**NOTICE TO CREDITORS**

In the matter of Max R. Legate of the Settlement of South Porcupine, in the Province of Ontario and in the matter of the Bulk Sales Act.

Take Notice that Max R. Legate of the settlement of South Porcupine in the District of Cochrane and Province of Ontario, has made a sale of his stock-in-trade and trade fixtures to Gordon McKinley and Fred C. Farant, both of the said settlement of South Porcupine, and that I am appointed Trustee under the provisions of The Bulk Sales Act.

And Further Take Notice that creditors having claims against the Vendor, for which they are entitled to rank, must file proof of such claims with me on or before the 8th day of August 1927, as after that date I shall distribute the proceeds of the sale amongst the parties entitled thereto having regard to those claims of which I shall then have notice.

W. G. BOWLES, Trustee,  
South Porcupine, Ont.  
Dated at South Porcupine, Ontario, this 15th day of July, A.D. 1927.

**Assessment on Bartleman Lots Reduced by Township**

Reductions made on Certain Lots in Bartleman Townsite. Bad Condition of Provincial Jail Referred to. Other Matters at Tisdale Township Council Meeting on Monday Evening.

South Porcupine, Ont., July 27th, 1927. Special to The Advance.

The Tisdale township council met on Monday evening, July 25th, with Reeve Gallagher and Councillors Hawkins, Williams and Laforest present.

It was decided to put a water extension to the dairy farm of Geo. Helmer, the township supplying the pipe, Mr. Helmer to pay for the digging.

An appeal re assessment of the lots on the Bartleman townsite was opposed by Councillor Williams on the grounds that it might make a precedent in cases of other parties who had lots that would not sell. This case was considered now because it had been placed before the council previous to July 1st but owing to a misunderstanding on the part of Mr. Bartleman about being present had not been settled. Mr. Bartleman claimed that these lots would not sell for the

price for which they were assessed, that some in the lower portions could not be reached after a rain. The assessment had been rated according to the selling value of the lots three years ago. Certain lots of the group, Mr. Bartleman claimed, had little or no selling value, to-day. A reduction of \$25 per lot was given on certain lots in Plan M-74. Certain lots in Plan M-49 were reduced from \$50 assessment to \$25 assessment value. Councillor Williams strongly objected to such a low assessment value, but Mr. Bartleman thanked the council seeming quite satisfied.

Mr. Turner was present and asked that the road in Tisdale leading to Furness Mine be repaired. This is to be taken up also with Mr. Sterling of the Northern Development Department.

The condition of the Dome road was noted and the clerk instructed to again take matter up with Mr. Sterling and the contractors to see if these repairs could be expedited.

The condition of the jail was again commented upon, one councillor stating it was not fit to house cattle in. The reeve said if the Government did not take action promptly the township would have to make it at least sanitary, and that possibly the Government would help foot the bill was suggested by Councillor Laforest. It is claimed that there is a \$2500 item in the Provincial Government budget for a jail at South Porcupine but they don't seem to loosen up and use it.

Councillor Williams said there were still some dissatisfied in Schumacher over their water connections. All appealing to council have been adjusted and the reeve stated that no case could be considered unless placed before the council in writing or in person.

The likelihood of an early striking of the tax rate was mentioned.

A by-law for the borrowing of money to cover necessary expenses was passed. Also the routine monthly bills and accounts.

A little bit of excitement was added at the end by the statement of a rate-payer that he wanted the actions of one of the township police looked into. Reeve Gallagher asked him to make his affidavit before Clerk Evans as to any accusations he had and if necessary anything worth while could be considered.

**McINTYRE ADDED TO ITS LIST OF WINS ON FRIDAY**

Victorious Over South Porcupine by a Score of 9 to 1 in Temiskaming Baseball Series

On Friday last South Porcupine played the McIntyre at Timmins in the Temiskaming Baseball League series. McIntyre won once more, the score being 9 to 1. This gives the McIntyre further grip on the league championship.

**BASEBALL CALLED AT THE FALLS ACCOUNT OF RAIN**

The following is from the current issue of The Broke Hustler of Iroquois Falls:—

Owing to rain and wet grounds the game here Monday between Timmins and the Falls in the north section of the Temiskaming Baseball League was called off before completion of the first innings.

Timmins were successful in scoring four runs through as many errors in their first time at bat and the Falls had scored one run and had a man on first base with none out when the game was called.

As has been the custom throughout the season rain checks were issued and will be honoured by the club at the next league game.

The Falls have only a very slight chance now of getting in the play-offs. Both Timmins and South Porcupine must defeat McIntyre before this can be done.

The Falls play the last schedule game in South Porcupine next Wednesday, but the baseball commission are hoping to arrange an exhibition game here with Cochrane, next week, and there will also be a game here on Labour Day. There is a postponed game with South Porcupine here also.

"I shall die," throbbed the suitor, "unless you consent to marry me."  
"I'm sorry," said the maiden kindly but firmly, "but I will not marry you."

So the fellow went out west and after sixty-two years, three months and a day became suddenly ill and died.

**MAYOR OF COCHRANE MEETS WITH PAINFUL ACCIDENT.**

The Cochrane Post last week says: Mayor Ivy recently met with a serious and very painful accident which necessitated his removal to the Lady Minto hospital. A slip of a large knife which he was using caused an ugly gash across the back of his left hand, severing several tendons and injuring the small bones in his hand. He is reported to be getting along nicely, although suffering greatly; and it will be some days before he will be able to leave the hospital.

**FERDINAND OF ROUMANIA HAS IMPRESSIVE FUNERAL.**

Roumania bade a sorrowful but affectionate farewell to its beloved king, Ferdinand, who died last week, on Sunday, July 24th, the funeral being simple and unostentatious, in keeping with the life and views of the dead monarch. King Ferdinand was laid to rest in a soldiers' oaken coffin in the quaint old monastery of Courte De Arges, where his ancestors rest.

**SELLING TICKETS AGAIN FOR PICKING BLUEBERRIES.**

Finding it impossible to allow free access to his property on account of the damage done to crops and the carelessness displayed by some of the berry pickers, Mr. Jos. Longpres some years ago started the system of selling tickets giving the right to pick berries on his property in Mountjoy township. Mr. Longpres found the system worked pretty well and he is again following the plan this year. He rightly receives a few dollars for the use of his property by the berry pickers and on the other hand the pickers appear to be quite satisfied to pay the fee for the privilege. Those who will not pay for a ticket have to keep off Mr. Longpres property or be prosecuted for trespass. Mr. Longpres finds that his farm is much better used under this system than in earlier years when anybody that felt like it went on the place to pick berries.

**COBALT CABBAGES NOW SUBJECT TO MAGGOTS.**

According to the recently expressed opinion of Dan Hellens, market gardener of North Cobalt, the present season has been a very good one for all market garden crops with the exception of cabbages. The maggots are playing havoc with the cabbage plants in the Cobalt district according to Mr. Hellens. He expects to have only a quarter of a normal yield this year, despite all efforts to disperse the maggots from their cabbage homes. He says he set out about 40,000 cabbage plants, but will have only about ten thousand cabbages. Around this district market gardeners have not been complaining about maggots on their cabbages. However, it is an odd fact that in this country potato bugs are unknown so far as this country is concerned, while in the Cobalt area the bugs in past years have caused considerable trouble. Speaking of potatoes, it may be remarked that the promise for a good crop of murphies in this district this year seems to be specially good. Indeed, practically all lines of vegetables promise well here this season.

A seissors grinder stopped off front yesterday. "How business, Tony?" we asked. "Fine!" says he. "I never saw things so dull in all my life."
