DEATH OF MR. JOS. FRETT AT SCHUMACHER SATURDAY

A well-known and popular old-time resident of the camp died at his home on First avenue, Schumacher, on Saturday evening, in the person of Mr. Jos. Frett, aged 41, who for some four or five years has conducted a taxi business at Schumacher. The late Mr. Jos. Frett was a resident here before the war, leaving here to serve in the Italian army. After the war he returned to Schumacher and worked for a time at the McIntyre, later going into the taxi business. The funeral took place on Tuesday and was very largely attended, the number attending the last sad rites showing the regard in which the late Mr. Frett was held. The funeral services were held at the R.C. church and interment was made in the R.C. cemetery. Following an old custom, the coffin was carried on the shoulders of the pallbearers up street on its way to the cemetery, the hearse going ahead.

Extensive Robberies From T.&N.O. Freight Cars Recently

Seals on Cars in Yards Here Found Broken and Large Quantities of All Kinds of Goods Taken. Some Form of Truck Must Have Been Used to Carry Out the Robberies. Officer Swan, of T. & N. O. Here Working on Case.

During the past week or so extensive robberies from freight cars on the T. & N. O. have taken place. A large quantity of all kinds of goods has been stolen, the missing goods totalling a value of between \$1000 and \$1500. The goods taken include all sorts of articles, beer, cigarettes, cartons of tobacco, stationery, rubbers, boots, mitts, gloves, mattresses, beds and springs, pillows, confectionery, fruit and numerous other articles. Among the articles stolen were complete beds, clothes lines, etc. The series of robberies of freight cars here started on Hallowe'en when 24 cases of beer were reported as missing. On Wednesday last and again on Thursday the robberies occurred on the T. & N. O. property. The seals were broken on cars in the yards, the cars entered, and goods picked out and taken away. One parcel taken away contained a number of catalogues for a local jeweler, this being one of the cases where the appearance of the package deceived the robbers. In one case at least the robbers must have used an auto or a truck to carry off the bulky goods stolen. The local police took up the matter of the robberies as soon as they were reported, and are still working on the cases.

In the meantime, Mr. Robt. Swan, T. & N. O. investigation officer, came here to take active measures for the tracing of the goods, and the apprehension of the culprits. It would appear as if there were more or less of an organized gang in these robberies, and there is also the possibility that the criminals may come from out-of-town. An auto with an out-of-town number is thought to have been seen around the station property just previous to one of the robberies. In addition to the T. & N. O. robberies, there are reports of some minor robberies or attempted robberies in town during the past week or two. The Marshall-Ecclestone garage was entered, but nothing was secured there, no money being left in the cash register which the robbers attempted to force. Some meat was stolen a night or two after from Shub's slaughter house in Mountjoy township. Attempts to enter some residences are also reported, but no serious losses have occurred except in the case of the T. & N. O. thefts, which are at present receiving the attention of both the local and the T. & N. O. police. Several suspected places have been searched, but so far neither the stolen goods nor the criminals have been found.

LARGE SHOWING OF DOGS AT POULTRY SHOW HERE

Large Entry List of Poultry and Excellent Samples on View. Good Attendance First Day.

The annual poultry and pet stock show, being held this week at the Curling Rink (opposite the station) is in progress at the time of writing and promises to be a successful event. The attendance yesterday was larger than usual and this afternoon and evening it should be still better. The attendance this evening should be especially large as no one should miss the opportunity to see this first-class display of poultry and pet stock. There is a particularly large exhibit of dogs, many of the entries being of special character and all of interest. Quality also features the showing of poultry, a number of prize-winning birds being exhibited. The show is one of special merit throughout and a credit to the Porcupine Poultry and Pet Stock Association. Further reference to the event and a list of the prize winners will be published in the next issue of The Advance.

"I haven't a thing to wear," has been the cry of the women all through the ages, but the modern women are the first to wear it.

BEAUTIFUL SPECKLED TROUT NEAR TIMMINS

People interested in fish and game find it necessary each year to go farther and farther away from town when in quest of good sport. Yet, last week Mr. Lacroix, of the Windsor Hotel, found a regular little fish and game paradise not more than twelve miles away from Timmins. Mr. Lacroix naturally does not describe the exact location of his find, but he does say that it is comparatively easy of access and can be reached by canoe and trail in less than three hours. The waters have the most wonderful supply of speckled trout,—beauties both for size and quality, not to mention numbers. Also, last week Mr. Lacroix shot a fine spike buck—a dandy—in the same locality.

