SEASON'S FIRST BAND CONCERT GOOD SUCCESS

Large Attendance at First of Series of Band Concerts Well Pleased with Programme.
The first indoor band concert for the season by the Timmins Citizens' Band drew a good house at the Goldfields theatre and all enjoyed the excellent programme provided for the occasion.
The selections given by the band were attractive and interesting, and were presented with musical talent and effectiveness. Bandmaster F. J. Wolno and his bandmen were complimented generally both on the selections given and the way in which they were rendered. The selections by the band included:—March, "El Dorada"; selection, "Sylvan Scenes"; selection, "L'Ebreo"; waltz, "Fascination"; march, and "God Save the King."

The soloist for the evening was Mrs. D. Neill, and the gathering was delighted with the fine musical talent, the attractive voice, and the sympathetic and understanding presentation of the number given by this gifted singer. Mrs. Neill sang "Abide with Me," and the number was a delight to all the music-lovers present. Mrs. Neill has a pleasing contralto voice of power and sweetness, well-trained and sympathetic, and her solo won very decided encore.
Another very popular artist for the evening was Bandsman Chicole, whose gifted work on the piano-accordion won unstinted applause. Bandsman Chicole showed himself a master of the accordion, and each of his numbers was very heartily recalled. He played with striking skill and effectiveness, and was equally good in classic and lighter music. Among the selections given on the accordion by Bandsman Chicole were:—"O, Sole Mio," "Miserere," and other classics, together with some lighter numbers that pleased the audience equally well.

The attendance at the concert showed appreciation for the programme throughout.
The next band concert will be on December 4th.

ALBANY RIVER CLAIMS IMPROVE IN PROSPECTS.

According to word from Cochrane and the far north, further work on the Howey claims at Fort Hope on the Albany River appears to have revealed much better conditions than was at first supposed by the prospectors who went in some time ago to view the discovery. Whereas, the deposit had an original appearance of being a splash or irregular occurrence yet further work is stated to have revealed continuity and with assays running comparatively high. This improvement in outlook is expected to attract a number of prospecting expeditions into the Fort Hope area during the coming Summer. Favourable geology occurs over a wide stretch of territory,—not only favourable for deposition of gold, but also holding possibilities of silver and other deposits.

REPORT ON CONDITION OF NORTHERN HIGHWAY.

The Ontario Department of Highways has just issued a report on the highways of the province. All the main roads are covered by this report, and suitable reference made to the condition of the various roads, the detours necessary and other details.
In reference to the highway from Toronto to the North Land, the following paragraphs are given:—
Highway 11—Yonge Street and Muskoka Road—Toronto to Severn via Bradford, Barrie—Orillia 95-8 Pavement Toronto Barrie, except in Richmond Hill Village, detour from time to time around work in village.
Severn-Callander—130 miles—In fairly good condition.
Callander-North Bay—7.5 miles—Construction work on southern portion, but road is open to traffic, although rough.
North Bay-Cochrane—260.5 miles—North Bay-Swastika, generally in fair condition. Swastika-Cochrane—This section is rough owing to frost, but is still passable to traffic.
Preparations have been under way during the past week or so for the rink for the school children at the Central public school.

WHIST AND EUCHRE DRIVE FRIDAY EVENING, DEC. 2

The L.O.B.A. announce a whist and euchre drive to be held in the Moose hall, (Roller Skating Rink building), opposite the station, on Friday evening, Dec. 2nd, commencing at 8 p.m. There will be good prizes and good music, and refreshments will be served during the evening. After the cards, dancing will be enjoyed and all attending may be sure of a good time. The L.O.B.A. has shown a very pleasing talent in presenting very enjoyable social events and all will be confident that the whist and euchre drive will be an attractive one.

THREE OR FOUR INCHES OF ICE ON THE RIVER HERE

The river has been frozen over for some days, and a hole cut in the ice this week showed three good inches of solid ice. People are using the ice, but it can not be considered as safe yet. There is an old-time receipt in regard to when the ice on the river is safe in the fall, and that is, that the ice is never safe until after at least one horse has gone through and been drowned. So far as known to date no horse has met this fate this fall, so the river ice must accordingly be considered as still unsafe for travel.

BALLOON PRIZE DANCE AT MCINTYRE HALL ON FRIDAY

A Balloon Prize Dance is announced to be held in the McIntyre Recreation hall, Schumacher, on Friday evening of this week, Nov. 25th. A lucky number prize will be among the features of the occasion. The music will be by Tommy Stephens and his Red Jackets. Dancing will be from 9 to 2 a.m. The McIntyre Recreation hall has a well-deserved reputation for pleasing dances, and the one on Friday evening will no doubt be up to the usual high standards.

According to the report of the Cobalt fire chief, the total fire loss for the town of Cobalt for this year up to Nov. 1st was the insignificant sum of \$275.00. No wonder the town of Cobalt is pressing the fire underwriters for a reduced rate for fire insurance for Cobalt!

MOUNTJOY CONSERVATIGES TO MEET SATURDAY NIGHT

Election of Officers for Year and Other Important Business. Many Questions to be Discussed

Notices signed by Mr. F. M. Wallingford, president, and Mr. Geo. Sheridan, secretary, have been posted this week calling a meeting of the Mountjoy Liberal-Conservative Association for Saturday evening of this week, Nov. 27th, at 7 p.m. The meeting is to be held at 131 Wilson avenue and as many important matters will come before the meeting the largest possible attendance is desired. All settlers and residents of the township of Mountjoy are urged to attend and to assist in the work of the association.

One of the chief items of business for the evening will be the election of officers for the ensuing year. During the past year the association has done good work and been of value, and with the active co-operation of all it may be of still greater use in the future.
A number of important questions will be up for discussion at the meeting. These questions will be of vital interest to the settlers and residents of Mountjoy, and for this reason all concerned should be in attendance at the meeting on Saturday night. One of the questions to be considered is that of the Provincial Land Tax, and the views of the settlers on this tax is desired, so that the Government may understand the attitude on this matter so far as the settlers of Mountjoy are concerned. Other questions affecting the people of Mountjoy township will also likely be taken up and all settlers can assist in the solution of the problems by their presence on Saturday evening and by expressing their opinions on the matters in question.

The next band concert by the Timmins Citizens' Band will be on Dec. 4th, in the Goldfields theatre, and a specially good programme is being prepared.

SOUTH AFRICAN FLAG TROUBLE ENDED

The bitter controversy over the new South African flag bill, which has raged for a number of months, has now ended happily. General Smuts, leader of the Opposition (left), and General Hertzog, Prime Minister of South Africa, met this week in an effort to arrive at a satisfactory solution to this trouble, which was threatening to disrupt the political parties of the entire Union. The outcome of their conference was that the Union Jack should be placed beside the new flag of the Union of South Africa wherever the latter is flown.
