TIMMINS GOLFERS ENJOY VISIT TO IROQUOIS FALLS

Fine Golf Weather and a Happy Time Spent at the Falls by Twenty-five Members of Timmins Club

Timmins golfers paid an inter-club visit to the Abitibi Golf Club at Iroquois Falls over the week-end. Twenty-five members of the Timmins Gold Club motored over to the Falls for this visit, and every one reported a very enjoyable day, and the best of good times.

The day was fine for golf, not too warm in the morning, though the afternoon was rather sultry; and the Abitibi links were in the best of shape. The hospitality of the members of the Iroquois Falls club was also of the best. After the matches in the morning the visitors were the guests of the Abitibi Club at a delightful luncheon in the Iroquois Hotel. The majority of the Timmins visitors returned in the evening.

The members of the Timmins Club going over to Iroquois Falls were as follows:—Messrs C. G. Williams, D. Leggett, H. Lucas, S. A. Caldbiek, J. Rutherford, C. S. Butler, Geo. Lake, W. R. Rinn, A. W. Pickering, C. G. Pirie, H. C. Garner, A. G. Carson, J. W. Fogg, Dr. A. S. Porter, G. S. Drew, E. H. Hill, J. W. Wray, W. S. Macpherson, V. H. Emery, G. S. Lowe, G. H. F. Adams, S. R. McCoy, W. H. Huckabone, L. Pare and Macintosh.

In the matches played the Timmins golfers upheld the reputation of the local club in the majority of instances. It is expected that the Abitibi Club will pay a return visit to Timmins in the near future.

ROSES DO WELL IN TIMMINS AS WELL AS IN OTHER TOWNS

A reader of The Advance suggests than in reference to the item telling about roses in Haileybury, Cochrane and Iroquois Falls, as published in The Advance last week, special notice should have been given to the beautiful roses that may be seen in Timmins, especially on the hill and in the southwest part of the town. It may be noted that this sort of notice would overlook the Hollinger townsite where roses are doing remarkably well. Indeed, the Hollinger townsite has as fine an array of beautiful flowers, shrubs and gardens as any other part of the town. Timmins this year is achieving a noteworthy amount of beauty, lawns and gardens all over town doing specially well and showing that great care is being taken of them. Timmins, indeed, bids fair to eventually become a town beautiful. Reverting to the matter of roses it may be said that all over the town there are beautiful rose bushes that are thriving well. They come through the winters well and seem to adapt themselves to the climate all right. South Porcupine and Schumacher have equally good luck in raising roses, so it may be safely concluded that the Porcupine Camp is all well on the way to being a beauty spot.

WEDNESDAY, AUGUST 17th, CIVIC HOLIDAY IN TISDALE.

In response to a number of requests from ratepayers of the township of Tisdale, Wednesday, August 17th, has been duly proclaimed by the reeve, Mr. Chas. V. Gallagher, as a civic holiday for the township of Tisdale for this year, and all good citizens are called upon to observe same.

Ontario Cup Local Finals to be Played Here on Saturday

McIntyre and Lake Shore Teams to Battle at Timmins on Saturday, July 30th, for the Honours of the Gallagher Cup and Representing the North in the Ontario Cup.

On Saturday of this week one of the most important football games of the season will be played on the Timmins grounds. This game will decide the team to win the Gallagher Cup this season, this cup representing the championship of the Northern Ontario Football Association. The match on Saturday will also decide as to which team will represent the North Land in the further contests for that high honour of football—the Ontario Cup. To the average football team in Ontario the Ontario Cup represents the most desired trophy in all sport. Which ever team of the two to play on Saturday wins out that team may safely be depended upon to represent

the North effectively and well in sportsmanslike way for the coveted trophy of provincial football.

The two teams to meet in the N.O. F.A. finals on Saturday and in the local finals for the Ontario Cup series are the McIntyre team and the Lake Shore team. Both the Schumacher and the Kirkland Lake teams have given a very creditable account of themselves all through the season and the game on Saturday may confidently be looked forward to as good football and a lively but sportsmanlike contest.

The match will be called sharp at 6.15 p.m., and no football enthusiast should miss it.

INFORMATIVE ADDRESS ON STE. ANNE DE BEAUPRE

Rev. Fr. O'Gorman Gives Most Interesting Address to Kiwanis Club. Mr. Jones also Contributes to Pleasures of Luncheon.

