**MANDOLIN ORCHESTRA AND CHOIR DELIGHTS ALL HERE**

Winnipeg Ukrainian Girls Prove to Be Musicians of Outstanding Ability. Fine Programmes

The concerts given in Timmins on Saturday and Sunday last by the Mandolin Orchestra and Choir of Ukrainian Girls delighted all, and the programmes of high-class music were a genuine treat much appreciated by the crowded houses which greeted the visitors. The concerts were given in the Ukrainian Labour Temple, Mountjoy street, and on neither occasion was there room in the hall for the crowds gathering to hear these talented musicians. Sunday evening the attendance was especially large, scores having to be turned away for lack of further accommodation. Mr. N. Hoelak, the musical director, has ample reason for being proud of his orchestra and choir. Dressed in the costume of their homeland, the twenty girls comprising the orchestra and choir made a very attractive appearance. The mandolin music furnished had a charm of its own. The orchestra proved to be a group of talented musicians under the most skilled direction. The time and harmony were perfect and the selections were given with a remarkable appreciation of the meaning and purpose of the numbers chosen. Among the selections on the programme Saturday evening, which was of very generous length, may be mentioned: "Light Cavalry," overture; "Poet and Peasant," overture; "Hungarian Dance, No. 5," by Brahms; "Anvil Chorus," from "Il Trovatore"; "Ukrainian Potpourri"; "Desert Caravan"; "Ukrainian Carol"; selection from "William Tell"; and "The Rosary." All the instrumental selections were given with keen sympathy with the purport of the music and with technical fidelity. The choir showed to equal advantage, the voices being sweet and blending well and the singers gave a rare expressiveness to the selections. Their interpretation of the Gypsy song, "Twilight," "Ohni Horiet" (Burning Fires); Ukrainian folk songs and other numbers were a delight to the audience. The piano solo, "Ukrainian Dumka," by Miss M. Baraniuk, the gifted pianist playing the accompaniments to the evening, was a special event for music-lovers. The soloists, Miss M. Chansyna, Miss Katharine Paluk, and Miss Sonia Kapusniak, delighted all, not only with their sweet, well-trained voices and musical talent, but especially with the expressiveness that made each selection fairly live. "O, Sole Mio," by Miss Paluk, was a gem. The duet, "La Paloma," by Misses Paluk and Chansyna; won unstinted applause on merit. The Ukrainian humorous song, "Why Do You Tease Me?" was given with a snap and expressiveness that made its meaning clear. The clever singers in this number were Misses Chansyna and Kapusniak. Another special duet, an instrumental number of much charm, was "Berecuse," by Misses M. Chansyna and M. Billinska. For grace, charm, and the poetry of motion it would be hard to excel the talented dancer, Miss Annette Hnativ. Her rendition of a Russian national dance won insistent and persistent recall, and the audience clearly wanted more of this very graceful dancing. The Ukrainian dance, "Kateryna," by a group of the girls, was another delightful dance number that delighted all.

Those who missed the concerts Saturday and Sunday missed a genuine treat. Fortunately, there is another chance to hear these gifted musicians. They are giving another concert this (Thursday) evening in the Finnish hall, Timmins.

**ADDITION TO BE BUILT TO THE SCHUMACHER STATION**

A new wing, forty-five feet in length, is to be added to the Schumacher station, at a cost of around \$8,000. The addition is being built by the T. & N. O. to accommodate the increasing business at the Schumacher station. Work is to start at once, it is understood.

**TIMMINS HORTICULTURAL SHOW ON LABOUR DAY**

Fifteen Entries for Garden Competition. Big List of Entries of Flowers and Vegetables Expected at Rink

It is now confidently expected that the third annual exhibition of the Timmins Horticultural Society, to be held in the Timmins Skating Rink on Monday, Sept. 5th, Labour Day, will be the very best yet. A large list of entries in all departments is expected. Already there are fifteen entries for the garden competitions. All other entries for the garden competitions should be made to-morrow at latest, as the judging of these is to be done before the day of the show. Mr. Whorley, of Haileybury, the noted horticultural expert of the North Land, will be here this week to do the judging of the lawns and gardens, and he will remain over for the show on Monday.

All entries for the show on Monday should be in before 11 o'clock that morning. Prize lists with full instructions how to make entries and all other necessary particulars, may be obtained from the secretary, Mr. A. T. Skelly, 10 Sixth avenue, or from any of the directors of the society.

All should help to make the Timmins Horticultural Show for 1927 bigger and better than former shows. Those who have flowers or vegetables to exhibit should add to the display at the skating rink on Monday. All exhibitors should be sure to have their exhibits in place before 11 o'clock in the morning at the latest. And everybody should go and see the show. The display will be specially well worth while.

**SCHUMACHER FOOTBALLERS WIN LEAGUE HONOURS**

Other Items of News From Schumacher Correspondent of The Advance This Week

Schumacher, Ont., Aug. 31st, 1927. Special to The Advance.

The McIntyre football team met the Holly Rees on Tuesday at Timmins, and won by a score of 1 to 0, winning the P.D.F.L. championship and the Garrett Shield.

Mr. J. Chanson and daughter, Jean, are home from a vacation spent with relatives and friends around Renfrew.

Miss Hubble, of the public school staff, returned on Tuesday evening from Windsor, where she has been spending the vacation. She motored through all the way.

Mrs. Helli and daughter, Helvia, left on Monday for Chicago, where they will be joined by Mr. Helli.

