

NEARLY \$350 NETTED BY UKRAINIAN TAG DAY HERE

Committee Also Collected Other Money and Have Now a Total of \$500.00 for the Flood Sufferers Overseas.

Tuesday was Ukrainian Tag Day in Timmins, and a total of \$357.74 was gathered in. The expenses charged against the event amounted to only \$11.55, thus leaving a net sum of \$346.19 for the purposes of the tag day. The tag day here on Tuesday was organized by the Timmins branch of the Ukrainian Labour-Farmer Temple Association to raise funds to send to the flood sufferers in Ukraina and Bucovina. Recently both Bucovina and Ukraina have been visited by disastrous floods that have done great damage to property and resulted in much loss of life. There are hundreds ruined, hundreds who have lost the breadwinners in the family, and hundreds homeless, orphaned, widowed and in need. It is to aid these suffering ones that the Ukrainians here have been making appeal. A recent tag day in South Porcupine netted a neat sum for the flood victims but the day at Timmins this week was even more successful. The local committee have now \$500.00 on hand, there being other money collected in addition to the tag day. This money will be sent to Winnipeg headquarters from which place it will be promptly sent on to Ukraina and Bucovina to relieve the distress in those flood-damaged districts.

On Tuesday, the Ukrainians had their tag day well organized, a number of young ladies with suitably inscribed being collection boxes on street all day and asking each one that passed to assist the good cause. In cases where explanations were necessary the tag girls were ready to explain the need of the unfortunate ones in Ukraina and Bucovina and the desirability of all assisting so far as possible to relieve the need.

Sunday was Rally Day at the United Church, Timmins, and the event proved both pleasing and successful. In the afternoon the event was marked by special features at the Sunday School. In the evening, the Young People of the church had charge of the services. Mr. Alex Finlayson gave the scripture reading, and Mr. K. Donohue led the responses there being a special form of service for the occasion. There were three short talks by Rev. J. D. Parks during the services. After the services the young people held a social half-hour with a brief programme in the basement of the church. There was a large attendance at this feature, and it proved very attractive. The programme opened with a well-presented piano solo by Mr. Dunc. Cuthall. A solo by Miss Sales was another excellent number that was much appreciated. Mr. Mitchell, who has a fine baritone voice of much power and attraction, pleased all with his solo. Mrs. D. H. Neill's well-trained and pleasing contralto voice was much appreciated. A reading, "Robert of Sicily," was well given by Mrs. G. A. Macdonald, and won much favour. Miss Fearn McCarthy played the piano accompaniment for the vocal solos. FIVE YEAR TERMS GIVEN AT ASSIZES AT COCHRANE

Hearst Man Sentenced for Incest. Connaught Man Given Term on Manslaughter Charges.

At the fall assizes at Cochrane this week, with Mr. Justice Fisher presiding, E. Lefebvre, of Hearst, charged with incest in regard to his two young daughters, had his case transferred to a later court. A five-year term was given to E. Korri, on a conviction for manslaughter. Korri was first charged with the murder of John Oillia at Connaught last March, the latter dying in May from knife wounds inflicted in a slashing attack by Korri. The charge was reduced to manslaughter and Korri pleaded guilty.

On a charge of abduction, Paul Delisle, of Cheminis, was given five years at Kingston. Seduction charges against him were dropped. The case arose from the taking of two young girls from the McIntosh Springs district and holding them at Cheminis for improper purposes.

The case of the Northern Fruit Co. vs. Shankman was transferred to another court, and it is understood it will be tried at North Bay. This case arises from an account for goods which the defendant claims were not ordered and is one of the accounts in connection with which the fruit company's manager was defendant in a previous court, forgery of order being claimed. These cases were dismissed and now Lewis is suing for the accounts.

UKRAINIAN CONCERT DELIGHTS GOOD CROWD

Event at Goldfields Theatre Last Night Enjoyed by All. Clever Dancing. Fine Costumes. Novelty.

There was a large attendance at the concert given by the Ukrainian Dancing School of the Ukrainian Labour-Farmer Temple Association's branch in Timmins, the event being held in the Goldfields theatre. It had been expected that there would be music by the mandolin orchestra, but this was not found practical, on account of so many of the orchestra being in the dancing groups. However, the programme was a very varied one and full of interest and attraction. All the dancers were in the costumes of their native Ukraina and looked most attractive and the novelty made special appeal. The dances given were very interesting and full of charm and colour. The dancers have attained a degree of excellence that reflects the highest credit upon them and upon those who have trained and directed them. There were 28 dances on the programme, all of them delighting the audience by their quaintness and grace. They were chiefly native dances of Ukraina and Bukovina, though there were also excellently presented Hungarian, Cossack and Austrian dances. An "Irish Jig" was a special on the programme that attracted much attention. The dances were appealing in their variety. There were solo dances, duets, groups of four, eight, twelve and sixteen. Adults, men and women, and boys and girls gave their numbers with equal skill. The dances by the children brought special applause, two little tots making a particular hit and winning the greatest encore of the evening for their duet number. The music, native Ukrainian and Bukovinian airs—was a feature of the evening, its lively melody and rhythm having especial charm. Mr. Geo. Hale was the pianist for the accompaniments and was supported by effectively played violin and drums and traps. One of the most outstanding hits was the number, "Twenty Different Steps." In this number there were twenty dancers, men and boys, who danced cleverly to the air played, all dancing in twenty different steps, yet doing it perfectly. The solo dances were worthy of special note for their excellence. The Roumanian Dance was a very popular number, as was also the "Hopak Kolum." Another was the "Podolian Kossack" number. The closing mass dance was one of the best numbers on the programme. The evening was a genuine treat to those who like novelty and good dancing, and all concerned are to be congratulated on the success won. The programme concluded with the playing of "God Save the King."