Monday's luncheon of the Kiwanis Club was a particularly good meeting from all viewpoints. The speaker for the day was Rev. Fr. O'Gorman and his address was much appreciated. He spoke on Ste. Anne de Beaupre, and the address delighted all who heard it. Ste. Anne, Father O'Gorman said, was the patrons saint of miners, and so would be of special interest here. According to legend Ste. Anne was the mother of the Virgin Mary. In the east Ste. Anne was very greatly venerated, while special reverence was also paid to this saint in Brittany, France. Many of the settlers in the early days of Canada came from Brittany, and they brought to this new land the veneration given in their native country to Ste. Anne. The settlers established the first church at Beaupre about 1770, naming it after Ste Anne. There was a belief that miraculous powers for the curing of the ills of the body were possible at the shrine of Ste. Anne de Beaupre. Rev. Fr. O'Gorman said that he had visited Ste. Anne de Beaupre twice. He knew of the cures made. He had seen the stacks of crutches and other appliances for the crippled that had been left behind by those whose faith had found apparent justification. Rev. Fr. O'Gorman also referred to cures at Lourdes, France. "I am simply giving you the known facts, and I leave the interpretation altogether to you," he said.

Mr. Jones, who was the guest of Mr. H. G. Laidlaw, favoured the meeting with some very clever and amusing card and conjuring tricks. His novelties were most original and interesting.

Mr. Geo. Cole was installed as a new member of the Kiwanis Club of Timmins.

There was a discussion on the necessity for supervision at the community playgrounds, and the committees are taking this question up. Good progress was reported in the equipment, etc., of the playgrounds. The

TUXIS BOYS PUT UP NICE EXHIBITION OF FOOTBALL

Game on Saturday Night Between Dome and Timmins Tuxis a Fine Win for the Dome

On Saturday night the Timmins Tuxis and the lads from the Dome played a very nice football match, the final score being 3 to 1 in favour of the Dome boys.

The match was worthy of a draw, the difference between the two teams being largely one of a goal-keeping. Allen in goal for the Dome played an extraordinary game and saved the Dome from what might otherwise have been a defeat. Giallinaldo for the Timmins Tuxis played a very good game but he lost out by not staying more closely to his goal. The three goals scored against him were all put in while he was out of his goal. The rest of the Timmins team played a nice game, but are inclined to wander from their positions. There were times when four players were interfering with one another. The Timmins goal came in the second half from a corner kick which was a fine centre. The Dome lads play a nice combination game and won on their merits, one of their merits being Allen's good goal-keeping. The inside right for the Dome is a smart lad and shows promising talent that may develop him with good coaching into a first-class foot-baller. Rupert at centre half for the Timmins Tuxis is a fine, cool player and intercepts well.

There were only a handful of spectators to see the boys play, but after half time there was quite a crowd gathered. This does not look like good sport for the lads need the support and waiting to half-time for a free pass-in is not very healthy support for the boys.

Timmins Tuxis.—Giallinaldo, goal; Ramsay and J. Robert, backs; Mair, Rupert and S. Drew, half-backs; Morris, Grant, W. Drew, Hudson and L. Field, forwards.

Dome Tuxis.—Allen, goal; McLean and Parsons, backs; Finato, Dimitroff, Woods, half-backs; Humphreys, Michaelson, Mitchell, Doran and Young, forwards.

Referee, G. Ritchie.

playgrounds were being much used by the youngsters and were proving of valuable service.

TYPOGRAPHICAL ERROR IN ARTICLE LAST WEEK

The man known sometimes around printing offices as "the intelligent compositor," but more frequently called other names, has a perverse habit of changes words and figures in copy, and occasionally he gets something by the eagle eye of the proof-reader. Once in a while it is an improvement, but more frequently it is the reason why bad language attains such expansive heights of earnestness. A slip of the latter kind occurred last week in the reference to the payment of the money due the settlers by the late Mattagami Pulp & Paper Co. The intelligent compositor raised a quarter to a third in the sentence telling of the first payment made the settlers. Some months ago the settlers, along with other unsecured creditors received one-quarter of the amounts due them. The settlers are now receiving the balance. So far as seems probable the unsecured creditors in general will only receive the one dividend, that of 25 per cent. already paid.

MONDAY NEXT, AUGUST 1st, CIVIC HOLIDAY IN TOWN.

Monday next, August 1st, will be civic holiday in the town of Timmins, the day being duly proclaimed as such by Mayor E. L. Longmore, after a resolution to this effect by a council meeting some weeks ago. August 1st is the big bank holiday in the Old Country and so for many here the day will be a natural holiday. The big event here for the occasion will be the seventh annual regatta, under the auspices of the Timmins Citizens' Band, at the Mattagami river. The stores and other business places will be closed.