**FIND OF OIL REPORTED SOME MILES FROM PORQUIS**

Reports to hand this week are to the effect that noteworthy finds of oil have been made in Newmarket township, about a dozen miles from Porquis Junction. It is said that a number of claims have been staked and more are likely to be recorded in the near future. On more than one occasion there have been reports of oil having been found between Porquis Junction and the farther north country, but to date nothing permanent has taken place in the way of an oil rush. Samples taken from the present find are reported as very encouraging and further investigation of the oil possibilities may result in some activity. This part of the North Land has about everything in the way of minerals, so why not oil?

**LICENSE SUSPENDED FOR RECKLESS DRIVING**

At police court this week, fines of \$10, \$20, and \$25, respectively were imposed on six different men charged with speeding. J. Ferguson faced two charges of reckless driving. On one count he was fined \$20.00 and costs and on the other \$25.00 and costs. In addition his operator's permit to drive a car was suspended for two months. At the same court, six drunks were each fined \$10.00 and costs. Three wage cases were withdrawn. A cow at large cost \$4.00 and expenses. An assault case resulted in a fine of \$10.00 and costs after the defendant admitted he slapped the complainant, the slap knocking the plaintiff down. One of the drunk cases was that of a man who came up town to plead guilty to a charge of being intoxicated the night before. He was so drunk that he had to be locked up again. The one fine will likely cover both cases as it was likely only the one drunk drawn out a few hours too long.

**MATHESON FARMERS FIND GARNET WHEAT A SUCCESS**

Several farmers in the Matheson district secured seed of the celebrated Garnet wheat from Kapuskasing to try out this year. They are delighted with the success achieved, and it is likely that Garnet wheat will become popular in this part of the North. Garnet wheat is hardy and does not apparently pay much attention to the weather. In addition, it matures early. The farmers say it makes a very successful crop in the Matheson district.

**YOUNG GIRL BREAKS LEG IN COLLISION WITH TRUCK**

Leona Burton, 13-Year-Old Girl, Has Bad Accident While Riding Bicycle Down Shankman's Hill

While riding a bicycle down Shankman's Hill, at the foot of Third avenue, last night, Leona Burton, the 13-year-old daughter of Mr. Burton, of the T. & N. O. staff, met with a serious accident and is at present in the hospital suffering with a badly fractured leg. The girl had passed her examinations this summer and her father had bought her a bicycle so that she might ride to high school each day. She had just learned to ride the wheel and was out cycling last night. She was riding down Shankman's hill and at the foot went to the wrong side of the silent policeman. At the same time a Marshall-Ecclestone truck came up from Wilson avenue, and, turning the corner opposite the Russell House, noticed the girl on the wheel. The truck, driven by A. McCord, saw a collision was imminent and made a desperate effort to avoid it by turning into the ditch. In this way a head-on collision was avoided, but the girl and bicycle crashed into the side of the truck. The girl was thrown heavily to the hard pavement, and was unconscious when picked up. The police car came along just at the time and took the girl immediately to the hospital, where she had prompt and skilled attention. It was found that her left leg was badly broken, as well as some minor injuries received. At the time of writing she is reported as doing nicely toward recovery.

**THIS CAMP WILL BE WELL REPRESENTED IN CRUSADE**

Over 100 Cars to Go Down to Toronto From Here. Mr. R. Dye Will Speak at Luncheon on Mining Industry.

Already over forty cars from Timmins have gone to the south with the intention of taking part in the Northern Ontario Crusade to Toronto and the Exhibition. Thirty more cars will leave this week, and there will be at least another thirty in the group that will leave here on Sunday and Monday. Mr. Jos. Weston, who has been looking after the arrangements for the Crusade at the Timmins end, has been the busiest man in Timmins for some weeks past. He has looked after his part well and Timmins will be well represented in the big event.

In the parade itself and in the stay in Toronto, Timmins is going to get special publicity and attention through the Old Prospectors' Car. The old-time prospectors will cook and camp along the way and at the exhibition grounds in Toronto. They will also "stake a claim" there in the name of the Town of Timmins, with a heavy interest for the North Land in general.

At the banquet to be given Tuesday evening, Sept. 6th, at 7.30 p.m. by the Mayor of Toronto and the Council and Corporation of the city, in the King Edward Hotel, Mr. Robt. Dye, manager of the Vipond Mine, Timmins, has been selected to make the address on the Mining industry. Mr. C. W. Wright, of Englehart, will speak on agriculture, and Mr. Alec Dewar, president of the Northern Ontario Associated Boards of Trade, will speak on forests and water-power. A noted orchestra and a party of entertainers will be in attendance for the banquet.

**HIGHWAY NOW IN PRETTY GOOD SHAPE ALL THE WAY**

People using the Ferguson highway this week report it as in good condition now practically all the way. The strip of road between Ramore and Swastika contains a couple of bad spots, but these are improving with the attention given them. A large force of men and teams are at work on the road, repairing here and there, and putting on gravel at necessary spots. It is expected that the Ferguson highway will be in good shape all the way for the coming motor crusade to Toronto.

**Your Child's Eyesight**

The days grow shorter. Study hours under lamplight are again here. How about your child's eyesight? Is it being injured by close study and long reading hours?

The growing age of children is more often the time when eyesight is quite often abused until permanent correction is never possible and the child later is forced to wear eyeglasses all through life. On the other hand, prompt attention to weakened eyesight in younger years, often results in complete overcoming of slight defects in vision and later, glasses can be put aside.

We specialize in examination of eyes and will tell you honestly whether glasses are needed or not. Protect the child against defective vision. Attend to the matter now as the new school opens.
