"Oh, look at that scarred old hill-side," exclaimed the gushing young thing.
 "Yes," said the prosaic companion, "that's where it was operated on for gravel."

DISTRICT NEWS IN BRIEF

Cochrane merchants have decided to keep their stores open on Saturday morning for the convenience of the public. The Cochrane stores will close from 1 to 7 p.m. on Saturday.

Platinum produced in Canada in 1926 totalled 9,521 fine ounces, or an increase of 1000 over the year before, according to the Dominion Bureau of Statistics.

Mr. John Globe, son of Mr. A. R. Globe, now of Grimsby, Ont., but formerly assistant manager of the Hollinger, has taken a position on the electrical staff of the Hollinger.

Mrs. R. D. Chester, of New Liskeard, has nine lively pheasant chickens, and Miss Carter, of the same town, has eight. The eggs were supplied by the Fish and Game Dept., The New Liskeard Speaker says.

In an editorial last week headed "July 2nd Not a Holiday," The Pembroke Observer says:—"Throughout Canada all retail business will go on as usual in spite of the fact that the Dominion Government declared that July 2nd this year will be a public holiday. There will however, in most of the towns, be demonstrations of one kind and another of a patriotic nature."

Without any intention of unduly drumming up business for the jewelry stores The Advance would suggest that the school children take their Diamond Jubilee of Confederation medals to a jeweler and have a ribbon hook put on. Otherwise, a few months from now there will not be many of the school medals in rightful possession. The National Committee would have added much to the value of the medals had they equipped them with some form of hook so that ribbons could be attached. It is likely as it is that many of the youngsters will lose the medals on July 1st if they have to carry them in their hands or pockets.
