

# Diamond Jubilee Sale

This is Canada's Sixtieth Birthday, and we are going to celebrate the Diamond Jubilee with Bargains, so that our customers can celebrate with us. "SAY IT WITH BARGAINS"—that's the way our customers want us to tell them about this great event—and that's exactly what we are doing. Listed below are birthday presents in the form of super values, and now we are ready with the Biggest, Grandest, Greatest Birthday sale of our entire history.

We are able to celebrate CANADA'S DIAMOND JUBILEE in all sincerity, as this has been the most prosperous year to date in our business. Our spring season was double, and our summer business so far trebles former years, so why shouldn't we offer Bargains to those who made this statement possible, "THE PUBLIC." Come, buy what you need! Save on every purchase! Many bargains not advertised.