Big Steady Earnings

Stop job-hunting—if another man can make a profit on your time and services, so, too, can you. You can make \$10 a day to start, selling Douglas made-to-measure suits and overcoats. At \$19.75 you can sell a garment that costs the customer \$30 or more in any retail store. No experience or investment necessary. The values sell at sight. We train and show you how to succeed. We supply you with full selling equipment. Learn how you can get your own clothes free! Get out of the rut! Strike out for yourself! Write us to-day! THE DOUGLAS TAILORING CO., Dept. 640, P.O. Box 645, Montreal.

SECOND INSTALMENT OF TAXES DUE ON NOVEMBER 15

Taxes Unpaid After Next Tuesday are Liable to the Penalty of Five per cent.

The second instalment of taxes for the town of Timmins for the year 1927 will be due and payable not later than next Tuesday, Nov. 15th. All taxes not paid by that date will be liable to the addition of a penalty of five per cent. The first instalment of taxes for this year has been collected with fairly general success and it is to be hoped that equally good fortune will attend the second instalment. In quite a number of cases both were paid at once, business men and others figuring out that this was the best way for all concerned. There are, however, many who can not conveniently afford to pay all their taxes by September. It was for the benefit of these that the instalment plan was adopted. This plan certainly makes it much easier for all to keep up with their taxes. Taxes have been coming in pretty well, but it is not out of place to remind all and sundry that after Nov. 15th the five per cent. penalty will be added. All should make a point of remembering the date, Nov. 15th, and paying the balance of their taxes so as to avoid the chance of overlooking them and thus incurring the loss that follows the adding of the five per cent. penalty.

TORONTO BUSINESS MEN VISIT CAMPS OF THE NORTH

Forty-five in Party Inspecting Rouyn, Kirkland Lake and Other Camps This Week

About forty-five business men, brokers, financiers and others, from Toronto, visited the gold and copper camps of Boston Creek, Kirkland Lake and Rouyn during the week-end. One party came to Boston Creek, while the other was routed through to Rouyn. As a matter of fact, however, most of those in the different parties made a point of visiting all the three camps mainly. The parties left Toronto on Friday evening and returned to Toronto on Monday. The members of the party were much impressed by the possibilities of Boston Creek area, the undoubted development of Kirkland Lake and the very decided activities at Rouyn. A special feature of the trip was the routing of the party by Pullman car to Rouyn via Cheminis. This was the first time that a Pullman car took a regular party of passengers over the new Nipissing Central Railway branch from Cheminis to Rouyn. The visit to the Horne smelter and the inspection of the townsites of Rouyn and Noranda were other special features of the visit. It is expected that the Horne smelter will be ready for operation within five or six weeks. Mr. Fred J. Verner, of the Arthur E. Moysey & Co. brokerage firm, was one of the party and he made a special study of the mines visited and the general conditions in the three camps.

Judge to Prisoner—Seems to me I have seen your face before.
Prisoner—Yes, sir; I'm the young man who helped your son build a radio set.
Judge—Twenty years.

N.O.H.A. OFFICERS WERE ELECTED BY ACCLAMATION

Executive Still to be Chosen at Annual Meeting to be Held at North Bay on Saturday.

The annual meeting of the N.O.H.A. will be held at North Bay on Saturday of this week, Nov. 12th. Messrs W. McIntyre and P. T. Moisley will be delegates from Timmins for the meeting. Already the time for nominations for the positions of president, vice-president and secretary-treasurer has gone by, with only the necessary number nominated, and these three the men occupying the positions last year. The officers for the ensuing season accordingly, will be:—President, W. Turk, Iroquois Falls; vice-president, C. Baker, North Bay; secretary-treasurer, W. Thompson. These being elected by acclamation, there will only be the executive to select on Saturday to complete the list of officials. Among those nominated for a place on the executive are:—D. R. Mitchell, Sudbury; D. Sutherland, Haileybury; J. McDonald, Sault Ste. Marie; Tom Faught, Chapleau; J. E. Patterson, Iroquois Falls. There are several very important matters to come up at the annual meeting of the Northern Ontario Hockey Association on Saturday, and the general hope is expressed that the meeting will be largely attended and fully representative of the whole district. According to all forecasts the season is going to be a very successful and promising one for the N.O.H.A.

To-morrow (Friday) evening there will be an Armistice Night Hard Times prize ball in the McIntyre Recreation hall, Schumacher. Five prizes for original costumes and lucky numbers. Tommy Stephens' Red Jacket orchestra will furnish the music. Refreshments served during the evening. Dancing from 9 to 2 a.m.