POULTRY SHOW TO BE HELD THIS YEAR NOV. 9 AND 10

Big Poultry and Pet Stock Will be at the Timmins Curling Rink Next Month.

At a meeting of the Porcupine Poultry and Pet Stock Association held here last week it was decided to hold the annual poultry and pet stock show on Wednesday and Thursday, November 9th and 10th. As the skating rink is not available this year, the show will be held in the Timmins Curling Rink, across the tracks from the T. & N. O. station.

For several years past the poultry and pet stock show has been one of the big features of the winter season. This year it is both hoped and intended to break all previous records in every way for a successful event. The Porcupine Poultry Show has made a name for itself as one of the very best in the North Land, and this reputation is to be enhanced this year. A committee is at work now revising the prize lists, and other arrangements are under way to put the event over bigger than ever. There is only a comparatively short time for preparations as the show is being held in November, the new dates being considered as much better than just after the new year. The fact that the time is short, however, should impress all with the idea of all giving all the help possible to assure the complete success of the coming event. Mr. Dick Oke, of London, Ont., probably the best-known poultry judge in Canada and noted for his expert knowledge and fearless fairness, will be the judge of poultry for the show here.

MANY TIMMINS SOLDIERS WON HONOURS DURING WAR.

An item of news of more than passing interest, and which goes to show that ex-service men who served in the various front lines are associating themselves with the Canadian Legion, and also speaks in a striking manner of the services rendered by the ex-soldiers of the Porcupine, is that an average of one applicant in every three is entitled to wear medals for bravery or distinguished service during the Great War. A large number of the members of the Legion wear more than one decoration for bravery or distinguished service.

This record is a distinct credit to the men who make up the Timmins Branch of the Canadian Legion, and probably will constitute a record hard to beat among other branches.

Grosjean Marimba Xylophone Trio Here Next Wednesday

First of a Series of Six High-Class Concerts Under the Auspices of Kiwanis Club. Proceeds of This Event for Victorian Order of Nurses. "An Evening's Entertainment of Fresh and Novel Appeal."

The Timmins Kiwanis Club has arranged for a series of six high-class concerts to be given here during the coming months, the proceeds in each case to go to some especially worthy cause. The plan thus not only pleases the public with unusually meritorious entertainment, but also assists several worthy local causes.

The first of the series of these concerts will be the Grosjean Marimba-Xylophone Trio, to be at the Goldfields theatre on Wednesday evening next, Oct. 12th. The event starts at 8.15 p.m. The proceeds from the event are to go to the local Victorian Order of Nurses.

The Grosjean Marimba-Xylophone Trio features on its very varied programme the music of the marimba-xylophone a melodious instrument uniting the most attractive qualities of the marimba and the xylophone. The marimba is a musical instrument that has been in use for centuries among the Indian tribes of Central America and among the natives of South Africa. The xylophone is well known and very popular on this continent. The marimba-xylophone is remarkable for the depth and tonal quality of its notes. Both solo and ensemble numbers are rendered on this instrument by the members of the Trio, each of whom is an expert marimba-xylophone player. A group of Chinese selections, given in costume, and the "Glow Worm," presented with special lighting effects are especially charming features employing the marimba-xylophone.

The programmes for the event next Wednesday night at the Goldfields point out that Miss Floss Grosjean, the feature artist of the company, is a well-known impersonative entertainer. She wins her audiences with her gay and sunny smile and her wholesome enjoyment of the humorous things of life. Riley poems as interpreted by Miss Grosjean, are always very popular.

In addition to her character

sketches, Miss Grosjean is a clever banjoist, saxophone artist and pianist. She also gives notable ventriloquist numbers.

Harry L. Jensen is a popular Lyceum entertainer and a valued member of this company. His saxophone numbers are especially pleasing.

Completing the ensemble of the company is Miss Armina Wilson, who, in addition to her proficiency on the marimba-xylophone, contributes notably to the programme with her playing of the clarinet and piano.

Employing a wide variety of instruments, the company entertainingly presents a programme rich in instrumental trios, duets and solos, ranging from the popular to the classical.

The gifted entertainers who compose this company are thoroughly experienced in the musical entertainment field. They offer an evening entertainment of fresh and novel appeal which meets an enthusiastic reception everywhere.
