED AND ROBBED
The fancy goods store of Mrs. O. Seguin, 3 Cedar street north, was the scene of a bold robbery on Tuesday evening between ten and eleven. Entry was gained through a rear window. This window had nails put in to hold the lower window from being lifted from the outside. Conditions would suggest, however, that the robber had looked to this feature during a day visit, and so was able to force the window without much trouble. The man who entered the store was noticed by some young men passing along Cedar street, but he appeared to be so bold that they thought he was connected with the store. Later, however, they thought the matter over and came to the conclusion that he was no one who had a right to be there. Accordingly they notified the police who went at once to the store only to find that the man was gone and the store had been entered and robbed. The young men could give a pretty good description of the robber. Yesterday the police were working on the case and a man who is understood to sell goods from door to door was arrested. One of the young men made quite positive identification of this man as the one he saw in the store. The accused, however, asserts that he was in bed at the time of the crime. At police court this week he was remanded for a week, bail to the amount of \$1000.00 being granted. Mrs. Seguin is not able to give an exact figure as to the amount of stock taken but the amount will run over \$50.00 at least.
