The annual Rally Day service was held in the United Church on Sunday afternoon. The Junior and Senior Sabbath Schools met in the auditorium where a short programme of recitations and music was very cleverly rendered by the pupils. The promotion of the children was a special feature of the service. Parents and friends were present to encourage Mr. Carveth, the superintendent and his faithful staff of teachers in their good work.

Mr. and Mrs. James Shields, who have been residents of Kirkland Lake for several months, returned to town recently, and are at present the guests of the latter's parents, Mr. and Mrs. Elley, Fourth avenue.

The annual Corn Roast, to be held on Wednesday evening, 21st inst., under the auspices of the Young People's Society at the head of Pearl Lake was postponed on account of the unfavour-

able weather, and a similar event and social evening was held in the basement of the church. A programme of musical numbers followed by games and refreshments was thoroughly enjoyed by the many members in attendance.

Mrs. D. E. Keeley returned recently from a visit to Toronto.

Mr. Herbert Miller, who has been absent for two weeks on a holiday prospecting tour, is again on duty at the Schumacher depot.

Mr. Mevin Corrigan, of the Ankerite spent his holidays on a delightful motor trip through Southern Ontario, and State of Michigan, travelling by way of Toronto, Detroit, Saginaw, Sault Ste. Marie, Sudbury, North Bay and up the Fergusson Highway.

The service on Sunday evening in the United Church was conducted by Mr. J. M. Findlay, secretary of the Ontario Boys' Work Board, who is touring the district in the interests of the young people of Canada.

Willie was sitting with his feet in the aisle and was chewing gum when the teacher called to him:

"Willie, take that gum out of your mouth and put your feet in."

There was a good man from Calcutta. He talked with a terrible stuttia; He screwed up his face When he tried to say grace And blew his false teeth in the butta.

"Well, Algy, I hear you have taken up walking as the doctor ordered. How does it go?"

"Seems a bit awkward at first with-out a windshield."

OFFICERS ELECTED FOR ST. MATTHEW'S SOCIAL CLUB

A very pleasant evening was spent on Tuesday, Sept. 27th, in the basement of St. Matthew's church, the event being a meeting of St. Matthew's Social Club.

The first part of the evening was devoted to the business of the club and the officers were elected for the season as follows:—Mr. J. Higginson, president; Mr. C. Lythgoe, vice-president; Miss E. Arnold, secretary; Mr. W. Forrester, treasurer; and Mrs. Newington as fifth member of the executive committee.

An excellent programme for the evening's entertainment was arranged by Mr. Higginson and Miss Harrison and was thoroughly enjoyed by everybody present. During the evening a dainty lunch was served by the ladies of the club.

The next meeting of the club will be held on Tuesday, October 11th, and all members of St. Matthew's congregation are cordially invited to attend.

FIRST NATIONAL WEEK AT GOLDFIELDS THEATRE

Next week is what is known as First National Week at the Goldfields Theatre. It is in fact the week that the First National Pictures corporation has chosen to show the best of their product in all the theatres of the country using their pictures. So next week you can be sure that the patrons of this theatre will see a good line of photoplays. The management has secured for this coming week such stars and stories that will give spice with variety. Monday and Tuesday, you will see Pauline Stark as the girl who tried to best the Devil in his own playground. It is a peppy story, and a song of life set to the tune of jazz. Miss Stark is ably assisted by Benny Lyon. On Wednesday and Thursday, there is Corinne Griffith, the Yes-No girl, beauty of beauties, gorgeously gowned, living before your eyes in wondrous moments of thrill and romance. Friday and Saturday, you will see Barbara Bedford, famous for her beauty, notorious for her loves, in "The Notorious Lady." It is a story of darkest Africa in which Lewis Stone outshines any other star. With such a wonderful cast in these pictures, one can be assured of first class entertainment every change of programme next week.

TIMMINS TEAM DID WELL IN PROVINCIAL TESTS

Ambulance Brigade Team Stood Thirtieth in Array of 52 Teams from All Over Province.

In the St. John Ambulance Brigade Provincial championship contest, the Timmins team was given thirtieth place in a field of 52 teams. In the contest for the Coderre cup, open to all Canada, the Timmins team was eighth with 18 entries. The Dome team took 18th and 7th place respectively in the above contests. The Timmins Bigade has not yet been established a year, so the results attained are certainly creditable indeed. The standard of efficiency in first aid reached by the Timmins Ambulance Brigade in the comparatively short time since its formation speaks highly indeed for the interest and effort given to the work. Not only has the local brigade distinguished itself in the Provincial arena, but during the year it has also done work of much value and helpfulness in town during the period that it has been in existence. Next year the team from Timmins may be expected to take even higher standing. The members of the team here competing for Provincial honours were:—No. 4, (Capt.) T. H. Richards; No. 2, G. A. Gibson; No. 3, W. Hogg; No. 1, F. Jackson.
